The little red schoolhouse with the battered wooden benches and the old round stove. When the teacher was sick school closed and the lazy spring days were spent on the banks of the creek with a pole and a bent pin-

This is only a happy memory now—the isolated schoolhouse has bowed to economy and efficiency and the modern central school with its innumerable advantages has taken its place. One absent teacher no longer delays the progress of education.

So it is with your electric service. The small isolated power plant has for efficiency and economy given way to the large interconnected central station. Reliable service is guaranteed. If trouble occurs at one station power is brought to your home from the others.

WEST PENN POWER CO.
