CENTRE HALL, PA., THURSDAY, AUGUST 13, 1931.

NO. 31.

PROGRAM ANNOUNCED FOR 58th ENCAMPMENT & GRANGE FAIR

Rev. W. C. Dunlap, of Tyrone, to Speak at Harvest Home Services in Auditorium, Sunday.—Congressman Banks Kurtz, Centre's Representative in New Formed District, Among Speakers of Week.

The Grange Fair has been fortunate this year in securing two splendid speakers, both well known and representing the interests which are back of the fair. Hon. E. B. Dorsett, Master of Pennsylvania State Grange, and Hon. John McSparran, Secretary of Agriculture, without doubt the two leading minds working for agricultural betterment and improved rural conditions. Both always have an important message and are able to get it to their audiences in a manner clear and forceful.

There will be other speakers during the week—one we must mention—Hon. Banks Kurtz, of Altoona, long a Congressman with Blair county as part of his district. The reorganization includes Centre county in that district and as a consequence it is very important that the people of Centre county have this opportunity to hear Mr. Kurtz state his views on national affairs. And no better place could be found than the Grange Fair for Mr. Kurtz to meet and become acquainted with the good people of Centre county—a representative gathering.

Dr. W. C. Dunlap, formerly pastor of St. Matthew's Lutheran church, Reading, now retired and a resident of Tyrone, will have charge of the Harvest Home services in the auditorium on Sunday afternoon. Special music is being planned for the service and no doubt it will be impressive as in past years—a good beginning for the week.

We must be entertained as well as instructed, so ball games arranged for each day play a big part in the pleasure it is believed each person receives while attending the fair. Skilled teams have been secured and visitors are assured all the usual thrills will be experienced. The new bleachers will add greatly to the comfort of the spectators. A small charge will be made for their use.

FARMERS' HORSE SHOE PITCHING CONTEST

County-Wide Contest to be Held During Grange Fair.—Entrants Must Be Farmers and Resident of County.—First Prize, \$10.00.

Arrangements are being completed for the county-wide farmers' horseshoe pitching contest which will be held at the Centre Hall fair. The committee of the extension association appointed E. H. Dale of Boalsburg, as a director of the tournament.

The rules and regulations will be carried out on the same basis as the State-wide tournament at Harrisburg in order that the county winner will be eligible to compete for State honors at the Farm Products Show this coming year. Entries in the contest must conform to the following rules:

(1) The entrant must be a resident of the county in which the tournament is held.

(2) The entrant must be a farmer. This means living on a farm, and one whose chief occupation is farming. This includes members of the farmer's family actually living on the farm or his hired laborer. Sons temporarily away from home attending school or students are considered members of the family yet on the farm.

Courts are being prepared by the fair association and regulation shoes purchased for use in the tournament. Anyone pitching in the tournament must use regulation shoes, either those supplied or shoes owned by the individual.

The preliminaries will start on Wednesday morning, August 26, at 9:30, and entries will close at 2 P. M. The semi-finals will be held Thursday, August 27, at 9:30 A. M., and the finals Thursday at 1:30 P. M. In the preliminaries each man will pitch fifty shoes. Each shoe placed six inches to the peg or closer will count. Scores will be kept and out of the preliminaries the eight highest scores will enter the semi-finals.

Horseshoe pitching is gaining in popularity all over the State, and is expected to be one of the interesting features of the fair this year.

The fair association offers four money prizes to the winners, as follows:

First prize \$10.00

Second prize 8.00

Third prize 6.00

Fourth prize 4.00

Centre Co. Motor Club Directors Meet.

At the monthly meeting of the directors of the Centre County Motor Club, held at Nittany Lion Hotel, State College, on Friday evening, the report of the treasurer indicated a cash balance in the treasury of over \$7,000, being an amount almost equal to that at the corresponding period in 1930. Senator H. B. Scott dispatched the routine business in rapid order, but not without giving each item bills and all due consideration. This is the month during which many memberships will expire, and it is hoped that not only will all make renewals, but that new names will be added. In fact, a number of new members have already been reported.

The club directors and a few guests were given the privilege of inspecting the new hotel, which they found most elaborately furnished and complete in appointments.

Hon. John L. Holmes was the host for the evening.

Cops Brother's Holdings.

Returning from the Geisinger hospital where he had been a patient, Chas. Keister, of Glen Iron, Union county, found that in his absence he had been robbed of his savings of \$350, secreted in a trunk in his room.

Becoming suspicious of Mr. Keister's brother, Palmer Keister, aged 24 years, who resides with his brother, Deputy Yost and the state officers grilled him and the man finally confessed that he had taken the money, and that he had broken the window in his brother's room to make it seem as though an intruder had entered and stolen the savings.

The officers recovered \$510 of the money from Palmer Keister, and gave him until today to make up the remaining \$440, or face charges of larceny.

Flags Available for Funerals of "Vets"

Postmaster John L. Kniesly, of Bellefonte, received his first shipment of flags which in the future will be furnished by the U. S. Government for the funeral of the Veteran of any war. They are now available on call from any part of the country.

The postmaster at each county seat is custodian of the flags.

All that is required is for anyone to make out application on blanks which he will furnish. The flag will be furnished immediately for the funeral, and thereafter becomes the property of the next kin.

The flag is of regulation size, 5 feet by 9 1/2 feet, made of wool.

Where there is not time for the flag to be sent, a suitable flag may be purchased, cost not to exceed \$7.00, and the government will repay that sum.

FOCHT, FIRED, GETS VACATION PAY

Benjamin K. Focht, of Lewisburg, one of the best known political figures in the State, will get two weeks' vacation pay from the State, although he has not been a State employe since January.

Focht, a former Congressman, was a deputy Secretary of the Commonwealth prior to the Pinchot administration. He was ousted when Pinchot came into office.

Thursday, however, Richard J. Beamish, Secretary of the Commonwealth, announced he has issued an order for two weeks' pay on the basis of \$5000 a year salary—for Focht. This, he said, is because Focht was fired without the customary two weeks' notice.

Whether this courtesy will be extended to other fired employes could not be learned.

The premium list put out by the Mifflin County Fair Association carries no earmarks of the depression we hear talked of. The dates for the fair are September 1 to 5, both days inclusive, and each day has a night following during which the association promises great amusement.

Even the mountains afforded little comfort to those who sought to escape from the torrid heat and humidity of last week.
