THE ONLY CANDIDATE FOR SHERIFF FROM PENNS VALLEY

John M. Boob, of Millheim, the only candidate on the Democratic ticket for Sheriff who resides in Penns Valley, is a man of unimpeachable character, his ability of the business man of today and is not a politician in the strict sense of the word.

He was born in Haines township. At the age of eleven years his father died and he then took up his home with his grandfather, John Hubb., on the latter's farm near the Red Mill, in Potter township, where he resided for the ensuing eight years. In 1914

he entered the employ of his step-father, H. H. Letzell, and learned the butcher business. In 1917 he was again on the farm in the interest of his grandfather. In June, of that year he registered for military duty and was called the next May from a farm in Haines township.

He was inducted into the service at

Bellefonte, and received his first military training at Camp Meade, Md. He went overseas with the 314th Infantry, Co. H, which was a part of the 79th Division. The latter division took part during the last of which Mr. Boob became a hospital patient. He was not again with his old buddies until the division was discharged at Camp Dix, N. J., following a surgical operation in the hospital in that camp. He was later sent to the St. Agnes hospital in Philadelphia, and following his discharge from that institution, he entered the Pierce School of Business Administration. He graduated from that school in 1922, and the same year entered the butcher business, which he now conducts.

Mr. Boob has held public office in the borough of Millheim, and is at the moment justice of the peace; being also, since 1926, clerk of council.

He is a member of the Keystone Post No. 444, American Legion, which he served as commander and adjutant after he reorganized it in 1922. During 1930 he was Chief de Gare of Centre County Viator No. 14, 40 of S. at Bellefonte and held that office with credit to the organization.

He is a member of St. John's Reformed church in Millheim and holds the office of recording secretary in that body. Other organizations in which he holds memberships are the M. W. of A. K. G. E., and the I. O. O. F., in Millheim.

REPUBLICAN for Prothonotary

Four years ago I asked the Republican Nomination for the office of Prothonotary. I met defeat by my opponent who asked for a third term, and when ballots spoke in the November election it was in favor of the Democratic nominee.

I accepted the decision without a murmur, have been loyal to the successful candidates as well as their respective officials of the County regardless of their political beliefs, and I believe you are satisfied that I am entitled to the Republican nomination on September 15th, next.

I was born and lived all my life in the County, taught in the public schools for fifteen years, book-keeper and salesman for nineteen years, and on June 24th, 1923, our present Governor Pinchot, who was then serving his first term, appointed me a Justice of the Peace of Phillipsburg, in which service I have continued, and at the organizing of the Centre County Justices' Association I was chosen its president, and still in the same capacity.

Believing that every individual in the history of his own history (if not on parchment) it will be remembered by those with whom they come in contact, I beg your investigation and am willing to be governed by your decision on September 15th, whether I am worthy as well as competent to fill the office which I am asking you for.

MARK AN X BEFORE THE SECOND NAME ON THE BALLOT for PROTHONOTARY, as I drew Second Position, and there being only two of us you will not err in your marking.

Very sincerely yours,

EDWARD R. HANCOCK
