

Car & Motorbus Collide; Oak Hall Man Killed

ABRAHAM COBLE, 34, CUTS ZIG-ZAG SWATH STRIKING TWO CARS. BEFORE FATAL CRASH—MOTOR PATROL AND CORONER MAKE RECORD TIME IN REACHING SCENE OF ACCIDENT—PASSENGERS SENT ON BY AUTO—DRIVER IS EXONERATED.

Abraham Coble, aged 34, of Oak Hall Station, was instantly killed Saturday evening at 6:45 when the Model T Ford coupe he was driving near Deep Vue, in Rush township, just on the border of Blair county, collided with an Edwards Motor Bus enroute to Willamport and New York. The bus was driven by Rufus Neepet, of Curwensville.

Coble, from all indications had been drinking, and struck two automobiles and forced one from the highway and then continued to wind his way up the mountain. Apparently, he did not see the bus at all until it was almost on top of him. The driver attempted to miss the swaying car but Coble turned directly into the heavy vehicle. The impact broke the left front wheel on the bus and also forced it off the road. Coble was thrown through the window on the left side and landed with terrific impact on the road. Death was instantaneous. He suffered a broken back and a fractured skull.

Coble was evidently on his way on a hunting trip. There was a gun and

hunting clothes in the wreckage. Identity was established through a hunter's license and registration card for the car. Coble's operator's license was revoked six months ago, when he was convicted of the larceny of an automobile near State College.

Coroner W. R. Heaton and a State Highway patrolman made an investigation, and after obtaining testimony from the bus driver and passengers, exonerated the bus driver from any guilt in the loss of Coble's life.

The unfortunate man was a son of Calvin Coble, and is survived by a wife, whose maiden name was Miss Luse, a daughter of Lloyd Luse, of Millheim. There also survive him several children. The mother and children are living with the former's parents.

The deceased is survived by both his parents, Calvin and Hettie (Harshbarger) Coble; also by a brother, John, near State College, and a sister, Miss Bessie, at home.

Funeral services were held and interment made at Boalsburg.

Threatens Life; Jailed in Default of Bail.

Caroline Baumgardner, wife of John Baumgardner, was sent to the county jail in default of bail, for threatening the life of Mrs. Owen Long, daughter of Harry Skyles. The Baumgardners live on the H. W. Potter farm, west of here, and Mrs. Long lives with her father nearby. The woman had been acting in a manner that led those who

knew her to believe she is irresponsible for her acts.

Constable W. B. Hannah brought her before Justice C. W. Slack, on a charge preferred by Mrs. Long, on Thursday morning. While in the justice's office she in a manner repeated her threat. She is aged fifty years and the mother of several children.

THREE PERSONS INJURED IN AUTO WRECK

Three persons were injured Saturday near Flemington, when an auto operated by Clarence I. Lucas, of Salona, R. D., traveling east toward Flemington, collided with an auto driven by Mervin Ziegler, Flemington, who was traveling west from Lock Haven. Lucas attempted to cross a one-way bridge when Ziegler, coming toward him, applied his brakes and his car hit the bridge and the Lucas car.

Mrs. Lucas, who was traveling with her husband, suffered out about the head and a scalp wound which required three stitches to close.

Mrs. Ziegler suffered lacerations of the legs and body, a wound in her leg that required eight stitches to close. Mr. Ziegler suffered a broken nose, and lacerations of the lips and hands. They were treated at the dispensary of the Lock Haven hospital.

GREGG TOWNSHIP PARENTS VISIT THE SCHOOLS

All the parents of Gregg township school children were invited by teachers and pupils to visit the school that their child attends in the township. A written invitation was extended to all parents asking them to visit during last week, "American Education Week" and to come if possible on either November 11 or 12 of that week. No special program was arranged for those days, it being desired that parents have an opportunity to see the school and their children on their regular daily program. Comments from many of the parents who visited were to the effect that a great many of them had never visited school before at a time when regular classes were being conducted, and it was with interest that parents watched the procedure of teacher and pupil in the class room. Encouragement was given to teachers and pupils by the presence of the parents who found it possible to accept the invitation to visit the schools. It is hoped that all parents and others interested may feel free to visit the schools of the township at any time. Teachers will welcome the opportunity to discuss with parents the work of their children, and the child will feel greatly encouraged by the parent's interest in their progress. A complete list of the names of parents visiting the various schools is not available at this time. Centre Hall Retains Lead in Soccer League.

Centre Hall assured itself of at least a tie for first place in the Western Division of the Soccer League by defeating Port Matilda 5-0, last Friday. The game was played without the services of four regulars, who were ineligible due to scholastic standing. The defense was airtight as usual and the locals' goal was never seriously threatened. The offense could not open up properly until the second half when all the scores were made. Capt. Gentzel, Leroy Horner, Reuben Rickert, John Spyer and Dean Ripka each scored a goal during this half. The work of Chester Wagner was outstanding, both on the offense and defense throughout the whole game.

Centre Hall will endeavor to clinch the championship this Friday when they go to Boalsburg for the final game of the schedule. To win the championship they must win or at least tie the strong up-valley boys, as Boalsburg is only one game behind the locals. The boys are preparing for this "acid test" by training faithfully and practicing hard. Let's follow them and see them win the championship from their old rivals. The game will be called at 8:30 sharp.

LOG CABIN BURNED AT FAUST INN, SEVEN MTS.

The log cabin back of the Foust Inn, Seven Mountains, built a few years ago by Rufus Rearick, was totally destroyed by fire early Friday morning, the fire threatening the Foust Inn proper and spread over a section of the surrounding forest. Mr. Rearick was awakened at about four o'clock to find the cabin a mass of flames, the fire having gained such headway that there was no possibility of saving the structure. The telephone was brought into service, and after repeated efforts Forest Ranger Richard Brooks, in Centre Hall, and W. F. McKinney, at the State House, Seven Mountains, were aroused, who drummed up men listed for forest fire work, and went to the scene in time to prevent the destruction of the Foust Inn. The fire had spread over the forest surrounding the cabin, but was confined to an area of about three-fourths of an acre. The flames were extinguished a short time prior to the beginning of a fall of rain.

The log cabin was a neat structure and was one of a number of improvements on the plot owned by Mr. Rearick. The cause of the fire is undetermined.
