

LOCAL AND PERSONAL

For a short time on Monday between 12:00 and 12:30 P. M. a fierce snow storm raged.

The Methodist Christmas program will be presented on Wednesday, December 23, in the Centre Hall church.

The senior class of the local High school will hold a bake sale on Saturday, 14th inst. in the High school building.

Mrs. F. P. Geary, who has been ill for some time, has recovered to such an extent that she is able to go out shopping.

Mr. and Mrs. W. F. Bradford are on a visit to Mr. and Mrs. H. E. Shadle, at Beech Hill, West Va. The first week of Mr. Bradford's vacation was spent hunting for deer in Seven Mountains.

Mr. and Mrs. Robert Mullen, of Pittsburgh, came to Centre Hall on Tuesday and are stopping with Miss Laura Runkle at the hotel. Both Mr. and Mrs. Mullen will spend a few days hunting for deer in this section.

Albert Bradford and Robert Smith, of Willard, Ohio, spent the past week hunting in the Alleghenies, stopping with relatives in Centre Hall. Bruce Meeker, of Johnstown, also spent the week hunting in the Alleghenies.

Mr. and Mrs. Lawrence Meeker and Mrs. Harry Hippie spent Sunday with relatives and friends in Centre Hall. On their return trip to Baltimore they will take with them their mother, Mrs. Clara Meeker, who will spend the winter months with them.

A minstrel organization of the Men's Bible class in the M. E. church, Lewistown, will render one of their popular programs in Grange Arcadia, Friday evening, December 11th, under the auspices of Progress Grange. The program will require two hours to render.

Mr. Michel, of Lewistown, contractor and builder, engaged largely in work at State College, accompanied by his sons Francis and George, were guests of the W. F. Colyer family, on Sunday. Russell Colyer, son of W. F. Colyer, has been employed by Mr. Michel for several years.

Mr. and Mrs. M. I. Shively, Mr. and Mrs. J. W. Throssel and family, of Millburg, and Mrs. J. W. Throssel, of Millheim, visited Mr. and Mrs. C. G. Weaver, Centre Hall R. D., recently. A family gathering was held at that time. Twenty-eight guests were served.

M. T. Snyder, brother of Rev. S. A. Snyder, of Lewistown, died at his home in Glen Rock, York county. He will be recalled here by many as a member of the Snyder male quartette, which musical organization sang here during the time Rev. Snyder was pastor of the Evangelical church here.

Third and fourth class mail has been on the increase during the past three or four weeks. The incoming mail locally is well up in bulk to that of other years. Possibly the money value of the articles is less, but the number of packages and the bulk have not lessened, depression or no depression.

Mr. Harple, Jack Seabold and brother, Paul Seabold, and George Potter comprised a hunting party from Phoenixville who stopped with Mr. Potter's sister, Mrs. John Rudy, and family, and hunted from there. They killed two deer. Harold Potter, who also made the Rudy home his headquarters had the good luck to bring down a 115-lb. doe.

A woman at the State House, in Greens Valley, is mourning the loss of an Angora cat, said to have been an unusually intelligent feline. Pussy was close to the house when two youthful hunters from here strode along over private property, drew a bead on her—and bang! Kitten was no more. There was but one redeeming feature connected with the incident—acknowledgment of the wrong was made by the youth whose marksmanship was too true on that shot.

KIWANIS MEETS.

The regular meeting of the Bellefonte Kiwanis Club was held at the Penn Belle hotel Tuesday noon. After the formal opening by the president, Rev. Robert Thena, J. K. Johnston, Esq., spoke on its beginnings, development, organization, principles and achievements. The address was directed in a general way to the body, but particularly to the new and prospective members present. Among other things the speaker brought to the attention of his hearers was that Kiwanis is based upon the principle of service; develops friendship and encourages leadership; it is more than an organization, it is a moving spirit.

Kiwanis is a coined word, made up from the word "Kee-wania," an Indian name found in an Indian vocabulary to mean, "To make one's self known." "To impress one's self," so since its official birth, January 21, 1915, the organization name has been Kiwanis.

The objects of Kiwanis were briefly given as—

"To give primacy to the human and spiritual rather than to the material values of life;

"To encourage the daily living of the Golden Rule in all human relationships;

"To promote the adoption and the application of higher social, business and professional standards;

"To develop, by precept and example, a more intelligent, aggressive and serviceable citizenship;

"To provide a practical means to form enduring friendships, to render altruistic service, and to build better communities;

"To cooperate in increasing and maintaining that sound public opinion and high idealism which made possible the increase of righteousness, justice, patriotism and good will."

The speaker for next Tuesday's meeting is Franklin Keen, representative of Section 2, Kiwanis International.

SIX HUNTERS FINED \$600.

A group of six hunters, with Floyd Horner, of Greens Valley, captain, were fined \$600 for having seven deer to their credit. Some of the hunters were from McKeesport, and others from Pleasant and Bellefonte. Other groups of hunters had joined the Horner group, but they claimed the kill was less than six while they were active, which fact made the joining of forces possible without violating the game laws. All told about twenty hunters were called on to make explanations.

BULLET PASSES THROUGH DEER'S BODY; HITS BOY

Russel Rubie, 17-year-old son of Mr. and Mrs. Lawrence Rubie, the former superintendent of Millifin county schools, is in the Lewistown hospital with a bullet wound in his left thigh. He was shot Saturday by a companion, Clyde, Dumire, of McVeytown, as the two hunted deer on the farm of Forrest Valentine. The bullet passed through the body of a deer before it struck the Rubie boy. The hip bone was badly shattered.

Hunter Suffers As His Gun Explodes.

The first accident in the vicinity of Phillipsburg happened early in the big game season when John Doman, Spike Island resident, accidentally discharged his own gun, and sent a pumpkin ball hurtling through one of his arms, breaking both bones and badly crushing the members. As he was attempting to put on a glove when only a short distance from home, Mr. Doman's rifle slipped, and was discharged.

Mt. Vernon Rod and Gun Club, located at Frederick's Gap. Fourteen-mile Narrows, killed three does and three bucks. B. Gardner Grove and son, Guyer Grove, from here, were in the party. The former killed a nine-point weighing 167 pounds and Guyer Grove, a doe. Russel Grove, of Pittsburgh, also got a doe.

Merchant C. F. Emery killed the last of the heavy hogs fed by him, the individual weights in pounds being as follows: 427, 410, 452, 359, 350, 399, 392 and 439.

Can you think of a more practical Christmas gift than a piece of furniture for the home? If the individual budget has dwindled, why not pool the family resources and give something that can be enjoyed by all—a chair, a side or serving table, a mirror, clock or lamp. See F. V. Goodhart.

TWO MORE WEEKS...
