Birthday Surprise Party.

To successfully surprise his "better At the monthly meeting of the Board half" on her birthday anniversary is no mean accomplishment on the part of mere man. Charles T. Crust, east of town, however, turned the trick last Thursday evening. Inviting several score neighbors and friends, Mr. Crust had them gather in the farm lane and await in their autos orders from him to storm the house. At the right time M. Smith, auct. the army of well-wishers entered the home, to find Mrs, Crust still busily engaged with her household outles. which fact was evidence enough to the visitors that their coming was a genuine surprise. Needless to say, the

> which Mr. and Mrs. A. H. Klinger of Mrs. Crust received from her husband as an anniversary gift, an electric washing machine and an electric dron, and from her friends numerous 39 articles of usefulness.

What's New in the New Chevrolet Six

When you read what's new in the finest Fisher bodies Chevrolet has ever intronew Chevrolet Six, you, too, will duced. And the same qualities of reliability and agree it's the Great American Value for 1932: economy that have won the approval of millions Syncro-Mesh and Free Wheeling combined for of Chevrolet owners. All these you will find in the first time in a low-priced car! Engine and the new Chevrolet Six at one of the lowest prices chassis improvements that raise performance to in the market! That's why the new Chevrolet Six new heights of power, speed and smoothness! The is called the Great American Value for 1932.

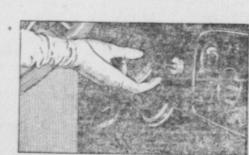

Syncro-Mesh Transmission This well-known feature of high-priced cars

brings new handling ease and car control to the low-price field. Syncro-Mesh permits you to shift gears with marvelous quickness, quietness and ease. As a safety factor, it is especially valuable. For it enables you to shift rapidly from high back into second, any time you want to use the engine as a brake.

A Smoother, Improved Six-Cylinder Engine

New thrills await you in the Chevrolet Sixnew power, pick-up, smoothness and speed. For Chevrolet's valve-in-head engine now has down-draft carburetion, a new cylinder head, new manifolding, a counter-balanced crankshaft and rubber mounting, features that increase power 20 per cent to 60 horsepower.

Simplified Free Wheeling

Chevrolet Free Wheeling is a new and advanced type, extremely simple in construction. You may take advantage of its thrills by simply pressing a button on the dash. Until you pull the button out again, you are "in" Free Wheeling. You coast along on momentum, when your foot is off the accelerator. And you shift with magical ease.

65 to 70 Miles an Hour and Faster Acceleration New features in Chevrolet's sixeylinder engine enable it to develop 65 to 70 miles an hour and give it a stop-watch acceleration from 0 to 35 miles in 6.7 seconds.

Down-Draft Carburetion

The down-draft carburetor is a

big factor in Chevrolet's finer

performance. An intake silencer

and heat control device are com-

bined with it for greater quiet-

ness and efficiency at all speeds.

Distinctive New Front-End Appearance A new chromium-plated radiator, built-in radiator grille, double tie-bar, trumpet-type horn,

a striking front-end ensemble.

Finger-Touch Front Seat

An interesting convenience iz, the

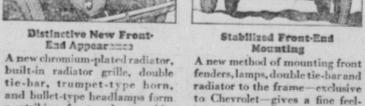

Fisher Bodies is the new adjust-

able front seat. A touch on a

lever enables you to move the

seat to any position. This is exclusive to Chevrolet in its field.

Smart New Fisher Bodies The new Fisher bodies are the smartest ever to appear in the low-price field. Their famous wood-and-steel construction is to Chevrolet-gives a fine feeleven stronger and quieter. All ing of steadiness on rough roads. occupants enjoy greater vision.

And the following Chevrolet features that have won the approval of millions of owners: Powerful Four-Wheel Brakes . . . Hydraulic Shock Absorbers . . . Semi-Elliptic Springs . . . Full Length Frame . . . Insulated Driver's Compartment
