Decker Chevrolet Company

Used Car Department

At the corner of Spring and High Streets in Bellefonte offers bargains in high grade used cars, their lines including many very late models. Have a car to suit the price limitations of every purchaser and willingly give demonstrations. Also have attractive purchase plans through which it is possible to purchase a car and pay for it as you enjoy it. Truly a most admirable firm, under the management of a prominent and well known business man. This is one of the liveliest automobile firms in this part of the country, and is prepared to take care of the demands of every class of purchaser with cars which prove the superiority of the high-grade used car, over the so-called second hand automobile. These cars will give many thousands of miles of service and in many cases will out live and out last many of the new cars which are selling at a similar price.

You do not need to have all cash, as this firm is ready to take care of the account and you can be using the car while you are making payments. This is a great accommodation to the public and the excellent policy has met with great favor. If you want an auto, go over and get a demonstration. This establishment has become known far and wide as a leading one dealing in used automobiles. They have very many satisfied customers in all surrounding country who have learned real motor car economy through their service. They are pleased to give you any or all information about the cars they offer and they are men who know what they are talking about and men upon whose word you can depend.

A feature of this establishment that makes this a safe place to buy a used car is the fact that every car has been put in first class shape and you can rest assured that it will be in the very best of condition.

"What's the trouble?" asked the lawyer.

"Dat nigger's done gone and got religion and we ain't see chicken on de table foh two months."

Woolrich Woolen Mills

A well-arranged concern at Woolrich, Pa., are manufacturers of high grade 100 per cent all-wool hunting clothes. 101 Years of successful merchandising in this section of the country.

This is one of the most flourishing industries and is fully worthy of more than passing notice at our hands, for not only is it one of the leading concerns engaged in its special field of endeavor in the country, but its products have gained a wide reputation for general excellence and are considered as standard products among the trade in this territory.

It may be of interest to know that the idea of this enterprise originated in the resourceful minds of energetic

business men. With a restless ambition, a broad vision of the future of the industry in the country, they turned their creative minds to the production of perfect products.

Today this is one of the most substantial concerns engaged in this manufacturing in the country and its phenomenal growth is the result of hard work on the part of the manager.

Expansion plans gave this company one of the most modern plants in the country. It is one of our busiest beehives of industry. It is a model establishment of its kind and is an ideal place to work.

We could write many columns and then not tell you all the good that this modern industrial concern has

done for Centre Hall, Pa. It has become so much a part of the everyday life of the people of the community that many have come to regard it as a "matter of course". It is well to pause occasionally and consider what Woolrich Wollen Mills means to us. To remove it from the local vocabulary would be exceedingly disastrous. To maintain it means the continuous encouragement of all in the community, the assured expansion of Centre Hall, and vicinity and the onward progress. We cannot fail to compliment the Woolrich Wollen Mills Company, upon the manner in which it conducts its industry and to say it has been a decided factor in the industrial life of the community.
