Lloyd White received insurance to the amount of \$1000 from the Farmers Mutual Fire Insurance Company of Centre County. F. M. Fisher, secretary of the company, adjusted the loss. The residence proper was slightly damaged, insurance on which is held in the Sugar Valley company.

Through misinformation the Reporter stated that Lloyd W. Stover had lost his position as a banker through the merging of banks in one of which he was employed. In Phoenixville, The Phoenixville National bank and the Farmers and Mechanics bank, in that city, were merged, but Mr. Stover was retained as trust officer and assistant cashier of the merged banks. It affords a pleasure to make this correction.

Misses Louise Matthews and Pauline Davis, girl in the Laurel (Delaware) High school, are candidates for Princess Delaware in the Shenandoah Valley Apple Blossom Festival, at Winchester, Virginia. This supports the claim made by Harold H. Keller, of Centre Hall, teacher of history in the school named, as to the good looks of a number of his pupils. The Reporter hopes his judgment of what is pretty will carry through.
