LEAGUE LEADERS, 6-5 Centre Hall took its second game of the season from Howard last Saturday, on the latter's grounds, in a game that was interrupted by rain. This was the second defeat for Howard, and both were administered by the local boys, Paul Martz was on the mound for the locals, and had the league leaders runs in the seventh, after the rain and it was due mostly to the wet grounds and wet ball. On the offensive "Wip" Stover, Goodhart and R. Martz led the Stover also stood out on the defense by contributing sparkling plays. The ocal team really looked and played like Howard in every department of the

HIGH SCHOOL ALUMNI ADMIT CLASS OF '82 TO ASSOCIATION

The class of 1932, which was grad uated from Centre Hall High school on May 27, was royally entertained by the Alumni Association on Monday evening at the High school building.

Eugene W. Burkholder, chairman of the reception committee, opened the meeting by making a speech welcoming the class of '32. This was followed .545 by a song, "Moonlight on the River .455 Colorado," played and sung by two .500 young men from Milroy-Gerald Alexander and Morris Brookshire. They played mandolin and guitar, and were considered excullent.

Paul Fetteroif, president of the association, presented the members of the class of '32 with alumni membership cards.

Mrs. William Bradford and Miss reject any or all bids. Agnes Geary, both former presidents of the association, made speeches welcoming the class of '32.

One of the high spots of the evening was the singing of "Moonlight and Roses" by Sarah Odenkirk and Reuber Rickert. Prof. Wetzel, principal of the school,

in an address praised the graduating class for having a 100 per cent attendance at the reception. The assemblage was then entertained

PROF. MALIN SPEAKS ON

METALLURGY TO KIWANIANS Members of the Kiwanis Club went B. Malin of Bellefonte at the meeting Tuesday noon in the Penn Belle-hotel. They gained not only a large fund of information but also a larger appreciation of the part Centre county and Bellefonte play in the metal trade. Best of Comedy and Cartoon. One of the most important industries of Bellefonte is the Titan Metal company, engaced in the manufacture of articles of brass by the forging and die-

Metallurgy, Prof. Malin stated, is a very ancient science, going back to pre-historic days. It has to do with the extraction of metals from ores, and the fashioning of them into forms for use in the industrial arts. The spread of civilization has gone hand in hand with the enlargement of this science. The speaker explained in a clear and THURS., FRI. & SATURDAY interesting way the processes through which ore goes until it is in the proper shape for use in Industry. He also answered a question asked by many Centre countians as to why the ore banks are no longer operated and why the charcoal furnaces have fallen into ruin or have disappeared. The local ores were too low in grade to compete with the Lake ore, and because of the Big Double Feature Programnecessity of boosting them with Lake at regular prices. ore, and of likewise shipping in the coke, the cost of preparing the iron With Jamison pitching a clever game, became too great to compete with such
