

LOCAL AND PERSONAL

Mrs. E. M. Morrow, of Germantown, is the guest of her son, Dr. Hugh Morrow, and family, in town.

Dayton Lansberry, on the Spicher farm west of town, is advertising for sale home-grown strawberries.

Walter Leighly, who had been living at Spring Mills for a while, moved back to Milroy where he formerly lived.

The annual picnic of the local Reformed church will be held at Brownie's Place in Seven Mountains, Saturday, June 25.

Mrs. J. G. Kim and baby daughter, Marilyn, of Kingston, are guests at present of Mr. and Mrs. George Vogt, in town. The ladies are sisters.

Messrs. C. C. Bariges and Paul Swabb, representing the good citizenry of Gregg township, were pleasant callers at this office on Tuesday.

A Children's Day service will be rendered in the local Evangelical church, Sunday evening, 7:30 o'clock. The title of the cantata is "The Awakening."

A daughter was born to Mr. and Mrs. Daniel Bloom on Saturday. Although she has not been named, if her little brother Charles has his way, his "sis" will be known through life as Jean.

The Pleasant Gap W. C. T. U. invited the Centre Hall Union to meet with them at a meeting to be held in the Methodist church, Pleasant Gap, on Tuesday evening, 7:30 o'clock.

Dr. and Mrs. B. N. Ebricht and three children, of Millintown, were guests on Sunday of the doctor's brother, H. L. Ebricht, and family. They traveled in a new model Ford sedan and had plenty of praise for its performance.

The local Reformed church will present their Children's Day service on Sunday evening, June 19, at 7:30. The service will be in the form of a pageant, "Under the Open Sky," by Mrs. J. L. Claw.

Mr. and Mrs. William Bradford, Mr. and Mrs. Nelson Dilks, of Phoenixville; Mr. and Mrs. Daniel Bradford and Mr. and Mrs. Albert Bradford, of Willard, Ohio, spent a day among relatives and friends in Centre Hall.

There were heavy rains in the vicinity of Potters Mills and also in lower Penna Valley, Sunday afternoon. Brush Valley was visited with a bountiful rain fall Saturday afternoon. In this section, on both days, the rainfall was moderate.

Mr. and Mrs. V. A. Auman and R. S. Jamison attended the funeral of Mrs. George Dent, a niece of Mrs. Auman and cousin of Mr. Jamison, at Martinsburg, on Sunday. The young woman, aged 28 years, died suddenly of a heart attack while in the act of cleaning the bedroom in her home.

Mr. and Mrs. G. W. Ralston, of near town, the latter part of last week, took Mrs. Hugh Ralston, of Millintown, to Jersey City, N. J., where she expects to undergo a gouter operation. While in New Jersey Mr. and Mrs. Ralston were guests of Mr. and Mrs. A. S. Fleck, the latter and Mrs. Hugh Ralston being sisters, and daughters of W. S. Brooks, of town.

The front of the residence of J. S. Booser was repainted, as was also the front of the Booser garage, resulting in greatly improving the appearance. The work on both buildings was done by spraying this paint. For the dwelling house a hand spray outfit was attached to the free-air service hose, and at the garage Durs's power spray pump was used.

Mr. and Mrs. Ernest Frank are both suffering from attacks of quinsy, extending over a period of about two weeks. Mrs. Frank was able to be up since Sunday, but the head of the house had one of his worst days on Sunday, and Monday little improvement. Monday night "it broke," and since he has been much relieved with prospects of speedy recovery.

Mr. and Mrs. Winsom C. Gramley, of Millheim; Mrs. Annie Smith and Mr. and Mrs. Guy L. Cornas, of Spring Mills, attended the funeral of Mrs. Smith's sister-in-law, Mrs. M. Luther Smith, in Johnstown, on last Thursday. Notice of the death appears elsewhere in this issue of the Reporter.

The Mifflin county T. B. test for cattle has been postponed from June 6 to sometime in October, according to members of the committee. The test has been cancelled due to insufficient funds in the county. The county was supposed to pay for the ear tags and the disinfectant for the farmers' barns, and the State to pay the other expenses.

Following the rehearsal for the home talent play, in the Grange Park auditorium, last Wednesday night, the ladies of the organization served a lay-out of "eats," from pickles up the line to ice cream and cake. While the company are mere amateurs in histrionics, no such rating is theirs when it comes to packing away the victuals. And we believe C. B. R. takes first place. Why shouldn't he? Look at his size!

CHEVROLET CAR SALES.
The Miller Motor Company recently sold the following Chevrolet cars:
Dr. George C. Thomas, Spring Mills, sedan; Mrs. A. M. Bailey, Bellefonte, sedan; Millard Solt, Bellefonte, sport coupe; Carl Wharton, Mt. Union, coach.

STUDENT ATHLETIC ABILITY RECOGNIZED IN AWARDS

A part of the commencement exercises rendered by the Class of 1932 of the local High school during the class night program was devoted to recognition of student athletic ability. It is not possible to go to school and do nothing but study books. One's physical body should be developed the same as the mind. Athletics provide this development and produces an outlet for the insistent energy of youth. Athletics played at the Centre Hall High school consist of baseball, tennis for both girls and boys, soccer, volley ball and dodge ball.

As a means of recognizing exceptional athletic ability, the Athletic Council decided to permanently establish an award, honoring the outstanding boy and girl athlete for each school year. Only seniors are eligible. The selection is made by a committee of three faculty members, two of the committee being the principal and the director of athletics. Not only athletic ability is considered but scholastic standing, sportsmanship, and citizenship are also taken into account. Benny Gentzel and Adaline Dingsa were chosen the outstanding athletes for 1932.

Benny is a fine young man. He plays a good game of baseball, catching being his favored position, but displays more of his athletic ability on the soccer field. As captain of the soccer team for 1931, he led his team through a very successful season, winning the division championship and lacking only one goal of winning the district championship. Benny is a fine sport, taking defeat as one should, and does not "crow" when the team is victorious.

Adaline was captain of the girls' baseball team for two seasons, 1931 and 1932. Dodge ball is another game in which Adaline excelled, and was captain of the team for the 1931 season. As to her sportsmanship the same can be said of her as was said of the outstanding boy athlete.

The captains of the baseball and soccer teams were presented with emblems representing the two games. Reuben Rickert '34, a gold baseball; Benny Gentzel, the soccer captain, a sterling silver soccer ball.

R. S. Jamison, director of athletics, and teacher of social studies in the High school, presented the awards in behalf of the Athletic Association.

Eugene W. Burkholder, an alumnus of the High school, has established a permanent tennis award. Eugene was much interested in tennis while in school and offers the award with the hope of inducing the student body to display a greater interest in the game. The award consists of an appropriate silver medal for the boy and girl winning in their respective tournaments.

The award for 1932 was won by Franklin Moyer and Hazel Smith, both members of the class of 1933. The award was first offered last year. The recipients were Helen Odenkirk '31 and Hugh Morrow '33. The presentation was made by the donor.

The class of 1927 desiring immediately after their commencement to be of service to their alma mater, offered the Athletic Association to sponsor a letter award. A letter is given each athlete who attained certain standards in one or several sports. The letter awarded is a "C," emblematic of C. H. H. S. To be eligible for the award the student must attain certain standards which apply to both boys and girls. The letter may be worn only by those who qualify under the regulations.

On behalf of the Class of 1927, Eugene W. Burkholder presented the letter awards. The athletes receiving the award for the first time were: William Dashem, William Spyster, and Chester Wagner of the Class of 1932; Burton Snyder, Laura Bell McCormick, Lorraine Brungart, Betty Ebricht, Isabel Jodon and Isabel Bradford, of the Class of 1933.

The Class of '34 had three members receiving letters—Irene Smith, Marian Shirk and Violet Smith. Vinton McClellan, a "good egg" in all sports, was the only member of '35 to receive a letter.

Certificates were received by Lynn Breon, Philip McClellan, Ben. Gentzel, Dean Ripka and George Lehr, '32; from the Class of '33, Muth Bailey, Russell Walker, John Spyster, Bruce

LOCAL AND PERSONAL

Miss Anna Glenn, of Rochester, N. Y., is spending the week with her uncle and aunt, Mr. and Mrs. Jacob Sharer, in town.

Miss Pearl Arney, on Wednesday, went by train to Harrisburg where on Friday she will attend the funeral of Dr. George H. Widder.

Wallace White was brought back from the Geisinger hospital to his home at Axemann, a few days ago. His condition is reported not improved.

Logan Grange of Pleasant Gap will hold a festival on Saturday evening, June 11, in Noll's grove. Music will be furnished by the Little German Band.

A \$6000 fire occurred at plant No. 1 of the Chemical Lime company, Bellefonte, Friday afternoon. Two dinky engines and the engine house were destroyed.

Rev. and Mrs. L. Logsdon and Miss Fulton, of DuBois, were guests of Mr. and Mrs. Fred Bender during last week. Rev. Logsdon is pastor of a Reformed church in DuBois.

Mr. and Mrs. F. M. Fisher are in Wilkensburg this week. They will attend commencement exercises at the University of Pittsburgh from which institution their daughter, Mrs. R. E. Corman, will graduate.

Guests at the Spring Mills Methodist parsonage for a few days included Mrs. W. M. Pruynt and daughter, Alice, of Sidney, N. Y.; Attorney Dennis J. Kilkeny, wife and son, Dennis, Jr., of Oneonta, N. Y.

Fred and John Slack, much interested in Holstein cattle, a few days ago attended a public sale of that breed of cattle at Middletown. The stock was brought in from Canada. The leading cow sold for \$500.

Frances Swartz, daughter of William B. Swartz, of State College, who underwent an appendix operation at the Bellefonte hospital recently, is improving very nicely and expects to be back to her home by the latter part of this week.

Samuel Gingerich, his sister, Mrs. Catharine Sommers, Mrs. Edward Ritter, J. H. Nishel and William Grossman, on Wednesday attended the funeral of Mrs. Mary Gingerich, wife of Grant Gingerich, a brother of Mr. Gingerich and Mrs. Sommers, at Clearfield.

C. H. H. S. "GRADS" TO BECOME NURSES

Three of the girls who graduated from the Centre Hall High school, class of '32, are planning to enter training in schools for nursing in these institutions: Margaret McClellan, Phillipsburg State Hospital; Marian Smith, Jefferson Hospital, Philadelphia; and Alice Burkholder, Methodist Episcopal Hospital, Philadelphia. The latter has already been accepted and will enter upon training September 19th.

Hartley; from the Class of '34 Reuben Rickert and Kenneth Snyder. These had all received the letter "C" previously. M.I.J. 626

BOALSBURG ROAD TO BE IMPROVED

Surplus in Funds for Original Projects Permits Addition to Program.

Information coming from the State Highway Department within the past week gave assurance of the building of the section of State highway between Boalsburg and State College, which had been put on the deferred list. The plan about to be put into operation calling for the improvement of the "old road" has been abandoned.

Low bids on projects for which contracts have already been let, will enable the Highway Department to add fifteen projects, a total of 78.79 miles, to the State's 300-mile Federal-aid road program, included in which will be the 4.24 mile section not heretofore provided for.

The unimproved section of the road, beginning at the end if the concrete built two years ago near Tusseyville, to Boalsburg, has already been scheduled as was noted previously in these columns. When these two projects are completed a concrete ribbon pavement will have been laid from Potters Mills to the intersection of the Buffalo Run road near Waddle, six miles west of State College, all Federal-aid road.

Secretary Samuel S. Lewis said favorable prices on projects contracted for have left a balance of about \$1,000,000 of Federal funds which will be matched by the State in extending this phase of its current road-building program.

Pennsylvania received approximately \$5,000,000 from the National Government for highway construction during the current year. In planning the use of this money, the State set aside more than \$15,500,000. The program outlined by the State Highway Department in March contemplated construction of fifty-eight sections of Federal-aid road with a total mileage of from 300 to 340.

Contractors' bids submitted at recent lettings have indicated a downward trend in prices which, with rigid economy in the design of new roads, Secretary Lewis stated, will make possible the expansion of the original program.

COMMISSIONERS ORDER ALL COSTS ITEMIZED

Constables, Justices and Coroner Directed to Cut Expenses—Will Result in Saving to Taxpayers.

In a letter addressed to Centre county justices of the peace, constables and the coroner, the County Commissioners this week advise those officials that in the future no costs will be allowed by the county unless an itemized bill is presented and approved by the Commissioners' solicitor. The act is one of the most decisive yet taken by the Commissioners in their effort to reduce the burden upon the county taxpayers.

Justices of the peace are further cautioned in view of the condition of the county's finances, against entering any prosecutions not reasonably found in merit. The letter states that a vast portion of costs paid appear to be incurred in cases where defendants have been discharged before justices of the peace, and the costs placed on the county.

Heretofore county officers have been sending "blanket" bills to the Commissioners, merely stating what the various items were charged against. Now exact statements must be included so that there is no possibility of funds being paid out where no payment is justified.

The coroner's office will be directed to eliminate all but the bare necessities in conducting its duties.

This move by the County Commissioners will result in a large saving to Centre county, and to that body goes credit for relieving the county treasury of a steady and heavy drain.

"Chevrolets" Beat "Nittany Lions."

The baseball game between lines originating in the Plumgrove school district, known as Nittany Lions, and the Chevrolets, whose home base is in Centre Hall, gave spectators a real thrill on Saturday afternoon on the High school ball diamond. It was a scrappy game the shaggy lions put up, and they declare had not Jupiter Pluvius visited this section when he did, the score of 12 to 13 would have been reversed.

Lost 20 Lbs. of Fat In Just 4 Weeks

Mrs. Mae West of St. Louis, Mo., writes: "I'm only 28 yrs. old and weighed 170 lbs. until taking one box of your Kruschen Salts just 4 weeks ago. I now weigh 150 lbs. I also have more energy and furthermore I've never had a hungry moment."

Fat folks should take one half teaspoonful of Kruschen Salts in a glass of hot water in the morning before breakfast—it's the SAFE, harmless way to reduce as tens of thousands of men and women know. For your health's sake ask for and get Kruschen at any drugstore—the cost for a bottle that lasts 4 weeks is but a trifle and if after the first bottle you are not joyfully satisfied with results—money back.
