Neither Holmes nor Les Shaffer are now on such good terms with the governor. They never did believe in him, but always voted with him. One was rubber, the other putty—little or no difference.

In this issue of the Reporter appears a contribution from "Fan" that will bear careful reading and heeding. While it can be said quite truthfully that our own home rooters are no worse than those in other localities where league games are played, no criticism can be offered in foreign fields until we are able and willing to take the lead for clean rooting at home. Much of this objectionable conduct is the result of thoughtlessness on the part of individuals, but that lessens the evil only slightly, if at all. While such a view is a most generous one, it is preferred to calling this class of rooters by their right names. And now that attention has been directed to a proper attitude on the part of spectators on such occasions, may we not look for the entire omission of personal remarks, and, also, coarse and vulgar expressions, none of which meet the approval of a real baseball fan.

If It's Yours, Go Get It.

A jand turtle, the size of two spread hands, carrying the initials "W. B. 1926" engraved on its shell, was found a few days ago wandering about the Kerlin poultry plant. Its fascinating smiles captivated its captors. It was taken in and its owner is being awaited, on the usual condition: Prove property, pay for feed consumed, and for this adv.

Looking Back 28 Years.

S. W. Gramley, of Millheim, was one of the many persons who visited the Reporter's window where for several weeks there were on display a number of school pictures taken as far back as forty years. Mr. Gramley was interested in the one which shows him as principal of the Centre Hall High school during the term of 1904-05. His little group of thirteen students is not to be compared with the present High school enrollment of 110.

FORMER P. S. C. TRACK STAR SPEAKS TO KIWANISANS

In view of the fact that the Olympiad for 1932 has been arranged at Los Angeles, the address of John Romig of Philipsburg, before the Kiwanis Club Tuesday noon at the Penn Belle hotel had an especial interest. Mr. Romig is a former Penn State track star and was a member of the United States' team at the Olympic games in Paris in 1924 and at Amsterdam in 1928. The speaker gave an interesting account of the method of training, the various sports in which there is competition, and how the games are conducted.

The modern Olympic Games are a revival of the most splendid national festival of the ancient Greeks, first held at Elis, 1453 B. C., and later celebrated every four years. The games were held at the first full moon of the summer solstice, and heralds went throughout the various states, proclaiming the cessation of all hostilities. The period of the game covered five days, the principal contests taking place on the third day. The victor was crowned with a garland of wild olive-twigs and he was received at home with extraordinary distinction. The modern games are international in scope and the United States has been the winner in the previous Olympiads with the exception of 1928, when the Germans scored highest. Thirty-three different countries contested in 1928, the first year also that women held their competitions in conjunction with the men.

Chairman Sig of the Boy Scout Committee announced that the recent campaign for funds for the work had netted \$469. The Revue Committee reported that the profits of the show held in April were above \$500. This sum will be divided between the work for underprivileged children in Bellefonte and the crippled children work of the Club.

Guests present were: R. S. Jamison, Centre Hall; Earl Barnhart, Streator, Ill.; Wm. H. Zachman, Philadelphia; and Kiwanian W. A. Simler of the North Cambria Club.

The Civil Service Commission announces that applications from persons desiring appointment as postmaster at Snow Shoe must file the same on or before July 1st. An examination will be held later in Bellefonte. The Snow Shoe office pays about \$1,200 a year. W. A. Sickle, the former postmaster, died about a month ago.

Lamar took a good cut at him spasmodically, but with the locals' hitting continuing unabated, the lead was held to the end. Fetterolf, with his Willie Keeler style of hitting, came to the fore with three hits.

MILLHEIM TAKES GAME IN EXTRA INNING; 7-2

When Bruce Knarr dropped a high twisting infield fly ball in the very first inning, with two down, in the game with Millheim, on Saturday, little did anyone think that the one run which resulted from the muff would necessitate an extra inning of play and give Millheim the game by a 5-run lead. But so it did. The score was tied at 2-2 when Millheim finished the ninth. Centre Hall, in their last turn at bat, lost a golden opportunity to win. P. Martz and Stover opened with singles. Then Knarr flied out to first. With two on the sacks, Fetterolf hit into a double play. The fans groaned, and the 10th inning was made necessary.

What an inning! Jamison, for the locals, had pitched beautifully for 8 innings. In those 8 innings never more than four batters stepped to the plate in any one frame. The 9th was not so good, with two bases on balls and a hit, but he came through unscathed. But, let's look at the 10th; Muser got a walk as the first up; Evans hit a single; Miller duplicated, filling the bags; Brown's "fielder's choice" scored Evans. The bases were again loaded. Aumiller hit to Knarr at second. Hurling the ball wide to home, two runs resulted. Brown flied to catcher. Auman, batting for Schnure, drove outa dandy hit, scoring Aumiller. Wagner, who had been weak with stick all day, rapped a near home run to center, scoring Auman with the fifth run of the inning. Wagner was trapped at home on a relay. The locals felt the effects of the sudden turn of events, and went out 1-2-3 in their half of the 10th.

Barring the 10th, the game was a lovely one to witness. Jamison held the Millheimers to four hits in 9 innings, and Centre Hall got six off Evans.

By the way, Dr. Pierce, the Millheim umpire, is "the goods." If the league has a better one, we haven't seen him.

Following is the box score:

Box score table for Millheim vs Centre Hall with columns R, H, O, A, E.

Totals 2 6 30 10 4 *Batted for Goodhart in 10th **Batted for Jamison in 10th.

Centre Hall, 11; Lamar, 8.

Good, old slugging was trumps in the game with Lamar here Thursday evening, and while both teams chalked up eleven hits, the locals did the more damage. For instance in the 3rd inning, with the bases loaded, Emery sent a hard drive to left center that emptied the sacks, while he reposed on third base. With the score before the wallop standing C. H. 5, Lamar 0, the big hit didn't really seem so important, but its true worth was realized ere the game ended, for the Lamar boys cut down the locals' lead and threatened to take home the game.

It was Centre Hall 8, Lamar 0, when the visitors entered the 3rd inning. Durst, for the locals, had twirled two good innings, but the 3rd was destined to be his last. Lamar bats roused with telling effect. Herman firing off a 3-bagger to cap the climax. Six runs resulted. Snyder was called to the box and was an improvement; however, (Continued on 3rd column)
