DEATHS.

ROSSMAN.—Michael F. Rossman, a life-long resident of Potter township, and one of its most honored and substantial citizens, passed out of this life the last day of June, from apoplexy, after an illness of a few days, at the age of 80 years, 3 months and 3 days.

Interment was made at Tusseyville, in the Lutheran-Reformed cemetery, on July 4th, Rev. S. F. Greenhoe, pastor of the Lutheran church, having been the minister in charge.

Grandsons of the deceased carried the body to his last resting place. The deceased was a son of Jonathan and Margaret Fye Rossman and was born on what is known as the Venrick farm, in Seven Mountains, access to which farm is by way of Bond's Gap, near Colyer.

Mr. Rossman frequently visited the scene of his birth and childhood, and did so only a brief time before his death. He was married to Anna Rebecca Wagner, who survives him, in 1877, as do also three of six children born to the union, namely: Bertha R., wife of John B. Wert, Tusseyville; Blanche R., wife of Charles W. Geary, Altoona; and Ruth R., wife of William O. Heckman, Asbury Park, New Jersey.

Also, an older sister, Margaret, widow of Samuel Grove, of Pine Grove Mills. There are living seventeen grandchildren and three great grandchildren.

After engaging with a brother for two years, after his marriage, Mr. and Mrs. Rossman engaged in farming on what was then known as the Jacob Strohm farm, now owned by W. H. Lingie, near Tusseyville. Later they moved to the John Wagner farm, near Tusseyville, the home of Mrs. Wagner.

After the death of Mr. Wagner, the farm was acquired by Mr. Rossman, and here he lived until he retired from active farm life, when he located near Tusseyville, where his death occurred.

Mr. Rossman occupied a prominent place among the members of the Tusseyville Lutheran church and held various offices in it, and was also recognized frequently by the joint council of the Penna Valley Lutheran church and became its representative to higher bodies of the church.

Politically he was a Democrat, and in his younger days was active in the support of its principles and candidates, but never asked favors for himself, the township offices filled by him coming unasked. The Rossman home was always open to a host of friends, and many enjoyed the hospitality of the couple.

Lutheran ministers especially made this home a place of refuge in years when travel was not as speedy as at present.

LIEB.—Dr. Andrew Gregg Lieb passed away Sunday night, about 10:45 o'clock, at his home in Centre Hall. Heart trouble was the cause of death.

Dr. Lieb was born in Bellefonte, September 16th, 1861, hence was in his 71st year. He was the youngest son of John D. and Marjorie Mitchell Lieb, and was the last survivor of that family.

He graduated from Hahnemann Medical College in 1888, and after spending one year as resident physician in Hahnemann Hospital, went to Bethlehem where he was engaged in practice for about twenty years.

From Bethlehem he came to Spring Mills in the fall of 1909, and in the spring of 1913 to Centre Hall. After living here a few years he erected a modern home, where he lived until the time of his death.

He is survived by his wife, who before marriage was Miss Caroline Smith, a resident of Camden, N. J. Funeral services were held from the home Wednesday afternoon, Rev. D. R. Keener, pastor of the deceased, officiating. Burial was made in the local cemetery.

Mrs. Zubler was aged 74 years 11 months and 12 days. She was the daughter of Michael and Susanna Mary Ziegler. The first wife was Miss Meamer, and the two surviving children—John of Bellefonte, and Charles, of Montana, are of this union. The second wife was Mary Greeninger, and the third, who survives the deceased, was Ida Zettle. Mr. Long for the most of his life engaged as a day laborer.

She was married to Samuel B. Youtz in the year 1858, and they began their new home in the house Mr. Youtz then owned. The ground is now occupied by the Lutheran church in Centre Hall.

The past thirty years of her life were spent in Lewistown at the home of her daughter. While she had been ailing for about two years, her condition did not become serious until three weeks ago.

The "Current Poetry" page of the Literary Digest, July 9, offers to lovers of this type of literature "The Merrow," by Harvey W. Flink, Centre Hall poet. The poem is reprinted from the June issue of "Kaleidograph," Dallas, Texas. On this page only the choicest current poems are printed, which indicates that our local poet is being recognized in a manner gratifying to him.

Small fruit vendors selling in town have evidently not heard the word hanging on nearly every one's lips. This is surmised because of the prices asked for fruit—cherries, common red, 10 cents; huckleberries, 15 to 20 cents; raspberries, 10 cents. Strawberries sold at nearer present condition prices, 10 to 15 cents.

LEGISLATURE READY TO ACT ON RELIEF PLAN

After much delay, the Legislature is about ready to take action in special session for unemployment relief and budget balancing. Two plans are before the body, one, favored by the Governor, provides for bond issues and additional taxes, the other plan known as the Talbot-Turner program, does its balancing by reducing salaries and eliminating unnecessary commissions, etc. Both plans are given in brief—

The harmony plan—would raise money (Governor Pinchot estimates \$40,000,000 needed until March) by (A) increasing the taxing and borrowing capacities of municipalities; (B) a bond issue of unspecified amount to reimburse municipalities for relief expenditures; (C) a bond issue of \$25,000,000 if necessary to meet emergency State expenses during the next biennium; (D) an 8 mills franchise tax on foreign corporations; and (E) a five mill gross receipts tax on artificial and natural gas, water and steam heat companies.

The Talbot-Turner program—would raise money by (A) reducing salaries and department expenses by \$10,000,000; (B) eliminating \$7,000,000 previously appropriated for unessential commissions and State subsidies; (C) reducing 1931 non-preferred appropriations by \$4,000,000; (D) eliminating projected construction projects totaling \$6,000,000; and (E) receiving \$23,000,000 in Federal aid under legislation pending in congress.

The harmony plan—would disburse direct relief through municipalities by State repayment of funds raised locally by increased taxation and borrowing; provide "work relief" through highway construction; restore \$6,407,000 abated from 1931 appropriations to permit payment of the 1931 Talbot act relief; and would apply the Governor's direct economies of \$5,350,000 to balance the State budget.

The Talbot-Turner plan—would distribute \$24,000,000 direct relief by the same method used in the 1931 Talbot act to local poor districts; Apply \$12,000,000 toward restoring abated appropriations and balancing the budget; and utilize \$14,000,000 (Federal aid) for highway construction "work relief."

CENTRE COUNTY LEAGUE OFF TO A NEW START

July 4th closed the first half of the Centre County Baseball League season, game B. Tyson struck out; Brum-Howard romped off with the honors, having won 16 games and lost 3, for a percentage of .842 Centre Hall finished in the second division, with a percentage of .429, with only 9 games won and 12 lost.

Going into the second half of the season Centre Hall got away to a bad start by dropping the first game at Rebersburg, on Friday evening of last week, by the score of 5 to 4. Wolf, for Rebersburg, held Centre Hall to three hits, while Rebersburg collected eight off Martz and Durst.

Centre Hall scored all four runs in the first inning when they also got all their hits. Wolf closed up like a clam for the remainder of the game and permitted nary a hit in 8 innings. With the score tied at 4-4 at the close of the 7th inning, which was the "last" inning of the twilight game, "extra" innings were entered into, but Rebersburg made only one necessary. Having set the locals down in 1-2-3 order in their hits, the Brush Valley boys speedily set about to decide the ball game, and then the always dangerous "Dutch" Bierly smote one to the distant oats field, netting three bases and scoring Brungart with the winning run. The game was declared to have been one of the snappiest of the season. The box score:

PLEASANT GAP APPLIES THE WHITEWASH; SCORE, 2-0

The Pleasant Gap team, with a constantly new line-up, administered a coating of whitewash to our boys on Saturday, on the local field, in a game featured by clever pitching. Grupe is the name of the whitewash artist, hails from Lewistown, 'tis said, and cleaned up the "House of David" recently. He gave us only 5 hits, and until the locals can again show double figures in the "hit" column, few games can be expected to be won. Jamison and Grupe fought it out for 8 innings in a pretty pitcher's duel. In the 8th the locals came within an ace of scoring. With P. Martz and Walker on bases by virtue of hits, Jamison sent a nice drive to right center. It looked good for a hit. Reigh went after it and took the ball so close to the ground that it appeared to have been "trapped." He fell, rolled over, and came up with the ball. The "ump" said "out." This was the locals' best and only chance to score. Came the ninth. Grupe proceeded to win his own ball game by slamming out a 2-bagger. Then Reigh, who had saved the game in the inning before, won it in this one. Picking out a nice pitch he sent it into that endless domain in right center which always spells home-run. So it was this time. The following outs were easy and Centre Hall went into the ninth with Stover, batting for Frank, getting a hit, but the three following batters were at Grupe's mercy and the score stood, Pleasant Gap, 2; Centre Hall, 0.

In the middle of the game the locals declared the game was being played under protest, due to Grupe's illegal delivery. It seems that much of this pitcher's effectiveness was due to his reaching in place on the ball to enable him to get a better grip on the horsehide.

The box score follows: Pleasant Gap R H O A E. Mowery, 1b.....0 1 1 0 0. Gilbert, c.....0 0 5 1 0. Myers, rf.....1 0 0 0 0. Getting, ss.....1 4 4 0 0. Grupe, p.....1 0 0 0 0. Reigh, cf.....1 2 0 0 0. SPRING MILLS SCOUTS WIN.

The Spring Mills Boy Scouts baseball team defeated the Centre Hall Boy Scouts on the High school field here on Tuesday evening of last week, by the score of 12 to 5. The game furnished plenty of amusement for the bleacherites, who saw in many of the lads the making of real ball players.

Especially was this true of the visiting lads. Very remarkable stops and throws for boys in their early teens. J. Russell Condo had the Spring Mills boys in charge, while Curtis B. Reiber managed the local Scouts.
