

LOCAL AND PERSONAL

Miss Marion Smith, the latter part of last week, underwent a tonsil operation by a Lewistown surgeon.

Miss Agnes Geary and Miss Elsie Weaver entertained Miss Elizabeth Bartholmew and Miss Louise Kittleberger at dinner one evening last week. They enjoyed a very excellent dinner at the "Fenway," State College.

Saturday a week will be the official opening day of the Grange fair on Grange Park, Centre Hall. Of course, by that time nearly all of the several hundred tents will be occupied by families who will remain throughout the following week.

In a fall of rocks, on Friday, at the Whiterock Quarries, Pleasant Gap, Leo Miller, aged 31 years, of Coleville, received fractures of both his legs. He was first taken to the Centre County hospital and later to the Altoona General hospital.

Miss Miriam Moore entertained the following guests at her home last week: C. Ray Shirey, of Clearfield, and John R. Neill and sister, Miss Mary Neill, of Lewistown. Miss Neill is a college friend of Miss Moore and also a member of the Hershey faculty.

Mr. and Mrs. D. F. Smith, Master Dean Runkle, Miss Sara Runkle and Jack Bradford formed an auto party who went to Wilkesburg last Friday, remaining with Mr. and Mrs. Elliott Smith until Sunday. Mr. Smith took his guests on a sight-seeing trip to various points of interest in Pittsburgh.

The improvement to homes in town includes that of Dr. H. R. White, dentist. The property was purchased last spring and since was rearranged on the interior to accommodate both living quarters and a dental parlor. The structure later was repainted on the exterior by Mrs. White's father, John Wilson, of Lewistown.

Miss Frances Elizabeth and Guy Jacobs, Jr., of Steubenville, Ohio, were met at Tyrone, Sunday evening, by their uncle, W. L. Jacobs, of town, and conveyed to Centre Hall where they will spend a few days with their grandmother, Mrs. Lizzie Jacobs. The latter part of the week Mr. and Mrs. Jacobs will arrive.

Many of the potato fields in this section are unimproving in appearance at this time. Plants given the best of attention as to cultivation and spraying are no longer depended upon to yield anything like a good crop. With corn and potatoes on the blink, the farmers' returns from crops will be materially lessened.

Miss Mary Allen, who for some months had been chief clerk in the Wells store, Fred Luse, manager, in town, gave up the clerkship to resume her place in the Springs Mills silk mill, where she had been employed before entering the Wells store. Miss Cherry Jodon will now be found back of the Wells counter to take her place.

Constable William Hannah, of town, and a stranger made what might be termed a "scrapping" acquaintance when the automobiles they were driving came together near the diamond. The constable was going south and made a left-hand turn on the "turntable" and the stranger was going north. Both cars are insured.

Rev. J. Eugene Deitrich, D. D., and wife, together with their son, Dr. C. D. Deitrich, and wife, the latter couple of East Foster Avenue, State College, were worshippers at the services Sunday evening in the Lutheran church. The former was a classmate of Rev. Greenhoe, the Lutheran pastor here, at Susquehanna University, and with Mrs. Deitrich were visiting their son at State College, from which place they came here.

William F. Lingle, of Supbury, an employe of the Sunbury Milk Products company, and formerly of this place, in company with W. J. Engle, president of the above named company, and W. R. Bright, a salesman for the same company, were in Centre Hall last Thursday negotiating for the lease of the James Frohm stand at the Encampment and Fair. The company will handle various milk products of their manufacture, including ice cream. Mr. Lingle will doubtless be in charge of the stand.

Concrete on the Potters Mills-Boulevard road is about to begin. The starting point is at the western end of the short section of concrete laid from Potters Mills. The material will be hauled by way of Old Fort and Tusseyville road. Large quantities of ballast and sand have already been shipped to Centre Hall and unloaded into large bins of temporary construction for that purpose. Machinery for the final grading, mixer, finishing machine, forms, etc., are also on the ground.

The Community Club of Centre Hall held their 7th annual reunion Thursday last week at the B. F. Bieber camp, at Yankee Run, near Livonia. Members were present from Centre Hall, Bellefonte and Butler, and visitors from South Williamsport and Chicago Heights, Ill. The day was delightfully spent in games, hikes, songs and addresses, forty-eight members and visitors being present, all of whom did justice at the festive boards. After a full day of enjoyment the organization voted to meet again at the same place in 1933.

Albert Hessick, of Green Springs, O., is east on a pleasure trip and is contenting himself for the present in roaming the old stamping grounds in Seven Mountains and around about Colyer. He is a son of Jacob Hessick, who many years ago was a well-known shoemaker, living back of Colyer. The younger Mr. Hessick went to Ohio a number of years ago to engage in farming, in which line he has been successful. He is trucking on a pretty large scale, his crops consisting of 20 acres of potatoes, 12 acres of cabbages and 5 acres of cantaloupes.

FARM CALENDAR.

Timely Reminders from Pennsylvania State College School of Agriculture

Dedicate Dairy Building—Penn State's new Dairy Building will be dedicated Friday, August 26, with appropriate exercises. State and national dairy leaders will speak on the program and also in production and manufacturing conferences the previous day. All who are interested are invited to attend.

Keep the County Agent—"Any attempt to save taxes by dispensing with or limiting the efficiency of a good county agent is a serious step backward," says the American Bankers' Association. "Compare taxes and ability to pay taxes in counties with and without agent; the evidence is all with the county agent. The county agent is an important and indispensable factor in the come-back of agriculture."

Grows Heavy Crop—Marglobe has produced a very heavy crop of tomatoes this year in the greenhouses of the Pennsylvania State College.

Move Poultry Houses—Brooder houses and range shelters should be moved a short distance to clean grass range whenever the area in front of the house becomes bare and contaminated.

Sweet Clover Leads—Sweet clover is superior to ordinary clovers in increasing fertility because of its greater growth and the higher content of the roots. In a comparison of red clover and sweet clover, the average yield of roots for red clover for seven years was 940 pounds while that for sweet clover over the same period was 2640 pounds an acre. The average nitrogen content of red clover was slightly more than 2.5 while that of sweet clover was more than 3.5.

Plant Late Vegetables—Plant Long Standing Bloomsdale spinach, Dwarf Curled Scotch kale, and Grand Rapids jettuce for late fall greens and salads. Purple Top Globe turnips and winter radishes may be planted for winter storage.

Lindbergh baby No. 1 arrived Tuesday morning at the Morrow home, Englewood. Charles A. Lindbergh, Jr., was kidnaped five months and sixteen days before this event.

Hugh Smith, on Sunday, went by air from Altoona to Detroit, having been one of a dozen or more Chrysler product dealers or representatives from the central part of the State to be passengers on five planes leaving the city named. Mr. Smith is a member of the Smith Brothers, automobile dealers, in State College.

REGISTERS NOTICE.

Notice is hereby given to all persons interested that the following inventories of the goods and chattels, set apart to widows in accordance with the provisions of the Fiduciaries Act of 1917, have been confirmed by the Court and if no exceptions are filed on or about the first day of next term the same will be confirmed absolute.

Headaches

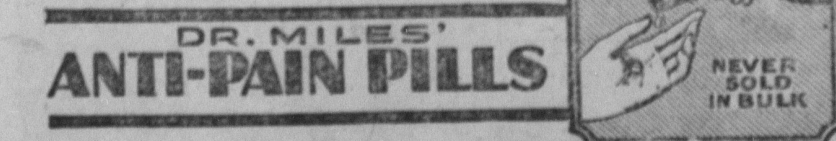

Here's Smiling Relief... Periodic Pains

Most of your suffering from common every-day aches and pains is unnecessary and unwise. Unnecessary, because Dr. Miles' Anti-Pain Pills relieve quickly and without unpleasant after effects; unwise, because pain makes your physical condition worse instead of better. One pill usually brings relief in a few minutes.

If you suffer from any of the disorders listed above, take Dr. Miles' Anti-Pain Pills. If they do not give you greater relief in less time than anything else you have used, go to your druggist and get your money back.

A package of Dr. Miles' Anti-Pain Pills in your medicine cabinet, pocket, or hand-bag means fewer aches and pains.
