

CORRESPONDENTS' DEPARTMENT

Boalsburg.

Mr. and Mrs. Barnes and grand-daughter and grandson, of Maine, are visiting at the home of O. F. Smith, Mrs. Smith is the daughter of Mr. and Mrs. Barnes.

Mr. and Mrs. Ezra Breen and family, of Columbus, Ohio, arrived at the home of Mr. and Mrs. A. L. Lee on Wednesday for their annual vacation among friends in this vicinity.

Edward Weber and sister, Miss Alice, of Huntingdon, were guests of their aunt, Miss Anna Weber, on Wednesday.

Mrs. John Moser, her daughter Miss Margaret, and granddaughter, of Wilkesbarre, were callers in town on Wednesday enroute to State College, where Mrs. Moser visited her sister, Mrs. Smith, who is very ill.

Mrs. Harry Kuhn and daughter, Margaret, Mrs. Wm. Star and Miss Josephine Grieshaber, of Williamsport, were at the home of Mrs. Charles Kuhn last week.

Mr. and Mrs. Howard Bartley, of Bellefonte, spent Wednesday in town.

Thursday, twenty members of the Ladies' Aid of the U. B. church of Philipsburg were entertained by Mrs. Elizabeth Jacobs; the group enjoyed a dinner on the lawn and spent the day sewing.

Mrs. Henry Reitz is spending this week among friends in Sunbury and Shamokin.

A number of people from town are attending Grange Fair, regardless of the fact that all the roads were torn up and given a generous coat of oil last week.

POTTERS MILLS.

J. R. Bible, wife and son-in-law, and family, of Phoenixville, were calling on old friends of Mr. Bible in the village on Sunday.

Will Steeley, wife, Mrs. Anna Bitner, daughter Wanda, Miss Doris Shaffer, of Lock Haven, Allen Miller, of Centre Hill, visited on Sunday at the M. N. Miller home.

Mr. Davis and family, of New Lancaster, have moved into their home, recently bought from Mrs. John Foster. (From last week.)

Mr. and Mrs. W. M. Sweeney spent Sunday at Lemont with their son, Ralph, and family. The main attraction was the new daughter that arrived at their son's home recently.

William Bible, of Altoona, was shaking hands with old friends on Sunday.

Elmer Hettlinger and wife, of Farmers Mills; Charles Miller and family, Allen Miller, of Centre Hill; Clarence Miller and family of Tusseyville; W. E. Yearick and wife, Fred Yearick and family, of Mill Hill, visited on Sunday at the M. N. Miller home.

Edward Foust and family, and Gene Groff, of West Chester, visited over the week end with relatives. The men returned home on Sunday; Mrs. Foust and two children will visit with her parents, Mr. and Mrs. J. M. Carson, until Labor Day.

Miss Frances Hutchinson, of State College is visiting at the Mrs. Ellen Miller home.

Miss Amelia Copenhaver, who had been visiting with friends in Pittsburgh and Tyrone, has returned home. H. B. Walker, wife and daughter, Arlene, attended the Poorman reunion at Yarnell on Saturday.

Mrs. H. E. Minge, of Akron, Ohio, is visiting at the home of her brother-in-law, G. H. McCormick.

BELL TELEPHONE CO. REPAIR BILL FOR STORM DAMAGE WAS \$285,000.00

The extent of the damage to the lines of the Bell Telephone company, just March, can be appreciated when it is stated that the repair and replacement cost will reach \$285,000. Before actual work of rebuilding could be done it was necessary to remove 916 poles, 3530 crossarms, 3,000 feet of cable and more than 1000 miles of telephone wire, all of which had been wrecked by the storm. The company is placing 144,000 feet of new storm-resisting cable and 603 miles of telephone wire.

FARM CALENDAR.

Timely Reminders from Pennsylvania State College School of Agriculture

Select Fruit Exhibits—

Apples for exhibit should be selected while the fruit is still in the trees. From the time of picking until the fruit is finally arranged in the exhibit, it should be handled as carefully as eggs. Apples of good average size for the variety are better than very large or small fruits.

Clean Soiled Eggs—

Despite all efforts to produce clean eggs, generally there will be a few soiled ones. To clean these, use a knife or a coarse steel wool to remove the foreign material stuck to the shell, and then wipe the soiled spot with a damp cloth. Do not wash soiled eggs because the protective coating on the shell will be dissolved and in its absence the contents of the egg will evaporate more rapidly.

Eat Plenty of Tomatoes—

As a health-promoting vegetable, the tomato has no equal. Unlike most vegetables, the tomato does not lose its vitamins when cooked. Tomato juice equal to orange juice in food value, and is less expensive. Tomatoes are always good for the health, whether eaten cooked or raw.

Keeps Berries Separate—

Recommended control practices call for separation of red and black raspberry plants by 500 to 1000 feet, beside roguing the plants, because when mosaic is transmitted from the red to the black raspberries it kills the latter. Save Time in Plowing—

Large rectangular fields are the cheapest to plow, for less time is lost on the turns and in plowing the headlands.

FIRE AT BUCKNELL U. SWEEPS "OLD MAIN" FRIDAY MORNING

Old Main and its two wings, Bucknell University's first buildings, were destroyed by fire discovered at 3:30 A. M., Friday morning.

Flames drove college professors and firemen from the halls soon after they saved records in the office of the president, Dr. Homer L. Raney, and the registrar's office.

D. L. Rank, comptroller, said the loss will run between \$450,000 and \$500,000. One of the principal losses is the nationally famous zoological collection of Dr. Nelson S. Davis, valued at \$50,000.

The University has suffered a great loss in the burning of Old Main, erected in 1859. Plans will be made at once to replace it. The college will open as scheduled.

On the doors of Old Main were carved the names of the school's immortals, including Christy Mathewson, famous pitcher for the New York Giants; Tasker Bliss, one-time Chief of Staff of the United States Army, and Dr. David Jayne Hill, who later became the school's president.

GERMAN DIESEL EXPERT TO VISIT PENN STATE

Dr. F. Sass, chief engineer for the German General Electric and considered the world's foremost authority on Diesel engines, now touring the United

States, will visit the Pennsylvania State College engineering experiment station during his stay, according to Professor Paul Schweitzer of the college staff. Prof. Schweitzer, who recently returned from a two months' inspection trip of Diesel plants in Europe, crossed the ocean on the same liner with Dr. Sass. Prof. Schweitzer has conducted exhaustive researches in the Diesel engine field at Penn State in recent years.

BANK ROBBERS ADMIT SERIES OF HOLDUPS

An International News dispatch, of Monday, from Williamsport, says:

Two escaped prisoners from the Lehigh jail returned here from Painesville, O., have admitted staging a robbery at Laporte, Sullivan county, and several other holdups in Pennsylvania and the west, according to police today.

The prisoners, John K. Bennett, of Knoxville, Tenn., and Raymond Schwenk, of Catsaqua, were being held at the Wyoming barracks of the State Police.

They have admitted staging a jewelry store holdup here and other robberies in Tyrone, Franklin and Meadville, according to State Police. A third member of the gang, Lorenzo Dpertler, is being sought.

[Dpertler was born at Madisonburg, this county.]

You can't get away from the fact that

A SIX IS MORE ECONOMICAL

Thousands of tests and owner experience have confirmed THIS FACT: For lowest all-round motoring costs: SIX CYLINDERS. No more—No less!

With more you sacrifice Chevrolet's famous economy. With less you sacrifice the kind of maintenance cost that Chevrolet gives you—the lowest available.

Why not strike a happy balance between "too many" and "too few"? Do as the majority of car buyers have done: SAVE—with SIX CYLINDERS. The Chevrolet engine gives you wonderful gas and oil mileage! Because its smoothness is built-in—the body, chassis and engine are spared the repairs that result from inherent vibration!

STILL GOOD AFTER 15,000 MILES

And the Chevrolet Six stays young for—10,000, 15,000, 20,000 miles and more—carries on—smoothly, dependably, economically.

Moreover it has every modern feature you're entitled to: Free Wheeling, no car is up-to-date without it. And genuine Syncro-Mesh as originated by General Motors. And big, luxurious Fisher bodies. And four parallel mounted springs.

Remember that you can switch to a 1932 Chevrolet for very little money. In fact, you'll probably find it more economical to buy a new Chevrolet Six than to worry along with the old car.
