Dr. Miles' NERVINE "Did the work" says Miss Glivar WHY DON'T YOU TRY IT?

After more than three months of suffering from a nervous ailment, Miss Glivar used Dr. Miles' Nervine which gave her such splendid results that she wrote us an enthusiastic letter.

If you suffer from "Nerves," if you lie awake nights, start at sudden noises, tire easily, are cranky, blue and fidgety, your nerves are probably out of order.

Quiet and relax them with the same medicine that "did the work" for this Colorado girl.

Whether your "Nerves" have troubled you for hours or for years, you'll find this time-tested remedy effective.

CONFESSION COURT HEARS TWO CASES FROM PENNS VALLEY

Budd Zang of Spring Mills pled guilty to a charge of larceny of a sum of money from the Gregg Township Vocational School and was sentenced by Judge Fleming to serve an indefinite term in the Pennsylvania Industrial school at Huntingdon.

An altercation caused by mitigating circumstances resulted in the arrest of Huston Schreckengast of Millheim on a charge of Surety of the Peace, prosecutor, Mrs. Maude Keen, a neighbor, as was previously reported in these columns. Mrs. Keen stated the defendant swore at her and that he placed a gun in a window of his home with intentions of frightening her and committed other petty nuisances. Alfred Wilson, who boards with Mrs. Keen, took the stand and made similar statements. Mr. Schreckengast and his wife took the stand and in turn testified that they had not bothered their neighbors at any time. Judge Fleming called the four participants implicated before the Bar and admonished them for the manner in which they had been acting and ordered each to file a bond of \$500 as a guarantee to keep the peace.
