Miss Margaret Widler, long employed in the office of the Kerlin poultry plant here, is driving a new Plymouth sedan.

W. F. Keller and Mrs. Franklin D. Goodhart and the latter's young son, Franklin William, on Monday drove to Johnstown. Mr. Keller is on a forced vacation from his duties as a rural mail carrier.

Mrs. D. M. Bradford was taken to the Geisinger hospital on Thursday and since has undergone a tonsil operation. By the end of this week it is planned for her to undergo a delayed operation for gall stones.

Clarence Blazer and family, of near town, and Samuel Blazer and family, of Lewistown, motored to Gettysburg, Sunday, to view the famous battlefield and on their return stopped at Harrisburg to see the capitol.

The second daughter was born to Mr. and Mrs. Clifford Rice, Reedsville, during the latter part of last week. The father is a son of the late Charles Rice, Reedsville merchant, and since his death took up his business.

Mr. and Mrs. A. E. Keelin arrived from the South on schedule, the latter part of last week. Although enjoying the southern winter climate to the limit, they are always looking forward to the pleasant-summer days in the North. Both of them have been and are now in the best of health.

Strawberries of a very choice quality are being sold at three boxes for twenty-five cents. A hawker on Saturday evening went one better—4-4-25. The crop is reported to be large. Farring unfavorable weather conditions, there will be berries for all at a moderate price.

Mr. and Mrs. Roger T. Bayard, of Tyrone, were guests on Sunday of Mr. and Mrs. Cloyd Brooks, at Rhonemede. Cunday was the fourteenth anniversary of their marriage and this was the impelling force that brought them back to the old home near here on that particular day.

The Kerlin S. C. White Leghorn pullet located in the Albana Polytechnic Institute Egg Laying Demonstration, Auburn, Alabama, continues to lead the world in egg laying. Her record for May, the eighth month of the contest, is 39 eggs, making a total to date of 232 eggs in 243 days, a 95 1/2% production since October 1, 1932.

Vernon Godshall and Miss Eva Bailey drove to Washington, D. C. Sunday morning, leaving Centre Hall at 4:00 o'clock and covering the 195 miles in 4 hours, 20 minutes. Returning home, they brought with them their mother, Mrs. Margaret Godshall, who had been with another daughter, Mrs. Sachlis, for nine weeks.

Max, the 15-month-old son of Mr. and Mrs. Amos Ward, was drowned in a tub of water at his home between Ellmsport and Allenwood, Friday morning. The parents were absent from the home at the time. It is presumed the child crept to the tub, raised himself to its feet and toppled into the water.

Dr. Wilson, surgeon connected with the C. C. C. on Stone Creek, was in town on Monday to interview C. W. Slack, lessee of the State grounds on which the Slack hunting camp is located. In conversation with him he stated one of the men (colored) in the camp had been bitten in the finger by a snake. The wound was dressed and is apparently responding to the treatment.

James B. Lingle, who has been engaged as a manager of stock farms in the vicinity of Philadelphia since graduating from Penn State College in 1919 purchased a stock farm near Kennett Square and moved from that place to it a few days ago. He will begin stocking it immediately and will also engage to some extent in general farming. Mr. Lingle is a son of Mrs. Jennie Lingle, Centre Hall.

With the promise of serving a strawberry shortcake dinner on Sunday at his home in Spring Mills, John L. Graden found his table surrounded by these children and grandchildren and friends: Mr. and Mrs. James Faust and children, Mrs. Henry White and daughter Miss Helen White, Mr. and Mrs. Frank White and children, Centre Hall, and Mr. and Mrs. John E. Graden, of Smulton.

A daughter was born to Mr. and Mrs. George Johnson, Saturday evening, in the Centre County hospital. The merchant is exceedingly proud of his second heir. Bettie Jane, 5, the first child of the pair, was greatly delighted when she got the first view of a real sister, and said, "If it's mine, I want to take it right home with me." Within a period of twenty-four hours, six other babies came into existence at the hospital where the event referred to occurred.

LOCAL AND PERSONAL.

After an illness of a few weeks, Miss Anna Sweeney, of Boalsburg, has recovered and at present is with her aunt, Mrs. Lizzie Jacobs, in Centre Hall.

Knarr is representing the Rebekah branch, of Centre Hall, and at the close of the sessions will go to Steubenville, Ohio, to visit Miss Nellie Smith, who it is expected, will accompany Mrs. Knarr to Centre Hall.

H. F. Seler, who about three weeks ago moved his family from Milton to the J. C. Lee home in Spring Mills, again located in Milton. He was a local track foreman following Levi Hartley, but was "bumped off" by a man longer in the service. Mr. Seler is not employed at all at this time. John Mark, formerly located on the Coburn section, is now on the Centre Hall-Spring Mills section.

At a point a short distance east of the lower island bridge below Lock Haven, Rev. J. M. Runkle, of Altoona, lost control of his car with the result that it left the road and crashed into a telephone pole. Rev. Runkle suffered a laceration of the lower lip and Mrs. Runkle, the only other occupant of the car, lacerations of the forehead, right arm and nose by broken glass from the windshield. They were taken to the Lock Haven hospital where their injuries were dressed, then continued their journey to Williamsport.

Mr. and Mrs. William Bower and two children, and the former's mother, Mrs. Jane Bower, of Kaneville, Illinois, on a trip through Pennsylvania stopped for a short time with R. S. Jamison, a friend of the family. Mrs. Jane Bower is a sister of S. L. Condo, Spring Mills, who was also visited. Farming conditions, Mr. Bower related, materially changed for the better during the past few months. Prices of corn, and oats doubled, and fat cattle are showing a profit. Mr. Bower conducts a farm of six hundred acres and makes cattle feeding his leading line. He is now feeding 500 head for the Chicago market.

Helps for Home Canning

WHEN you can food at home, be sure that every step of your process is right. Choose the freshest foods for canning. Clean the food thoroughly. Prepare to get it into the cans or jars immediately. Process in a pressure cooker, observing the proper length of time both for expelling the air and processing. Use clean containers in perfect condition. If old glass jars are used, be sure to use a new lid and a new rubber if the lid is of the screw type. Remove the cans or jars from the cooker and cool immediately. Tin cans should be plunged into cold water or put under the cold water spigot. Lids on glass should be tightened as soon as the jars are removed from the cooker. And they should be separated to allow air to circulate around them that they may cool as rapidly as they will. Store

processed foods in a cool dry place to prevent rubbers from cracking. The reasons for these constructive suggestions are to be found in a recent article by Dr. F. W. Tanner in which he said: "Commercial canners have long since faced the fact that unless canned foods are properly processed, this organism (Clostridium botulinum) may survive and be responsible for some terrible outbreaks of botulism. Home canners should be willing to capitalize on this information. They should be impressed by the fact that practically all of the outbreaks of botulism in the last six or seven years have been due to improperly processed home-canned foods, and that not one single outbreak of botulism has been caused by foods commercially canned in the United States."
