WOODWARD BOY OF SIX INSTANTLY KILLED BY AUTO

Coroner's Jury Absolved Driver from All Blame—State Police, District Attorney's Secretary, and County Detective, All of Northumberland, Car's Occupants.

Miss Marion L. Clarkson, Northumberland, on Monday was absolved of all blame in the death of John Allen Hassinger, of Woodward, who was killed Wednesday of last week as he stepped from the side of the highway directly in the path of the car driven by Miss Clarkson and occupied by Donald Zimmerman, County Detective of Northumberland county, Miss Florence Rhodes, Secretary to District Attorney Fortney, of Northumberland county, and Earl Pepple, a member of the Pennsylvania State Police force stationed at Reading.

The accident occurred at about two-thirty in the afternoon when the party was returning from a tour of Centre county and a visit to the Rockview penitentiary. The child stepped out from the side of the road directly in front of the machine and the driver had no opportunity whatsoever to stop. The child suffered a fractured skull and was killed instantly.

Coroner W. R. Heaton was called to the scene and rendered a verdict of accidental death. The father of the child demanded an inquest which was held at the Hassinger home. The jury was unanimous in their verdict.

The members of the jury were W. J. McFarland, C. L. Alabran, D. P. Fortney, Harry Starrett, Kenneth Gingsher and John Anderson.

From reports circulating in the vicinity of the scene it appears the residents there are under the impression that an effort was made to keep information in the background. A patrolman from Union county, it is reported, was called to pass on the affair. He shooed on all autos attempting to stop, and Woodward residents watched from sheltered places. A truck driver from here who passed by said one got the impression that a gatling gun was trained on approaches. It is said there were no witnesses except those in the death car.

The child was aged 5 years, 10 months and 14 days, and was a son of John A. and Mabel Fultz Hassinger. There are four other children in the family, James L., Mabel, Carrie and Ida. Funeral services were held Saturday and burial made in the Millheim cemetery.

The father is employed by the Sheffield Farms Co. in a minor capacity.
