**CENTRE HALL DEFEATED FOURTH CONSECUTIVE TIME**  
(Reported by Hugh Morrow, Jr.)

In a 7-inning twilight game last Thursday, the Centre Hall team was defeated by the Millheim club by a score of 6-1, for Centre Hall's fourth loss in a row. The first inning proved disastrous to the Centre Hall hurler, Bringer, when the Millheim slugger murdered his offerings for four two-runners, three of them consecutive, resulting in a four-run lead in the opening inning. Two more runs were scored in the fourth by Millheim as the result of two singles and a double.

Centre Hall's lone tally came in the fourth inning when Crawford singled, Emery walked and Walker doubled. Millheim committed one error when Wagner, s. s., made a wild throw to first base in the first inning. Two of Centre Hall's players were each guilty of one misplay, giving Millheim one extra unearned run.

Aumiller, pitching for Millheim, allowed only three hits—two singles and a double, while Bringer was touched up for nine clouts, five of them for two bases, one for three sacks, and three singles. The box score:

**CENTRE HALL, 7; HOWARD, 6.**  
(Reported by Hugh Morrow, Jr.)

A rejuvenated Centre Hall team, with several changes in the lineup, outscor-

ed the strong Howard team on Saturday to the tune of 7 runs to 6. Paul Hess, of Lewisburg, was on the mound for the locals during eight innings of the hectic game, but tired in the ninth. Paul Martz in a relief role then set down the necessary three batters, while there were men on second and third, a single base hit at this point being all that Howard needed to win the game.

The Centre Hall team garnered ten hits off Lutecher and Renninger, Howard pitchers. A triple by Goodhart in the fifth went for naught when the base umpire called him out for alleged failure to touch first base. During the ensuing debate, an argumentative Centre Hall player was summarily benched. Hess proved himself also effective with the stick, smashing a 3-bagger in the 7th to score Stover and then scoring himself on a scorching single by Goodhart. Gross, who played first base, had two doubles, P. Martz a single and double, Goodhart a triple and single and Stover a single. Centre Hall was guilty of four errors, allowing Howard two unearned runs, while Welkart, Howard catcher, spotted the locals one marker when he allowed a wide pitch to get away from him with R Martz on third. Centre Hall players fished 5 bases during the contest, and the Howard team, three.

**A COMPANY THIRTY YEARS OLD**

Last Friday the Ford Motor Company completed 30 years of automobile making.

It is also my fortieth year at the same job. I made my first engine in 1893, and it still runs. This is the engine that won the Selden Patent Suit—which took the motor car out of the exclusive class, and opened the automobile industry to hundreds of manufacturers who started during the last 30 years.

Some of the men who began with me that June day in 1903, are working here yet. All of the principles we laid down then, are still operative; we find that they have great survival value for the future. To date they have produced and sold over 21,000,000 Ford cars.

Although we created the automobile market we have never thought it was good for anyone to monopolize it. We have always believed that before business could be good for one, it must be good for all. Our discoveries and improvements have always been open to other manufacturers without patent restrictions.

Of course, there is one thing we cannot share—everyone must get it for himself—and that is experience. Money could duplicate our buildings and machines, but it cannot duplicate 40 years of experience. And it is experience that makes a motor car.

But the past does not especially concern me; it has all been a preparation for the future. For myself, I feel that I have just been gathering the tools to do something worth while, and that my real task is still ahead.

Great changes are upon the world. False ideas of every kind are vanishing in the general upheaval. Those who built truly on principle will survive—their service will carry over. Business integrity and commodity honor will be fully justified. And newer and better ways of living will appear.

That is the outlook for this young thirty-year old Company of ours.
