DEATHS.

PLETCHER.—Mrs. Laura Pletcher,
of Howard, aged 72 years, died at her
home just four days after the death
of her husband, Lynn Pletcher. Mrs.
Pletcher had been ill since March suffer-

given in the M. E. church, Centre Hall,
this (Thursday) evening. A silver of-

with their respective families here over
the week-end. They are living in an

Penn State in June, returned to the
collegetown this week. She will again
resume a responsible place in the Al-
pha Chi Sigma fraternity.

farm, owned by W. F. Bradford, will
vacate it next spring. It is reported

where he was employed before begin-
ning to farm, two years ago.

W. D. Shoop, who some months ago
purchased the old creamery building,
near the railroad station, from the
Dewart Creamery company, began to
dismantle it a few days ago. Blaine
Lester and Frank Shawver are doing
the work.

Sylvester Smeltzer, a student in the
Spring township high school, is one
of three boys to represent the State
in the Dairy Judging Contest at
Springfield, Mass., next week. The
three were selected from 250 contest-
ants.

Prof. and Mrs. Boyd F. Winkleblech,
of Baltimore, Md., and Miss Lida Win-
kleblech, a chemist in the laboratories
of Sears, Roebuck & Co., Chicago, were
visitors during the past week of their
parents, Mr. and Mrs. J. W. Winkle-
blech, in Millheim.

Maude Solt, daughter of Mr. and Mrs.
Jacob Solt, now both deceased, a former
resident here, now married and
living in Frederick, Md., was in town
for a short while Sunday, and among
others called on D. A. Boozer. She
was accompanied by her daughter, also
by her son and his wife.

Mr. and Mrs. Irvin M. Burris and
Mr. and Mrs. Irvin Stover, of Yeager-
town, were guests last week of rela-
tives in town. Mr. Stover is employed
at the Viscose plant, Lewisburg, and
states the code under which the plant
is working shortened the hours of
workmen without reducing the pay.

The Ladies' Aid Society of the Meth-
odist church will serve a supper in
the social room of the church this
(Thursday) at 5 o'clock. The supper
is being served to take care of the del-
egates attending the County W. C. T.
U. convention. The public is also in-
vited to lend its patronage. Price, 35c.

home of J. M. Blauser, at Potters Mills,

and Mrs. John Byerly and daughter,

and Miss Abel, all of York.

Mr. and Mrs. Robert Peacock, of
Cleveland, Ohio, were in the valley for
a few days, returning home on Mon-
day. They divided their time between
their farm home at Centre Hill, ten-
anted by Charles Miller, and that of
cousins, Mr. and Mrs. S. W. Smith, in
town. Mr. Peacock is employed by the
Erie Railroad company, as a special
agent in the Tax Department.

The faculty of the Loganton Voc-
ational school is as follows: Prof. Gil-
bert W. Hancock, principal; Prof.
John L. Stookey, supervisor of agri-
culture; Prof. Allen Lamey, instruc-

Mr. and Mrs. A. S. Fleck and young
son Roger, of West Caldwell, N. J.,
after visiting Mrs. Fleck's sister, Mrs.
H. M. Ralston, and family, in Miffins-
burg, came on to Centre Hall where
they were guests of W. S. Brooks,
Mrs. Fleck's father, and other relatives.
Their oldest son, Theodore, joined a
party who are now at the Century of
Progress Exposition, which trip will
prove an important one in the young
man's life.

J. E. Noll, who lives at the point of
Egg Hill, wishes the Reporter to say
that the party who invaded his potato
patch Tuesday night of last week, left
behind his hoe, and Mr. Noll has
cleaned it and put it away awaiting
the owner. Mr. Noll heard the car
leaving his property on the night of
the theft, and has well-founded notions
as to the identity of the party, because
of distinctive shoe marks left in the
soft ground.

Misses Bettie Ebricht and Laura
Belle McCormick, and Muth M. Bailey
entered Penn State as freshmen, on
Wednesday. They are all graduates
of Centre Hall High, class 1933. The
young ladies have selected the Home

the School of Engineering, curriculum
of architecture. Miss Anne Wert, an-
other member of the 1933 C. H. H. S.,
entered the Teachers' College, Lock
Haven.

Miss Laura Runkle was accompan-
ied to New Castle, Ky., by R. M.
Smith, where they visited Gross H.
Allison. Miss Runkle is Mr. Allison's
aunt and Mr. Smith has charge of his
farms in Brush Valley. They report
crop conditions along the way as very
promising, especially applying to corn.
Through Ohio, the auto route taken by
them was by way of Zanesville, Colum-
bus, Cincinnati, and returning di-
rect from Cincinnati to Zanesville. Ev-
erything about New Castle was also
promising in appearance. They found
the Allison in usual health and spirit.

Mrs. Thomas Foss, on Wednesday,
went to State College where for a few
days he will be with her sister Mrs.
Frank McClellan.

Little Miss Ellen Virginia Hemmis,
two-year-old daughter of Mr. and Mrs.
J. J. Hemmis, of Altoona, has been
visiting with her grandparents, Mr. and
Mrs. H. C. McClenahan, since Labor
Day.

C. N. Kryder has been ill for a week
or more. His condition indicates pneu-
monia, which however may be arrest-
ed before reaching a dangerous stage.
He had a similar attack within the
past year.

Miss Peggy McClenahan, daughter of
Mr. and Mrs. H. C. McClenahan, will
be the guest of Miss Donna Keller,
daughter of J. D. Keller, of Willams-
port, during the coming winter.
The two girls became friends while the
Keller family resided at State College,
Mrs. Ellen Royer, who makes her
home with the Kellers, also accompan-
ied them to Williamsport.

Martha Harter, three years old,
daughter of Mr. and Mrs. George W.
Harter, of Stone Mills, who has been
a Centre County hospital patient for
two days over two weeks, is reported
as not much improved. The child,
when taken to the institution, was
thought to be suffering from convul-
sions, following in rapid succession.
These are reported to be less frequent
now.

Dr. J. W. Harshberger, who has
been actively engaged in practice in
Millheim for some few years past, will
leave for New York the first week in
October where he will enter the New
York Post Graduate Medical School
and Hospital to pursue a year's work
in operative surgery of the eye, ear,
nose and throat. Dr. Robert A. Hous-
ton, of Philadelphia, will succeed him.
He is a graduate of Jefferson Medical
College, Philadelphia.

Mrs. Hulda Sullivan, sister of At-
torney Wm. G. Runkle, who lives with
the Runkle family above Tusseyville,
on Tuesday evening met with a serious
accident. On leaving the living
room to retire to her bed room for the
night, she became confused, and in-
stead of entering the door leading to
the second floor stairway, she opened
the door to the cellar and stepped in-
side, resulting in a fall down the stair-

way. She sustained a broken nose
and wrist, an injury to an arm and
leg. Her cries brought members of
the family to her immediate relief.
She is well advanced in years, but in-
sisted on not being taken to a hos-
pital. Her wish in this was respected.

Prof. J. F. Wetzel, who has been
confined to bed since the beginning of
this month with pneumonia, Wednes-
day morning was reported to have had
his best night—a full night of sleep—
since becoming ill. This was due to
the fact that the high temperature at
nights was missing. His condition dur-
ing the beginning of this week was
very critical, but now it is reasonably
certain the tide has turned, and re-
covery will follow, but perhaps slowly.
Miss Bertha Rimmey, R. N., of
Pleasant Gap, has the patient in charge
under Dr. Hugh Morrow.

E. T. Jamison, of Spring Mills, the
well known insurance agent, on Mon-
day became suddenly violently ill while
driving his car from Pine Grove Mills
to Boalsburg. He was alone, but man-
aged to safely reach the Boalsburg
Tavern, where he was helped from
the car and placed in bed. His son
and Dr. Thomas went to Boalsburg
to bring him to his home, but they
found him too ill to undergo the trip.
Late Tuesday night he was taken to
his home. It appears his illness is due
to indigestion, and possibly other
causes. Wednesday morning inquiry
at the home revealed his condition as
not much, if any, improved.

MORE WET STATES REGISTER
AGAINST 18TH AMENDMENT

Main's popular vote on Monday was
about 2 to 1 in favor of repeal of the
18th Amendment.

Maryland voted on Tuesday, and is
conceded to have voted wet.

Colorado and Minnesota also passed
on the question on Tuesday. Wets claim
both states. If the above deductions
prove correct, twenty-nine out of the
thirty-six states required to eliminate
the objectionable amendment have
voted to do so. Other states to vote in
the near future are:

Idaho, Sep. 19; New Mexico, Sept.
7; Virginia, Oct. 2; Florida, Oct. 10;

7; Ohio, Nov. 7; Pennsylvania, Nov.
7; So. Carolina, Nov. 7; Utah, Nov. 7.

E. T. Jamison was brought to his
home here late Tuesday night suffer-
ing from acute indigestion.

Clayton Snyder, night foreman at the
Grove Silk mill, is suffering from a very
severe case of tonsillitis. His condi-
tion on Tuesday was reported fair by
members of the family.

Bettie Robinson, young daughter of
Mr. and Mrs. John C. Robinson, super-
intendent of the silk mill, is wearing
her arm in a sling to protect it. While
playing on a see-saw, the little girl,
about ten years old, fell from the rail
and in doing so fell in such a manner
as to break her right arm above the
elbow.

The machinery at the Dalrymen's
League milk plant failed to function
properly on Sunday morning, necessi-
tating the transporting of the day's
milk supply in cans to Milton, where it
was rehandled and shipped to market
in the regular way. Harold Hanson,
the plant manager here, followed the
milk to Milton, and there superintend-
ed the rehandling and properly check-
ed the cans to the credit of the pro-
ducer.

Mr. and Mrs. J. C. Lee returned
from a trip to Bethlehem where they
visited their daughters, Beatrice, wife
of David Wachstetter, and Miss Dor-
othy. Before returning home the cou-
ple drove to Allentown, Philadelphia,
and York. Mr. Lee's vacation granted
by the P. R. R. company has not yet
expired, and before it does he and Mrs.
Lee may go out on another trip. On
Tuesday morning the Lees received a
telegram from their daughter, Miss Dor-
othy, who is supervisor of the mater-
nity department in St. Luke's hospital,
Bethlehem, that she would arrive home
by way of the Greyhound bus that
evening for a brief visit with them.

W. F. Hoy, on Tuesday, went to
Pleasant Gap, where he will remain for
a short while with a son, Henry H.
Hoy.

Mr. Fogleman, of Montgomery, is
taking the place of J. C. Lee, station
agent at Rising Springs, during the
latter's vacation.

G. Blaine Bitner, whose one delight
is to see the country from behind an
auto wheel, has prepared himself for
making future trips with his family
most comfortable, and with that in
mind purchased a completely equipped
house on wheels to be attached to a
car. The house is constructed so that
it can be telescoped—the upper half
lowered. This is done to make the load
haul to, better advantage, and permit
the "house" to be man-high when not
in motion. The change can be made
with but a slight effort and in a few
minutes time.

Mrs. Annie Eisenhuth and son Guy
and family are on a pleasure trip up
in New York State visiting at the home
of Boyd Lingle, nephew of Mrs. Eis-
enhuth.

Andrew Corman, who has been on
the disabled list for some time, is out
again.

be able to sit up for a while; she had
a light stroke of paralysis.

Braucher visited friends in Berwick
over Sunday.

Squire Carson, of Potters Mills,
transacted business in town Monday.

Mrs. Charles Bilger, of Pleasant Gap,
and daughter Miss Bertha and son Ev-
an were visiting friends here Monday.

Mr. and Mrs. Harriet Dukeman, of
Clearfield, were visiting friends in town
last week.

Mrs. Della Reiber and daughters,
Misses Mary and Ruth, of Centre Hall,
were week-end visitors in town. Miss
Mary is in training in Dr. Sanford's
hospital in Jersey Shore and will gradu-
ate within three months.

Ralph Shook had an attack of appen-
dicitis on Monday and was taken to
the Centre County hospital Monday
evening. The operation was perform-
ed before midnight.

Ralph Shook Appendicitis Victim.

Ralph H. Shook, Spring Mills, be-
came suddenly ill on Sunday and on
Monday night was taken to the Cen-
tre County hospital, where he under-
went an appendicitis operation shortly
after midnight. The appendix had
burst before the operation was perform-
ed. The case is considered a very se-
rious one, but information from the
hospital on Wednesday morning in-
dicated the patient was holding his
own.

NRA MEMBER U.S. CHEVROLET
"Proud and glad to do our part"
WITH President Roosevelt's acceptance of the
NRA Automobile Code, Chevrolet, the
world's largest builder of motor cars,
officially begins operations in accordance with the
administration's recovery program.
Although the official code was signed only a few days
ago, it will be of interest to Chevrolet's many friends
to learn that the Chevrolet Motor Company started
to carry out the spirit of today's recovery program
over three years ago!
At that time, we put into operation a "share-the-
work" plan, whereby our workmen cooperated in
spreading the work to give more men jobs. By means
of this plan, as well as by regulating hours of work
per week to meet retail demand, and by building up
parts stocks in lean seasons, it was possible to carry
33,000 men on our payroll through the depression.
For eleven months of each year since 1929, we have
kept our employment within 10 per cent of this
average. We are justly proud of that record. We are
also proud to say that Chevrolet workmen did not,
at any time during the depression, become a burden
on public welfare departments.
On August 1st of this year, Chevrolet announced a
blanket wage increase as well as the adoption of a
7½-hour, 5-day week and the employment of 12,000
additional men. This wage increase was the second
in the last 4 months, Chevrolet having been among
the first to put a blanket wage increase into effect.
We feel that the President's recovery program de-
serves the whole-hearted support of every citizen and
manufacturer in America. It is a bold, swift, coura-
geous plan to start the ball rolling toward economic
recovery. Its sincerity is unquestioned. Its objec-
tives are admirable. And the direct, forceful steps
the President and his associates are taking to make
it a success, should stir the pride and admiration of
every American.
We are proud and glad to do our part. And we are
deeply grateful to the American people for the
patronage that has enabled us to anticipate the
present recovery program and to play our part
today. After all, the immense number of men em-
ployed by Chevrolet is a direct result of the con-
tinued preference America has shown for Chevrolet.
