The Kerlin poultry plant is having its usual elaborate exhibit at the State Farm Show, Harrisburg, this week. The exhibit is being taken care of by Mr. Kerlin and two helpers, J. E. Risher and Ray Mark, all of whom have been on the ground since the opening of the show.

Miss Hazel Potter, formerly of this vicinity and Samuel Biehl, both of Phoenixville, are visiting Miss Edith Potter, the former's sister, at the home of Mr. and Mrs. John Rudy, west of town. Miss Hazel is now residing at the home of her uncle, George Potter, of Fifth Avenue, Phoenixville, and is employed at the Ajax Hosiery mill as an examiner.

Fred Bender, last week, covered his territory in the western section of the county as a Rawleigh Products salesman, for the first time since last summer. At that time he underwent a most serious operation and his convalescence was slow. During his enforced idleness his business was very ably taken care of by Ralph E. Dinges, a salesman of experience.

Mr. and Mrs. Bruce Knarr will occupy the part of the Homan dwelling, east of town, owned by Mrs. Emanuel Ziegler, which will be vacated by Leroy Smeltzer, April 1st. The other part of the place will be continued to be occupied by Mr. and Mrs. Paul W. Zellers. The ladies are sisters. Mr. and Mrs. Smeltzer will again locate in State College where Mr. Smeltzer is employed.

Paul Bradford, former restaurateur, has been appointed a foreman at a C. C. camp in Lancaster Valley, Mifflin county. The camp is located nearly thirty miles from here, which induced Mr. Bradford to make arrangements to both board and sleep at the camp. He made his first application early last fall; in fact, immediately upon the opening of the camp, but his appointment was not made until a few days ago.

While coming north at the foot of Sand Mountain, on Sunday, the car driven by J. I. Fetterolf, the local Gulf gas vender, left the road, broke down several guard posts and stuck its nose under the wire before it could be brought to a standstill. The car was pretty badly damaged, but was able to proceed under its own power at a low rate of speed. Others in the car with Mr. Fetterolf were Mrs. Fetterolf, Mr. and Mrs. Paul Fetterolf and Mrs. Mary Emerick. They were returning from McClure where they attended the funeral of James Crick, an uncle of the elder Mr. Fetterolf and Mrs. Emerick.

A project under contemplation with CWA labor in Gregg township sponsored by the Forestry Department of the State, if carried out will give employment to a large number of men for a considerable length of time. It is the building of a road from a point at the Charles Zettle place, on a Pischot road, into the Seven Mountains to connect with the old detour on the Summit at the Sweetwood hunting camp. The road will lead by the Synagogue church and crosses the road through Decker Valley at the Gentzel place.

The stockholders in the First National Bank, at their annual meeting, elected seven directors, two less than heretofore. The seven selected were: Robert W. Neese, W. Cal. Meyer, M. T. Zubler, John W. Zerby, A. B. Lee, T. J. Decker, Jerro Zettle. The two not selected were Joseph Bitner and B. F. Kennelly, neither of whom were candidates for re-election. The board organized by electing Mr. Neese, president; Mr. Meyer, secretary. H. P. Erdley was again named cashier and Mr. Weagley, assistant. The cashier made a very favorable report of 1933 banking business.

A car belonging to a State College party, the occupants having been father, wife and daughter, went over an embankment west of Slegals, turned over once or twice and came to a stand on its wheels in a field. The daughter was the only one injured, and she but slightly. They refused to give their names and asked no surgical attention. The accident happened Saturday night.

J. W. Decker, a Vocational school faculty member, and Guyer Grove, a patron of the school, transported the eleven young people students in the Vocational school, to the State Farm Show, in Harrisburg, on Tuesday. The group all had conducted projects or have exhibits at the show.

The Fish and Game Association will hold a regular meeting, Thursday night, 18th, in the Vocational school building.

Community Hall a CWA Project—One of two projects sponsored by the Gregg Township school board is the erection of a handsome and modern community hall, and the other the improvement of the Vocational School athletic field. The papers for the first project named are now in Washington and there is almost a unanimous sentiment favoring its adoption by the twp. taxpayers. The second project is now being carried out, considerable work having already been done. The plan provides for an expenditure of \$1200 to \$1500, for draining and grading. Five hundred feet of the have been laid and part of a bank on the north side of the field cut away. When

completed the field will be all that can be desired by any High school athlete group.

The community hall project calls for a substantial brick structure of the dimensions of 55x75 feet, one-story in height, with a hip-effect roof. The estimated cost is placed at from \$6000 to \$8000, and the money outlay to Gregg township at about \$4000. This sum will be borrowed from the Public Works Administration, and the payment extended over a long period of years. The board has already taken measures for the annual payment required by increasing the per capita tax by one dollar.

The school board met with Wm. L. Steele, contract builder and architect, to formulate the tentative plans for the building. The auditorium will be on the ground level, with a foyer, stage and kitchen. There will be no basement, except to accommodate heating equipment. The school board, of which H. S. Lambert is the secretary, is a unit in its support of the movement.

A requisition of twenty-four men has been made, the same as for the improvement of the athletic field. Ralph Shook is the supervisor of the field improvement.

The site of the community hall is improvements of the athletic field. Ralph Shook is the supervisor of the field improvement.

WHEN you are suffering, you want relief—not tomorrow—not next week—but right away. DR. MILES' ANTI-PAIN PILLS relieve in just a few minutes—less than half the time required for many other pain-relieving medicines to act.

Next time you have a Headache, or Neuralgia, or Muscular, Sciatic, Rheumatic, or Periodic Pains, just take an Anti-Pain Pill. Learn for yourself how prompt and effective these little pain relievers are. You will never again want to use slower, less effective, less palatable medicines, after you have used Dr. Miles' Anti-Pain Pills.

I am much pleased with your Anti-Pain Pills. They sure are wonderful for a headache and for functional pains. I have tried every kind of pills for headache, but none satisfied me as your Anti-Pain Pills have.

Are You a SUCCESS Do You SLEEP or Count SHEEP?

For business and social success you must have refreshing sleep which increases your efficiency and endurance, clears the mind and keeps you in good humor.

Folks who have tried it tell us that "R.R.R.", used since 1847 for comforting warmth inside and out, offers a real Relief for Sleeplessness when due to the following:

First—if caused by Sore Muscles, Sprains or Strains—apply "R.R.R."

externally as a counter irritant liniment.

Second—if caused by gas in stomach, due to imperfect or hurried mastication of food, use "R.R.R." internally. Take one-half teaspoonful in half glass of warm water.

Third—if caused by simple nervousness, do this: apply "R.R.R." briskly to the back of the neck, then get into bed. Breathe with a slow even rhythm; let the nerves relax and soon, sound restful sleep is yours.
