LADYBIRDS ARE BENEFICIAL-Many farmers and gardeners report

the finding of numerous ladybird beetles under refuse. Some have express

ed fear that these insects will injure

plants. Entomologists of State College

calm these fears by saying that the

lady bird beetles feed on plant lice and

other soft-bodied insects, which makes

Congressman Kurtz Should Be Re-Elected BECAUSE --

JOHN L. WETZLER,

Register of Wills

1. He is the only candidate born and reared on a farm and who knows the problems of the farmer by experience.

2. He has voted for every constructive piece of legislation for the farmer since he has been in Congress.

3. He saw the Processing Tax upon the farmer would be of no benefit to the farmer in his District and therfore voted against it.

4. He has always voted for the soldier, his widow, and orphan, and secured more benefits for them than any other Member of Congress in Central Pennsylvania.

5. He has always supported union labor and his record in Congress has been 100% for the working man.

6. He has not only favored the Rallroad Pension Bill sponsored by the workers but has worked for it and made many speeches in its behalf.

7. He favors not only the Railroad Pension Bill but also favors a humanized Old Age Pension Measure for all those in need.
