RICHARD DETWILER A SUICIDE BY CARBON MONOXIDE GAS

Penn State Graduate, Resident of Smullton, Found in Cabin Garage After Missing for 8 Days.—Teacher in State College High School.

[From Centre Daily Times, July 6]

Richard Jennings Detwiler, former Penn State track star and for the past three years a member of the State College High school faculty, was found dead in a garage of an unoccupied cabin along Fishing Creek, one-half mile west of Bickler's Place at the mouth of Cherry Run, Clinton county, yesterday morning at 11 o'clock, a suicide.

The body was found lying between the front and rear seats of the car with the feet dangling out onto the running board by three campers from Indiana, Pa., J. J. Vinton, R. D. Vinton, and Samuel W. Waxler, who came across the apparently deserted cabin in their wanderings through the woods and decided to investigate the premises.

Detwiler had driven into the garage, which was deserted, closed the door and covered the windows with blankets. He apparently then started the motor of the car and succumbed from the carbon monoxide gas. He had been dead eight days.

The three campers who found the body, immediately got in touch with police authorities who in turn called Dr. W. J. Shoemaker, of Lock Haven, Clinton county coroner. Dr. Shoemaker this morning pronounced the act as that of suicide and stated that no inquest would be held.

Relatives and friends of the young man were at a loss to ascribe any motive for the tragedy. On the body was found a letter addressed "To Whom It May Concern" and written at 9:45 p. m., Wednesday, June 27.

In the letter he gave no motive for his act except that he had been nervous of late. He spoke of mother, his insurance and asked that his mother take good care of his brother Donald. He also mentioned the name of Miss Helen Barton, of Unionville, to whom he was reported engaged, and closed with the words, "In a few minutes I'll be gone, Goodbye Old World." He had said previously in the letter that "I'm going to end it all with carbon monoxide."

On June 22 he had written from his home in Smullton a letter to Birch Ober of the Nittany Motor Company concerning an automobile he had just purchased. In the letter he stated he would come up to State College on Wednesday, June 27 (the date of his death) and get the car. He expressed eagerness to obtain the car and drive it. In a previous conversation with Mrs. Ober he had spoken of his plans for graduate work.

Miss Helen Barton, of Unionville, to whom Detwiler was reported engaged, was unable to give any reason for the tragedy in a telephone conversation she had today with Horace Franko of State College, who roomed with Detwiler here at the home of Mr. and Mrs. G. C. Snyder. Neither was Mr. and Mrs. Snyder able to give a possible motive.

According to Franko, Detwiler was planning to take a two weeks' trip through New York and the New England states as soon as he received his automobile.

Richard J. Detwiler was 27 years old on June 5 of this year. He was graduated from Rebersburg High school and entered the College in the fall of 1927. Turning out for cross-country he captured the I. C. A. A. championship 1927 cross country team and won the freshman individual title the same year.

He was a member of the Nittany Lion varsity cross country teams of 1928, 1929 and 1930, helping to gain the intercollegiate team championship in 1930 by finishing second that year. He also competed on the 1930 and 1931 varsity track teams, specializing in the two-mile event.

After his graduation from the College, he accepted a position on the faculty of the State College High school as a teacher of social studies and athletic coach. He attained exceptional success as coach of the State College High school soccer and track teams, his track team this spring winning a majority of its meets and finishing well up in the annual interscholastic meet staged at the College.

He is survived by his parents and four brothers and seven sisters. His mother, Mrs. H. A. Detwiler, lives at Smullton, as does one sister, Alma, and one brother, Donald. Other brothers and sisters are Stover, of Reading; Paul, of Norwood; Harry, of Cochrantown; Mrs. Donald Meredith, of Germantown; Lulu, of Washington, D. C.; Mrs. Franklin Bonner, Churchville, N. C.; Mrs. Jack Saville, Trenton, N. J.; Ruth, of Rochester, N. Y.; and Mrs. Von Day, of Rockwood.

Funeral services were held on Saturday by Rev. Weaver of the Lutheran church. Burial was made in Rebersburg. The tragic manner of the young man's death attracted large numbers, many of whom, however, were deeply sympathetic. The pallbearers were members of the immediate family.

DECKER REUNION.

The annual reunion of the Decker families will be held in the James Decker woods one mile east of Centre Hall, Thursday, July 26. All relatives of the clan are invited to attend.—J. W. Decker, president.

FIVE COWS DIE FROM BLOATING —CLAUDE DUTROW, OWNER

Five cows belonging to Claude Dutrow died from bloat while in pasture after every home remedy failed to bring relief. The sixth cow was given over to a neighbor, and as a last resort the stomach was punctured with a pocket knife. There was a rush of gas from the opening, resulting in relief to the animal, and it is thought she will fully recover.

The cows, a part of a herd of Holsteins, began bloat shortly after they were turned into pasture in the spring, the sixth cow having had her turn only about two weeks ago. In each instance the animal was found to be suffering from bloat in the morning after a night in the pasture field. The grass was not rank, which greatly adds to the difficulty of solving the mystery.

The young farmer lives on the farm belonging to his father, Clyde Dutrow, located along State highway route No. 95, leading east from Centre Hall.

LOCAL R. R. AGENT BECOMES ELIGIBLE FOR RETIREMENT

W. Frank Bradford, for the past 42 years station agent for the Pennsylvania Railroad Company at Centre Hall, will become eligible for retirement December 1, next, just four months before he can round out fifty years of service with the railroad company. Mr. Bradford entered the employ of the Pennsylvania as a clerk in the office at Centre Hall on March 29, 1886. After learning telegraphy and remaining at Centre Hall station a year he was made agent at the Paddy Mountain station, and remained there until 1892 when he removed to Centre Hall as station agent, and has been here ever since.

Mr. and Mrs. Carl Daniels, of Mansfield Depot, will return to their home on Saturday after having spent a week at the McClenahan home in Centre Hall.

Much of the wheat crop in Penna Valley has been cut. The wheat stems are unusually short, and on many farms the heads are small and not well filled. The crop throughout the valley will scarcely average more than half a normal yield. Corn looks promising as does also the oats crop, although like the wheat the stems are short.

Mrs. Sylvester Gutelius, of East Orange, N. J., has been a guest of Mr. and Mrs. J. S. Booser since last week, and on Friday, Mr. Gutelius will meet her here. Mrs. Gutelius was Miss Mary Gutelius, before marriage, and a resident of Millheim, and it was while living at the latter place that the friendship between the couples was formed.

A stroke of lightning on the evening before the Fourth struck a large willow tree about seventy-five feet distant from the Stoner farm house, above Tusseyville, tenanted by William Stoner, with a freakish result. The oil house, about 75 feet from the tree, was set on fire and consumed, while a poultry house between it and the willow was unharmed.

Miss Ruth Zang, eldest daughter of Rev. and Mrs. J. M. Zang, of Centre Hall, will enter Penn State at the opening next fall. She has selected a pre-medical course. Miss Zang is a graduate of the Milton High school, and was an honor student. She is a young lady of varied talents, and will undoubtedly make a success in the profession she has decided to fit herself for.

For discovering an inefficient fan belt on a "Gates Mystery" car, J. S. Booser, of the Booser garage; Robert McClenahan, at the Miller Motor company garage, and Linn Breen, at the R. S. Hagan garage, each collected a \$5.00 check for their alertness. The Gates fan belt manufacturers are running cars purposely supplied with hard-worn, greasy, or badly damaged fan belts. Garagesmen who handle their wares and smart enough to point out to the driver of a "Gates Mystery" car that his car needs new belt, are awarded checks of the size named.

Men and women, now between thirty-five and forty years old, who began their school career about thirty-two years ago in the borough schools, will regret to learn that one of their teachers, Mrs. Edwin Ziegler, died on Sunday at Mt. Alto, where her husband was long connected with a school of forestry. Her pupils will recall her better by her maiden name—Rebecca Moyer—who at that time lived with her parents at Rebersburg. She is also most kindly remembered by many about here who were past school age at the time referred to above.

Another new employe added to the hospital staff is Miss Hilda Lonberger, daughter of Mr. and Mrs. Harry Lonberger, of State College, who has been made operating room supervisor, which position was most efficiently filled by Miss A. Because of weather conditions the tables had to be placed on the porch instead of the lawn. They were beautifully decorated with American Beauty rose buds and Snap-dragons, and loaded with food to satisfy the appetite.

LOCALS END FIRST HALF TIED FOR SIXTH POSITION

[By Hugh Morrow, Jr.]

Defeating Boalsburg 7-5 on the 4th, Centre Hall brought to a close its schedule for the first half of the season, with a record of eight wins and ten defeats tying with Lamar for 6th position in the league standings.

On Thursday, June 28, Jamison held State College to one hit, shutting out the college towners 6 to 0. Centre Hall scored once in the opening stanza, with Crawford's single, followed by Knarr's three-bagger, accounting for the score. In the fourth, Ralph Martz reached first on an error, Rimmey and Goodhart each singled, and Crawford smashed out a home run, bringing in four more counters. Singles by Goodhart and Bringer in the sixth accounted for two more runs for the local team.

Centre Hall showed a complete reversal of form against their jinx rivals, Millheim, as they met the East Penna Valley team on the Millheim diamond June 30. A Centre Hall victory would have ended Millheim's chances for the championship of the first half, but Amuller held Centre Hall to two hits, while his mates totaled eight, to down the locals, 6 runs to 2.

Paul Martz proved himself the hero of the Independence Day game, when he took the mound after Boalsburg had found Jamison's delivery for four runs. He held the Boalsburgers to two hits and one run, while through the efforts of his teammates, seven runs were put across, to win 7 to 5.

Koch hit a four-ply blow in the second inning, and Lomberger followed with a double, to send Jamison to the showers. Centre Hall was held scoreless until the fifth frame, when Rimmey's triple started a hitting spree that totaled four runs, and forced Kline, Boalsburg's starting pitcher, to retire in favor of Fisher. The locals scored twice again in the 7th, and once in the 8th, Centre Hall had eight hits and three errors; Boalsburg had seven safeties and six misplays.

LOCALS OPEN SECOND HALF WITH WIN OVER REBERSBURG

With Fetterolf and Knarr leading an eleven-hit barrage, and Paul Martz keeping the opposition's eight hits well scattered, Centre Hall opened the second half of the season with a 4-2 victory over Rebersburg.

The locals put over the winning runs in the tenth inning, the extra inning being necessary as a result of a 2-2 tie established when Rebersburg scored their second run in the eighth.

Rebersburg was the first team to score, when Stover walked in the second inning, was sacrificed to second, stole third, and reached the plate on R. Brungard's single. Centre Hall was held scoreless until the sixth, when Jamison started a two-run rally with a single, Crawford sacrificed, the Martz brothers each singled, and Fetterolf followed suit, to give the locals a one-run edge on the bats from lower Brush Valley.

In the eighth, errors by Crawford and Ralph Marz gave the losing team another run, to deadlock the count, making the extra inning necessary.

Johnny Rager, Rebersburg's ace southpaw, offered them up until the seventh frame, when the effort of striking out Goodhart and Jamison apparently was too much for him, for he retired with a sore arm. Weaver took his place, and ultimately lost the game in the tenth frame, when the locals' bats flayed his offerings with disconcerting frequency.

Centre Hall outthrew their opponents, eleven to eight, all of the blows in the game being of the one-base variety. Martz fanned six opposing batsmen and allowed but one walk. Rager's delivery fooled six Centre Hall batsmen sufficiently to make them swing for the third strike, and two more locals fell victim to Weaver's right-hand delivery. Weaver walked one, and hit Rimmey with a bad pitch.

WHERE THEY PLAY.

Thursday (Twilight)
Centre Hall at Lamar; Millheim at Pleasant Gap; Boalsburg at Rebersburg; Howard at Kato.

Saturday's Games.
Pleasant Gap at Centre Hall; Kato at Boalsburg; Rebersburg at Bellefonte; Howard at Lamar; State College at Millheim.

FINAL GAME FOR 1ST HALF CHAMPIONSHIP NEXT TUES.

Millheim and Rebersburg meet next Tuesday evening at 4:30 on the Hecla Park diamond in the final playoff game for the championship of the first half.

East Tuesday, the teams played to a 4-4 deadlock in 12 hectic innings before darkness ended the game, which was to have been the final in the championship series.

Defeating Rebersburg 6 to 5 on the Fourth, Millheim tied their opponents for first place in the league, making the playoff series necessary.

Rebersburg opened the series with a 7 to 3 victory last Thursday, but Millheim came back the following day to win 12 to 2. Tuesday's game ending in a tie, it will be necessary for yet another game to be played to decide the issue.

Talk about alphabet soup! The worst smell comes from GOP. It's an old stink, but we just can't get used to it.
