FESTIVAL AT SPRING MILLS.

The class of 1935 of Gregg Twp. Vocational School will hold a festival on the school grounds by the gymnasium on Saturday, July 21, in the evening. Committees have made arrangements to operate a bingo stand at which merchandise will be offered as prizes. Fruit will be given as prizes at the paddle wheel, and a new booth will be a fishing pond where the kiddies may try their luck for real prizes. There will also be a base ball throwing stand. Music will be furnished by the Spring Mills band. The usual seasonal refreshments will be sold. The class appreciates the large number of cakes given by various individuals in the community and hope that the general patronage of the public will be received. The entertainment, music, and eats should make an enjoyable evening for all.

A Record-Breaking Demand Has Sent Chevrolet Production to Its Highest Total in Four Years.

Since January first Chevrolet has produced more than half a million cars and trucks. This tremendous total has broken all Chevrolet records for the last four years, and here is the reason for it alone: No other manufacturer has so much to offer as Chevrolet. Chevrolet is the only low-priced car with patented Knee-Action, and only patented Knee-Action gives you shock-proof steering combined with the new jolt-proof gliding ride. Chevrolet alone in its field provides Fisher bodies, cable-controlled brakes, YK frame, and a dozen and one other important features. Do you wonder that the trend is to Chevrolet?
