## HAROLD MAYES, OF HOWARD, CRUSHED AS TRUCK UPSETS

Harold Mayes, aged 33, well-known Howard young man and a son of Mr. and Mrs. J. Will Mayes of that place, was instantly killed Friday afternoon at 1:40 p. m., when a tire and rim slipped off the rear right wheel of the truck which he was driving, causing the truck to upset on the highway and pin him under it.

The accident occurred near Watersville about 10 miles from Jersey Shore on the road to Williamsport. Mayes, who was hauling a monument in the truck, was making a sharp left turn when the rim and tire came off the right wheel. The truck turned completely over and pinned Harold and companion, Ray Kunes, in the cab.

The cab of the truck was crushed and Harold was instantly killed. His companion was removed from the wreckage and rushed to the Jersey Shore hospital where it was said his injuries were not serious.

The dead young man was born in Howard, March 30, 1901, and had spent his entire life in that vicinity. He was married about four or five years ago to Miss Georgienne Munn, whose home is in the eastern part of the State, and had been helping his father in the monument and marble business. He was a nephew of L. Frank Mayes, Lemont.

Funeral services were held at the home on Monday afternoon at 2:30 o'clock, with interment in the cemetery at Howard.

## GUFFEY WILL REMAIN DEM. CANDIDATE FOR U. S. SENATOR

Joseph F. Guffey, Democratic nominee for United States Senator, says he will remain in the race against Senator David A. Reed, Republican nominee for the latter's seat at Washington.

Both Guffey and David Lawrence, Democratic State chairman, denied reports that Guffey may withdraw to make way for Governor Pinchot on a proposed Pinchot-Democratic ticket against the Republican nominees.

"No such thing has ever been suggested," Guffey said, while Lawrence, addressing a banquet of 1,000 young Schuylkill Democrats at Lakewood, said "Guffey was nominated by all groups of the Democratic party. Leaders would not dare set aside the choice of the voters," he declared, adding:

"There are positively no grounds for such a report."

At Milford, the report of a Pinchot-for-Guffey substitution was called to the governor's attention. A spokesman said the governor had "no comment" to make.

Mrs. Emma Guffey Miller, sister of the nominee and Democratic national committeewoman, said at the Lakewood banquet that Attorney General Wm. A. Schnader, Republican nominee for governor, and Reed "are the private attorneys for Grundy and Mellon."

Guffey and George H. Earle, Democratic candidate for governor, were present.

## LETTER FROM CALIFORNIA.

1213 Kay St., Compton, Calif., Smith & Bailey, Centre Hall, Pa.

"Dear Friends: Enclosed please find \$1.50 in money order to pay for another year's subscription to your paper, which we receive every week.

"We are getting along fine - even though the depression is not over.

"Have you folks heard as yet of the Utopian Society in Penna? It is about 300,000 strong here and the lectures are quite interesting; had a lecture in Hollywood Bowl on June 24th (in the evening) and there were about 65,000 present.

Everyone is expecting it to be the last resort of a complete recovery of conditions in these United States. Hope it is a reality. Business is gradually picking up here, but not to any great extent.

Sincerely yours,  
"MRS. O. F. FUNK"

George H. Earle, Democratic candidate for Governor of Pennsylvania, in an address in Lebanon, said that "veterans of industry and agriculture should be taken care of, just as the veterans of war are cared for by pensions." He urged reduction in taxes on real estate, said Republican leadership shows lack of consideration for the man who works on farm and in factory, and promised to "go Governor Pinchot one better" in road building.

## NINE COWS KILLED BY LIGHTNING ON FISHER FARM

Nine cows, owned jointly by F. M. Fisher and Lewis E. Bechtol, were killed by lightning early Wednesday morning while under a tree in a meadow where they were pasturing. Six other cows in the meadow at the same time escaped. The animals killed were all high class Holsteins, five of them registered. They were insured in the Sugar Valley Company.

The value of the animals killed is estimated at \$1200.

The Fisher farm is located to the south of Penn Hall and has been tenanted by Mr. Bechtol for a number of years.

## FISHED IN CHESAPEAKE BAY.

The two fishing parties from about here who fished in Chesapeake Bay last week, had very fair success. One party of four in four hours fishing hooked two hundred. They were W. H. Hornan, Sidney Poorman, Clyde Jodon and Robert Hoy. They cast their lines from a boat in the bay off Bowers Beach, and make the claim further that they were immune from sea sickness.

Ralph Homan, Ernest Homan, John Rimmer, Roy Dutrow and Calvin Weaver comprised the second group of fishermen to go to the bay named above and fished off Eagle's Island. They also brought home with them about 200 fishes, but two of their number have charges against them—they fed the fishes.

## NATIONAL HONORS FOR C. C. COW TESTING ASSOC. NO. 1

Centre County Cow Testing Association No. 1, according to information just received from the Dairy Department at Washington by County Agent R. C. Blaney, has won national honors.

Centre county dairymen are credited with having the highest average milk production per cow of all the associations in the United States, consisting of from 10 to 20 herds. The association average for last year was 11,630 pounds of milk per cow. Ira Whitman, of Oak Hall, has been testing for this association for several years and reports an increase in average milk production of approximately 5000 lbs. per cow over the previous years he has been working with this organization.

Listed with organizations in this group an association in Nebraska stands second with 10,969 pounds per cow and one in Iowa, 10,651 pounds.

## THE LOCAL BASEBALL CLUB IS FINDING ITSELF GOING IN THE RED FINANCIALLY THIS SEASON.

Securing the aid of "outside" players this season is proving an expense which the gate receipts are failing to meet. The expense is warranted, for the local club may well feel there has been value received for the cost entailed in the services of the extra pitcher. The trouble is there are still some persons who think they should witness ball games for nothing. There is sufficient attendance at home games to meet all expenses, which are not beyond reason, if all will do a small part in contributing.

Funeral services were held on Thursday for the unidentified man who was found drowned in Bald Eagle Creek, the day previous, near Lock Haven.

## PASTORIUS PITCHES ONE-HIT GAME TO DOWN BELLEFONTE 1-0

[By HUGH MORROW, JR.]  
With "Lefty" Pastorius hurling a beautiful one-hit game, Centre Hall last Thursday played the kind of baseball that won the league championship in 1931, as they defeated Bellefonte 1-0 on the local diamond.

Paul Martz registered the only run of the game in the fourth inning, when he hammered a triple off Jack Montgomery, king of the mound, and then crossed the plate as Knarr fled out to left field.

Shorty Dale, lead-off man for the county-seters, annexed the only hit off Pastorius, as he found the left-hander's delivery for a single in the opening frame. From then on, Pastorius was unbeatable, as he fanned six and held his opponents hitless.

Anderson, big gun in the Bellefonte attack, was summarily silenced by the diminutive pitcher, fanning twice in two official times at bat. He reached first in the fourth when he was hit by a pitched ball.

Jack Montgomery went the route for the lowers, and pitched quite creditably, allowing but four safeties, including singles by Knarr, Frank, and (to everyone's surprise) Pastorius, as well as Martz's three-ply blow.

This game marked the first meet under the Rimmer regime, George having been elected to the management on July 16. Clarence Walker appeared for the first time in several weeks in the Centre Hall uniform, playing errorless ball in the back-stop position.

The locals threatened to score in the second, as Knarr reached second and Ernie Frank got as far as third, and again in the third, when Goodhart was walked and stole second, but Crawford fanned for the third out. Box score:

## LOCALS DOWN REBERSBURG TO TIE FOR FIRST PLACE

Defeating Rebersburg 5-1 last Saturday, Centre Hall worked its way into a tie for first place in the Centre County league. Centre Hall, Boalsburg, Bellefonte and Millheim are now deadlocked for the coveted top position, each of the four teams having taken four games, and dropped one.

Roy Jamison won out by a comfortable margin on Saturday in the battle of the southpaws. Johnny Rager was touched up for eleven hits by the locals, five of them coming in the sixth frame. Jamison allowed but six singles, keeping them well scattered, to hand Rebersburg their fifth straight setback in the second half.

With the score tied at 1-1 in the last half of the sixth, Goodhart started a hitting spree that netted the locals three runs and gave them an advantage in the game which was never challenged. Goodhart, Crawford, Bradford, Walker and R. Martz each annexed a single in the big inning, while Knarr walked. Clare Brumgard, Rebersburg shortstop, added the cause of the locals in the same inning when he had an error.

Centre Hall scored the first run of the game in the third, when Peteroff singled, stole second, went third on Rager's wild pitch, and came home as Brumgard grounded out to short-stop.

However, in the first half of the sixth, the losing outfit evened up the score as Manager Stanley Bierly and Paul Ziegler doubled successively. Tyson, who appeared last Saturday in the role of center fielder, rather than in his usual position behind the plate, threatened to score Ziegler in the same inning when he poked out a long fly to left field. Knarr had to go back almost to the fence to snag the drive.

The locals added another run to their winning total in their last time at bat, when Crawford opened the final half of the eighth with a triple, and crossed the plate when Rager made a wild pitch. In the same inning, Knarr threatened to score when he hit for two bases, but he was left stranded on third.

Jamison fanned six in the contest. (Continued on inside page.)

## BOY, 4, IS UNDER MAJOR SURGERY IN LANCASTER HOSPITAL

George, 4-year-old son of Mr. and Mrs. George Hosterman, of Milton, stricken ill while on a visit to his grandparents, Mr. and Mrs. George Deeg, in Columbia, underwent an appendicectomy operation in a Lancaster hospital Thursday of last week.

The case was one of the youngest ever submitted for the major surgery.

The boy's mother was Miss Charlotte Deeg. His father, a Scout official, at Milton, is a son of former District Attorney and Mrs. S. V. Hosterman, of Lancaster, formerly of Centre Hall.

## FIVE C. H. HIGH SCHOOL GRADS TO ENTER COLLEGES

Five graduates of the local High School have signified their intention of entering college this fall, by making application for admission. This will comprise the largest group of this kind that has been graduated from the local schools for some years.

Alice Foust expects to enter West Chester State Teachers College, where she will major in physical education. Alice was one of the most outstanding girl athletes ever to have been graduated from the Centre Hall High School. Jack Coldron will enter Penn State this fall after taking one year of post-graduate work in the local High School. He will be enrolled in the school of Education and will major in history and minor in the social studies. Sara Odenkirk, who is attending the Summer Session at Penn State, will continue her work in Music Education there this fall. Richard Ross and Mabel Burkholder will enroll in the schools of Chemistry and Home Economics respectively at Penn State. Richard Ross will be remembered as the valedictorian of his class this last year and Mabel Burkholder was one of the honor students.

## MRS. ROBERT E. LEE BURIED ALIVE; HARD TO BELIEVE

A clipping from one of the Philadelphia dailies of a number of years ago was brought to this office by Fred Luse, manager of the Wells grocery, which states definitely that Mrs. Robert E. Lee was buried alive.

Here is the question propounded by "B." at Nittany, and the answer: "B. Nittany—I have just read in a magazine that the mother of Robert E. Lee, the Confederate general, was pronounced dead and placed in a coffin for burial, and that she recovered and lived many years afterwards. Can you tell me if that is true?"

Ans.—It is a fact. Robert E. Lee's mother was subject to a sickness in which she fell into a trance at times impossible to distinguish from death. It was on occasions like this that she was placed in a coffin and about to be buried. During the funeral services pouring came from the inside. The lid was quickly torn off and she was found alive. She fully recovered and her son Robert was born later.

## CENTRE HALL PROPERTIES ALL CLEAR 1931-1932 TAXES

Approximately one thousand six hundred fifty properties in Centre county are advertised by the county treasurer, Emma B. Hunter, for sale for the non-payment of taxes covering assessments of 1931 and 1932. The sums range in amounts from a few dollars to \$2956.52. Sale begins Monday, August 6, 1:15 p. m., at the Court House.

Every borough, in the county, except Centre Hall, and every township in the county is represented in the delinquent list, and that speaks well for Centre Hall as a place fit to live in, where a very large per cent. of residents own the property in which they live.

## AUTO DITCHED WHEN TIRE BLOWS OUT ON B. E. ROAD

Two members of the famous Ted Lewis band figured in an auto wreck, last Thursday afternoon on the Bald Eagle road a mile west of Unionville, when a rear tire on the Cadillac roadster they were driving blew out. The men, accompanied by a young woman, were on their way to Wilkes-Barre to fill an engagement that evening. When the tire blew, the car was thrown into a three-foot ditch, the young woman being thrown forward against the windshield, which fortunately was of shatter-proof glass. The men were uninjured. A truck brought the car back on the road, and after changing tires the car proceeded on its way.

## VARIATION OF BASEBALL SEEN AS DONKEYS INVADE DIAMOND

[By Hugh Morrow, Jr.]  
While the old-timers lament the passing of the Golden Age of Baseball, ingenious Harrisburgers of the Modern Age have provided the Great American Sport with yet another variation,—that of "Donkey Baseball."

Instead of the conventional nine members to each team, there are sixteen, nine of them being regular ball players, while the remaining seven are jackasses of a different order.

Genuine live donkeys are used in this newest freak of baseball. Everyone except the pitcher and catcher are mounted on these "Rocky Mountain Canaries," and he who can remain on the undulating back of his donkey the longest is adjudged the most skillful base-runner.

Played at night under spotlights at Harrisburg, among other places, this newest sport is attracting considerable attention, because of its unquestionably high entertainment value. To see dignified office workers, who seem to be the chief exponents of the sport (at present) sliding off their frazzled beards, and trying to bribe them with various succulent tidbits to run bases, seems to be the present high point of entertainment in and about the Capital.

There is an old saying among Westerners to the effect that, "You never see a dead donkey," but if the Harrisburgers keep up at their present pace, not only will the Westerners' epigram be proved false, but there will also be dead donkey-baseball players as well.

## TOWN AND COUNTY NEWS.

A consignment of half-grown ring-neck pheasants were shipped into Centre county recently by the State Game Commission. The Spring Mills Fish and Game Association made a wide distribution of the few allotted them. The birds appeared to be in fine condition.

W. A. Odenkirk is making repairs for a second apartment over the Johnson store, which will be occupied by Austin Clapper and family, formerly of Williamsburg. The head of the family is employed at the White Rock Quarries, Pleasant Gap.

The 1934 visitation of the seventeen-year locusts in the western third of the State did but little damage. They appeared principally in wooded areas. In 1926 Brood X is due, one of the largest of the known broods, and is expected to cover the Eastern half of the State.

Messrs. D. W. Bradford, H. H. Keller, George Rimmer, and Albert Emery, on Saturday morning autoed to Camden, N. J., where for the day they were guests of Mr. and Mrs. Clay W. Reesman. One of the attractions was a dog race; another, baseball. The party returned home Sunday night.

The members of the "Burns Run" hunting club completed the skeleton of the camp in the Alleghenies being erected by them on State lands along Burns Run, from which the club derives its name. The structure will be used with native stone, abundant nearby the camp. Camps, lodges, etc., now erected on State lands, are hedged about with specifications, which in the future will eliminate shacks. Wooden structures must be sided and painted, and there is also a minimum in size designated.

The date of the parish picnic of Pleasant Gap Methodists is August 11, at Grange Park, rain or shine, as buildings are available in case of rain. It is announced that parish business will be transacted viz: election of a delegate to the annual conference next spring. It will be a table picnic and entertainment is being provided for old and young by a committee appointed for that purpose from the entire parish. It is understood the Pleasant Gap Lutheran Sunday school will join the Methodists in this outing.

Protests are being expressed in opposition to the spending spree of the borough council. Of course, it is admitted that the things being done are improvements in their way, but it is argued that many of them would not be missed had they not been made. There are methods of accomplishing improvements economically, which together necessary investments. Extra taxes, when they come due will be resented. Reference here is not made to the improvement on Hofer street, which proposition was of a character and on conditions that no borough awake to its interests could have ignored.

The John L. Zerby family, east of Centre Hall, on Sunday, had a family reunion at the home of Mr. and Mrs. R. S. Hagan in Centre Hall.
