DEMOCRATIC STATE TICKET. United States Senator JOSEPH F. GUFFEY, Allegheny County. Governor GEORGE H. EARLE, Montgomery County. Lieutenant Governor THOMAS KENNEDY, Luzerne County. Secretary of Internal Affairs THOMAS A. LOGUE, Philadelphia County. Judge of the Superior Court CHESTER R. RHODES, Monroe County. Representative in Congress DON GINGERY, Clearfield County. Senator in General Assembly EDW. JACKSON THOMPSON, Centre County. Representative in General Assembly JOHN W. DECKER, Gregg Township.

'ROOSEVELT GIVING BACK TAX-PAYERS OWN MONEY'-EARLE "Lacking the courage to ask the people to vote for a return of the honest days of Harding and the Teapot Dome scandal and the happy days of Hoover, the Tory Republican leadership is raising the cry that the President is heading the country for bankruptcy," said George H. Earle, Democratic candidate for Governor, in a speech at Bradford. Continuing, he said: "They are making as their campaign slogan the trick phrase, 'You can't spend your way to prosperity.' That campaign slogan will prove just as futile as it is untrue. True it is that President Roosevelt is expending tremendous sums to keep our 8,000,000 unemployed and their families from destitution and starvation, but he is only giving back to the taxpayers their own money, and that's something that has never been done under Republican rule. There wasn't any cry against spending when the Morgans and Wall Street came begging to the Federal Government for funds to save them from their own ruinous policies. But today, when President Roosevelt is using taxpayers' money to give food and shelter to the nation's unemployed, who are the innocent victims of the depression brought on by Wall Street, the cry of too much spending is raised."

M. Harvey Taylor, Republican nominee for Secretary of Internal Affairs, and Republican State Chairman, is a pool room product, having operated one in Harrisburg for years, says the Huntingdon Monitor editorially. Mr. Taylor being an apt scholar in the political sense, joined the Republican forces in office hunting, and got there with both feet. His pleasing personality and suave manner in doing political work, placed Mr. Taylor in the high ranks of his party, and he became the political boss of Dauphin county and a big link in the chain of the State Republican organization.

While many are boasting of how many Granger picnics were attended by them, James Smith, of Pittsburgh, informs the writer that he had not been at the camp since the first year it was on the present site, about forty three years ago. During much of this time he has been located about Pittsburgh and was engaged with one of the many oil companies in various capacities, mostly in installing gas pumps. Mr. Smith is past seventy-five years old, but is as chipper as one much younger. He and Mrs. Smith are guests of L. L. Smith, in Bellefonte.

CATTLE AND SWINE EXHIBIT—GUERNSEY AND BLACK HOGS SUPPLANTING COMPETITORS The exhibit of cattle and hogs indicates an increased interest of farmers in the production of better stock and hogs. Guernsey cattle are gaining in popularity, judging from the number exhibited this year. Which is the best? The best is the one you like best. So with hogs Black hogs lead in pens exhibited, while the reverse was true only a few years ago. The best hog for you to grow is the hog you like best.

At the time these notes were written only a few owners of cattle could be discovered—discovered through the owner or one of his family being near the display. Chas. E. Crust, with eight head of Guernseys, Raymond Walker with a like number of the same breed; John H. Detwiler, with five and Hosterman and Son with twelve head, are local breeders of Guernseys discovered. Fred Slack, a Holstein breeder, located near here, was one of a number displaying that popular breed. DODDS COMING WITH HORSES. Robert Dodds will be in Centre Hall Thursday of next week with a carload of South Dakota horses. See ad. elsewhere in this issue.

Dr. Charles Fleck, of Altoona, is in quest of a location in which to practice his profession, and while a guest of his grand-aunt, Mrs. Laura Lee, looked over the field about Hebersburg, but came to no positive conclusion. Dr. Fleck is a graduate of a Washington, D. C., medical college and served his internship in a Germantown, Philadelphia, hospital. He is a son of Haden Fleck, and a grandson on the maternal side of the late James Herring, a native of Gregg township who spent most of his life in Altoona.

The young pines, Norway spruce, and larch on the right-of-way of the new concrete road to be built over Seven Mountains are being carefully dug up for replanting. Most of them are transported on trucks to be used in embellishing school grounds, State highway roadides or public institution grounds. These trees now varying from three to ten feet were planted by Forest Ranger W. F. McKinney and workmen. Those now being removed are on the west side of the present road in the vicinity of Sunset club house, and many of them are choice specimens of their kind.
