

ITEMS OF LOCAL INTEREST

Apple blossoms bloomed for the second time this year on a tree on the Wilkey Horner farm near Tusseyville.

Miss Eva Bailey, of Centre Hall, has been elected to teach in the public schools in Bush Addition, Bellefonte.

Mr. and Mrs. T. L. Moore on Sunday drove to Williamsport, and thence to Muncy, where they were entertained at supper by Rev and Mrs. C. F. Catherman.

Miss Hazel Smith, daughter of Mr. and Mrs. Charles B. Smith, is in State College taking care of a twenty-two months old child for Dr. and Mrs. Ernest H. Coleman, at 108 E. Nittany avenue. The family expect to spend much of the winter in Washington, D. C.

In giving the awards at the Grange Fair, last week, it was made to appear that Ellis Reareck, of Georges Valley, had only three "firsts" in milking shorthorn cattle. Mr. Reareck really had 10 "firsts" and 3 "champions." This correction is made in fairness to the exhibitor.

Miss Alma Andrews, daughter of Mr. and Mrs. Charles Andrews, of Earlstown, returned to the Jefferson hospital, Philadelphia, after having been at the parental home during her vacation. Miss Andrews graduated from the school for nurses at Jefferson in 1931, and at present holds the important position of supervisor in that institution. She is a graduate of Centre Hall High school and is one of a large number of faithful students who are now well located.

The large stable on the property owned and occupied by H. E. Fye, in Centre Hall, was razed the beginning of this week. The timbers, all well preserved, will be used in the construction of a straw shed on the farm owned by Mark Williams, close to the Griffith, turn this side of Bellefonte. The stable was built forty-nine years ago by the late D. C. Keller, then engaged in the shipping of milk, cows to the eastern market, and took the place of a stable burned during 1885.

A reflecting road sign is badly needed at the approach of the intersection of the Old Fort-Bossburg road with Route No. 52. Not less than a dozen cars and trucks have dashed over the through highway into the Delaney barnyard, and in each instance the damage to the vehicle has been considerable and in some cases very heavy, injury to drivers and passengers, fortunately, as a rule has been slight. The Highway Department has long been negligent in permitting this trap to exist.

While crossing the street from her home to that of a neighbor, Mrs. Caroline Rimmey, of Pleasant Gap, was struck by a car driven by Charles Harrison, of Bellefonte, an insurance agent. Mrs. Rimmey was taken to the Centre County hospital. Her injuries consisted of lacerations, an injured ankle and shock. She is the widow of David Rimmey, seventy-four years old, with impaired hearing. She is said to have partly crossed the street and then turned back into the path of the auto, which was being driven at a moderate speed.

Contractor W. N. Quigley has arranged with Sunset club members to cut away a large portion of the hill south of the Decker valley road and use it for filling in the construction of the roadbed for the new concrete road being built parallel with Sunset club house. The hill will be cut back as far as the old school lot to obtain the 5400 cubic yards of ground required. The Washington Memorial Monument erected on the hill side by the State Forestry Department, will not be disturbed. The hill will be cut down to the level of the road bed, graded and rolled and will be used for parking purposes.

Grange Park again presents an apparent normal condition, all tents and temporary structures having been removed and much of the rubbish gathered together and burned. A suggestion was made to the writer by a prominent member of Pomona Grange, that the park committee should stipulate in their lease of ground to gutters of all kinds that each night waste and other litter be cleaned up about their place of business; or, if this was not met with favor, the committee should have a man do the work each night. Such a daily cleaning up would add much to the general appearance of the park during the latter days of the Encampment.

Charles Tabel and family are new residents of town, having moved to one of the B. Gardner Grove apartments, from near Tusseyville, to which place they came from Bellefonte. Mr. Tabel is employed by the State Highway department and is superintending the work of embellishing the new concrete road between Potters Mills and State College, which work at this time is being actively carried toward completion. During the summer just closed and during the year previous large numbers of trees—both shade and ornamental—shrubbery and vines, were planted along the roadway. In many places trees were grouped and at others they were set parallel with the roadbed. Through cuts hundreds of vines and shrubbery were used to hide earthen walls, one of the objects here being to prevent slides and erosion. During the drought periods of the two summers covering the plantings, the trees, shrubbery and vines, were carefully nursed, which included watering, the result of this being that an unusually large percentage of the plants not only survived the drought but made a fair showing in growth. The growth has been much stimulated since the abundance of rain which began falling regularly about the middle of July.

GAP TROUNCES LOCALS 6-2 HERE FOR 1ST SERIES WIN

Pleasant Gap drew first blood in the race for the championship of the second half of the season, as "Tarzan" Benford's men handed the locals a 6-2 lacing last Friday in a playoff of Thursday's 3-3 stalemate.

Harold Whitehill's southpaw slants, coupled with errors by the locals, easily gave the Gap a winning margin, as the boys from across the mountain ran wild in the third and fourth frames, while Centre Hall was able to pile up but three hits in the entire game.

Every batter on the Pleasant Gap team annexed one hit, with the exception of Chan Houser, who scored the Gap's first run after reaching first on an error.

Jumping into a one-run lead in the opening frame, the Gap was behind in the tilt but once, when Centre Hall annexed a pair of counters in the second to assume a short-lived supremacy, for the Gap scored three times in the third frame, and twice in the fourth, while Centre Hall was able to get but one man in scoring position after the third. At the end of the 8th inning, the game was called on account of darkness.

Jack Welsh went the route for the locals, and allowed eight hits and fanned ten. Every one of Centre Hall's three errors came at crucial moments, and figured in scoring plays, giving the Gap an undeservedly wide margin of victory.

Jack Bradford's error allowed Houser to get on in the opener, and after Chan had stolen second, Joe Herman crashed through with a hit to score him. Herman's hit, although good for three bases, is recorded as a single, since the Gap player neglected to touch second base while on his three-base dash.

Centre Hall did its only scoring in the second. Goodhart singled, and went to second as outfielder Sammy Noll fumbled his drive. Chuck advanced to third as Stover grounded out to first base and then Ernie Frank hit a grounder which was mishandled by Andy Zeleznick, Gap third baseman allowing Goodhart to score. Jack Welsh kept things moving by singling, advancing Frank to second, and then both runners advanced in scoring position as Whitehill unloosed a wild pitch. Whitehill then walked Crawford to lead the bases, and continued his passing by throwing the fourth ball to Ralph Martz, to walk in the locals' second and last run for the game.

Three singles, Ralph Martz's error, a walk accounted for three runs for Pleasant Gap in the third, summarily ending Centre Hall's lead, and a walk issued to Benford, followed by Sammy Noll's double and Wip Stover's error kept the Gap merry-go-round whirling merrily in the 4th, scoring numbers five and six for the visitors.

Score by innings:
Centre Hall— 020 000 00—2
Pleasant Gap— 103 200 00—6

LOCAL AND PERSONAL

Mrs. R. P. Campbell and daughter, Miss Jane Campbell, of Penna Cave, and Mrs. H. D. Meek, of State College visited with Mrs. Esther Gregory, in Altoona, during a part of last week.

The second child was born Monday night to Mr. and Mrs. Merrill Meyer, near Centre Hall station, and a son at the Centre County hospital, on Saturday to Mr. and Mrs. William Mills, in Potter township.

R. M. Smith and Bruce Knarr, of town, joined four or five others in State College and from there accompanied Jack Smith to Cleveland, Ohio, on Wednesday, and on returning will drive new Chrysler cars of various models.

Rev. S. F. Greenhoe is confined to bed since Monday, and Wednesday morning his condition was not at all favorable due to a heart condition. A fall in his home, in which he received a slight cut over the eye, was the first sign of the trouble.

Harry Rimmey, accompanied by his family, of Olean, N. Y., visited his old home surroundings about Pleasant Gap, and also came to see his brothers in Penna Valley over the week-end. He is a son of the late Charles Rimmey, and is employed by the P. R. R. in the capacity of fireman.

A Monument Erected— to the memory of a loved one is a substantial expression of your lasting affection. To select one that will be appropriate requires careful consideration—for it must last through all the years to come. Let us co-operate with you by submitting suggestions based upon our wide experience as memorial sculptors.

CENTRE HALL, PA.

After an illness of almost two years, during much of which time she was invalided and hopes of recovery shattered, Mrs. Phoebe Emerick, who attained her eightieth year last month, has made a most remarkable recovery and is now able to walk about in her room, dress herself, eat her meals without assistance, converse with the family and her nurse, Miss Ethel Durst, and read the newspapers. Her recovery is almost miraculous.

SPECIAL NOTICE

Britcher's Auction Sale!

The undersigned will expose to sale at his auction barn, 2 miles northeast of MIFFLINTOWN, on
WEDNESDAY, SEPT. 19
at 10 o'clock, A. M.—
Auction Every 2 Weeks on Wednesday

Tex Rickard will be here with a
Carload Horses & Mules

TO HOLDERS OF Second-Called Fourth Liberty Loan Bonds

OPTIONAL EXCHANGE OFFER.

Public notice was given on April 13, 1934, that all outstanding Fourth Liberty Loan Bonds (Fourth 4 1/4's) bearing serial numbers ending with the digit 2 or 8 are called for redemption on October 15, 1934, on which date interest on such called bonds will cease.

For a LIMITED PERIOD, beginning Sept. 10, 1934, holders of such 4 1/4's called for redemption on October 15, 1934, are offered the privilege of exchanging all or any part of their called bonds for other interest-bearing obligations of the United States.

Full information concerning the optional exchange offer, or partial redemption of Fourth 4 1/4's on October 15, 1934, can be obtained at—

The First National Bank
SPRING MILLS, PA.

All transactions cheerfully handled.
