MANY ANSWERS GIVEN IN LIGHTING CONTEST

Winner of First Weekly Prize Announced to-day.

That the lighting contest, which is being staged by Centre county furniture stores, department stores, and other merchants who sell lamps, drew an unusually large number of replies was the statement made by one of the store managers this morning.

"We are not surprised at the number of answers that were turned in," he said. "Knowing that people everywhere are interested in lighting and eye protection, we had an idea that there would be keen interest in the new Science of Seeing. The nature of the answers indicated that the contestants thoroughly understood the subject after having read the bulletin, 'Protection for Your Priceless Possession.'"

Cecil Walker, one of the judges, said, "We had a most difficult time in determining the winner. Such a great number of entrants answered the nine questions on lighting correctly that the result hinged largely on the essay. This had to be written in not more than fifty words. It was finally decided that the entry submitted by Mrs. M. T. Zubler of Spring Mills, came nearest to the ideal. She was declared the winner."

As a reward for her efforts, Mrs. Zubler receives one of the new table lamps, approved by the Illuminating Engineering Society. It was designed to relieve and minimize eye strain and fatigue.

Another of the four weekly contests is now on. Contest blanks and the information bulletins are obtainable at all local stores that are displaying the "Better Light—Better Sight" posters.

When everyone in a candidate's own community has a good word for him, he ought to be acceptable to others who have a less intimate acquaintance. Apply this measure to John W. Decker, of Gregg township, candidate for the general assembly, if you please.

Deaths

MRS. HARRIET ROWE COMES TO TRAGIC END AT HOME

A most tragic death occurred Monday morning when Mrs. Harriet Catherine Rowe widow of J. Samuel Rowe, passed out of this life. With no visible evidence at the time of being melancholy or suffering from other disturbances, she ended her life in a loft over a one-story kitchen at her home in the northern section of town. She and her daughter, Miss Verna, a telephone exchange operator, comprised the family since the death of Mr. Rowe. Monday morning Miss Rowe was a bit tardy in arising, and upon doing so failed to find her mother, who had come down stairs an hour or more previous, in the house. She then went to the stable, but was disappointed there. Later the loft was looked into where the dead body of the mother was found.

Mrs. Rowe was the daughter of Levi and Isabel (Stump) Stump, and was born in Potter township, April 25, 1866, making her age 68 years, 5 months and 13 days. She and her husband located in Centre Hall shortly after their marriage in 1885. There survive her four children: Bruce, of Bloomfield, N. J.; Mrs. Isabel Bradford, Miss Verna, and Mrs. Ethel Booser, all of Centre Hall. Also, a brother, William Stump, Mifflinburg, and a sister, Mrs. Perle Fishburn, Millheim.

Funeral services were held Wednesday afternoon, with burial in the local cemetery. Rev. D. R. Keener, pastor of the Reformed church, to which the deceased adhered during her adult life, officiated.

Mrs. Rowe was held in high esteem by her acquaintances. She was modest and unassuming and gave her home and family first attention.

KEEN.—Mrs. Emma Joanna Keen, widow of Alfred Keen, passed away Tuesday of last week at her home south of Millheim. The victim of a paralytic stroke about three years ago, she was however able to move about. She was a daughter of George and Susan Zerby Wert, was born in Millheim, and was aged 73 years, 10 mos. and 29 days. Her husband, Alfred Keen, preceded her in death a number of years ago. Funeral services were held Friday, with interment in Millheim.

The surviving children are Mrs. Carrie Allen, of Kent, Ill.; Mrs. Frank McCrina, of Williamsport; Mrs. C. C. Bryan, of Bellefonte; Mrs. Roy Schaeffer, of Centre Hall; Mrs. Sumner Vondra, of Spring Mills; Mrs. Frank Walker, Mrs. William Beahm and Homer Keen, of Aaronsburg; Harry Keen, of Millheim, and Mrs. Ollie Weiser and George Keen, at home. One sister, Mrs. Mary Treaster, of Coburn, also survives.

NEFF.—Mrs. Bertha Confer Neff, wife of Lott H. Neff, Howard undertaker, passed away at the family home Wednesday morning of last week following an illness that had its genesis several years prior. A year ago she underwent an operation, but last May became ill again, her condition since having been critical a number of times.

Mrs. Neff was a daughter of the late Michael and Rebecca (Mann) Confer and was born near Howard. She was aged 69 years, 4 months and 25 days. As indicated above, the husband survives, as do also these children: Mrs. Eva Barr, of Pleasant Gap; Gilbert Neff, Millheim undertaker; Willard Neff and Mrs. Eva Fletcher, both of Howard. Also surviving are a brother, Edward Confer, of Montana, and a sister, Mrs. Minnie Thompson, of Howard.

Mrs. Neff was a lifelong member of the Methodist Episcopal church at Howard and her pastor, the Rev. Arthur Price, assisted by Rev. M. S. Q. Melott, officiated at the funeral services held from the home Saturday afternoon. Burial was made in Schenck's cemetery, Howard.

HELTMAN.—Mrs. Lydia Heltnan, aged 73 years, wife of G. C. Heltnan, of Tylersville, Clinton county, died at her home Thursday evening after a lingering illness of diabetes. Mrs. Heltnan had resided in Sugar Valley for 29 years and was a member of the Evangelical church at Tylersville. Beside her husband she is survived by two sons and two daughters: Boyd M. Heltnan, of Bellevue, Ohio; C. A. Heltnan, of Loganton, R. D.; Mrs. W. B. Heckman, of Hublersburg and Mrs. L. M. Greninger, of Tylersville. Two brothers and a sister surviving are: Daniel Glantz, of Greenburg; Joseph Glantz, of Sinnemahoning, and Mrs. H. C. Noll, of Ashland.

Funeral services were held on Sunday with burial in Cedar Hill cemetery.

BOOP.—Mrs. Beulah Boop died at her home at Millmont, Union county, where she had lived for twelve years, on Saturday, from complications. Interment was made at Centre Hall on Tuesday.

Deceased was the daughter of Henry and Mary Zerby Garver, and was born in Potter township, west of Centre Hall, November 14, 1856, making her age 78 years, 10 months and 25 days.

The deceased was twice married, her second husband having been Frank Boop.

A brother, John Garver, on the homestead west of Centre Hall, survives the deceased.

RIMMEY.—After an illness possibly indirectly due to injuries received some time ago when she was struck by an automobile on the highway op-

posite her home in Pleasant Gap, Mrs. Caroline Stacia Rimney died from heart trouble on Sunday morning.

Funeral services were held Tuesday morning, with burial at Pleasant Gap. Rev. W. J. Wagner, pastor of the Lutheran church, of which denomination she was long a member, was the officiating minister. The deceased was the daughter of Daniel and Eliza Emerick Frazer, and was born August 29, 1860, making her age 74 years, 1 month and 1 day. She was the widow of David Rimney, but is survived by three children, namely, Earl Rimney, of Pleasant Gap; Anna, wife of Fred Roush, now living at home; and Miss Bertha Rimney, R. N. also at home.

HEAD OF SUSQUEHANNA UNIV. WILL PREACH IN LUTH. CHURCH

Dr. G. Morris Smith, president of Susquehanna University, Selinsgrove, has been engaged to fill the pulpit in the local Lutheran church, Sunday morning at 10:30. Dr. Smith is an outstanding figure in the Lutheran church.

POTTER, GREGG AND BORO COMMITTEEMEN MEET, DINE

The committeemen in Potter and Gregg townships and Centre Hall borough, on Tuesday evening, dined at the Mitterling Cafe with Democratic County Chairman S. Claude Herr, former Judge Ellis L. Orvis, County Chairman "Earle for Governor," and Mrs. Ebon Bower, one of the two ladies on the county executive committee. The local committeemen, made up of both ladies and gentlemen, numbered about twenty-five, the total number about the board being twenty-nine. After the dinner all re-assembled in the Odd Fellows hall, where methods to be followed by the committeemen prior to the election were gone over. Chairman Herr outlined the work. Judge Orvis spoke of the conditions political throughout the county and world. John W. Decker, candidate for Generally Assembly, spoke on the political situation in the county, and pledged himself, if elected, to work and vote in the interest of the taxpayer.

Mrs. Bower called attention to the importance of the women to properly take their place in politics. G. H. McCormick, Ralph Shook and former Sheriff Lee gave words of counsel and encouragement.

On Friday night committeemen in Millheim borough, Penn, Haines and Miles townships, will assemble in Millheim.

LOCAL AND PERSONAL

Mr. and Mrs. G. O. Benner today (Thursday) will leave for Pittsburgh for a stay of ten days with friends.

Mrs. Louisa Wright, aged 78 years, and Mrs. Sallie Gardner Kipall, aged 76, are two aged ladies who died in State College on Saturday morning.

The Order of the Eastern Star held their October meeting on last Monday evening in the local I. O. O. F. hall. A reception was tendered to two of the grand officers and a large delegation was present from Williamsport, Bellefonte, Fleetwood, and Allentown.

Samuel H. Gingerich, Mr. and Mrs. John Rudy, Mrs. Wesley Treasler, of Centre Hall, motored to Youngstown, Akron and other points in Ohio, leaving Friday and returning Monday. At the former place John Galbraith was visited, and at the latter place, John Leipert, both families relatives of Mr. Gingerich.

The five young men, namely, Samuel Bitner, David Noll, William Weaver, Lawrence Hartley and Robert Bradford, who attended a four weeks' session of schooling in sex determination of chicks at Ethel, Missouri, for the Kerlin Poultry Farm in this place, returned home Sunday by train. Saturday was spent at Chicago, viewing the wonders at the World's Fair.

Miss Isabel Bradford, in training for nursing at the Geisinger hospital, Danville, on Saturday, took advantage of a half-holiday vacation and came home to see her parents, returning to the hospital in the evening. She was brought as far as Millheim by Mr. Daye, of Rebersburg, whose daughter Miss Mary Daye is also a first-year student in the school for nurses. Miss Sarah Malone, Coburn; Miss Boom, of Nittan, Valley, and Miss Grace Hubler, of Boalsburg, are also students more advanced than the others named at the Geisinger.

EDWARD ("JACK") THOMPSON.

Mr. Thompson is the Democratic candidate for State senator in the Centre-Clearfield district. He is one of the young, aggressive members of the Democratic Party, a New Deal champion, and a vote for him November 6 will assure the kind of State government which will benefit the common people—not the big interests.

LOCAL BOY REACHES HAWAII ON WAY TO PHILIPPINES

The following interesting letter is from Burton Snyder, Centre Hall High school graduate, class of 1933, to his parents, Mr. and Mrs. Floyd E. Snyder. The lad is in the U. S. Army and by this time has reached his destination—the Philippine Islands—where he will see service in the coast artillery. The letter follows:

U. S. Steamship Grant, Army Transport Service, Sept. 17, 1934.

Dear folks at home: At two o'clock today we pull into Honolulu, Hawaii. I might go ashore to see what it is all about. I am anxious to reach my post and get started on some real soldiering. I like this boat a lot better than the Republic, as it has more accommodations. We have shows every night and they are good. The ship's paper, which is called "The Whispering Wane" keeps us posted on the news in the States. I will send you a radiogram as soon as we leave here. I like the tropics quite a lot—only, it's a little warm.

I have a special duty job on this ship playing the banjo in the ship's orchestra which is composed of piano, saxophone, trumpet, drums, guitar and banjo.

I have heard a lot about the Philippine Islands from the older soldiers, and they say I will like it there. I was sure tired of the recruit post, especially being moved around so often to make room for more men coming in. The last couple days were a night-mare as every time I would turn around a whistle would blow and a N. C. O. yells "Fall out for inspection!" Well that is all over now, but the hardest part was leaving my two best chums behind as they will not sail until December. They were Washburn of New York and Zattalle, of Massachusetts. "We were called the "Three Musketeers."

Bill Spyster and I are still together and Washburn and Zattalle threw a party for us the night before we sailed and Oh, boy! what a time we had. This took place in "Frisco."

There is nothing more to write about now, so you can look for another letter from the Gaum Islands in about ten days after you receive this.

I am missing the Reporter a lot and hope that there will be a couple waiting for me at Manila.

Wishing you all good health and the best of luck.

BURTON SNYDER.

Harry L. Quick, of Milesburg, on driving to a gas station left his motor run on alighting from his car. The machine drifted and before it was gotten under control was hit by a car driven by T. W. Griffiths, of Altoona. Quick was injured slightly, and later was arrested for parking a car with the motor running.

Wm. Gruenwald Coming With Horses.

William Gruenwald, of South Dakota, announces he will sell a cartload of western horses and mules at Centre Hall, Monday, October 22nd. More definite announcement later.

Thanks to the Ford Motor Company and Ford dealers for the broadcast of the World Series baseball games, play by play. Reports have it that the broadcast cost Henry \$100,000—a day's profit, perhaps, in Ford's business.

Give your eyes enough light

Winter time is "indoor" time. You listen to the radio, you play indoor games, you read. Many people do more reading in the winter than during the rest of the year. It's fun to read. You can make it a healthful pastime, too. Reading is relaxing only when the eyes are not being strained. Reading is fatiguing when the light is inadequate. Give your eyes, and your family's eyes ENOUGH LIGHT this winter! Make certain that the seeing conditions in your home are safe. A remarkable device called the sight meter enables you to test the light in your home quickly. It measures light scientifically, accurately and records whether there is sufficient light for reading, needlework and other seeing tasks. Your eyes serve you every day of the year. Do not put an extra strain on them during the "indoor" months. Make sure that your home, also your office and factory, are safe for seeing. Arrange for a SIGHT METER TEST today. Check the light on the porch and in every room in the house. There is no charge for a Sight Meter test.
