Cakes That Win Compliments

WHAT an honest sense of achievement we have when our cake receives that sincere compliment—"another piece please!"

Such cakes have a delicate flavor and fragrance, with a fine, moist, tender texture which is described by judges of cake as "velvety crumb."

Each of these cakes is a "velvety crumb" cake if you will follow directions carefully:

Lady Baltimore Cake

- 3 cups sifted cake flour
- 3 teaspoons combination baking powder
- 1/2 teaspoon salt
- 1/2 cup butter or other shortening
- 1 1/2 cups sugar
- 1/2 cup milk
- 1/2 cup water
- 1 teaspoon vanilla
- 1/2 teaspoon almond extract
- 3 eggs whites, stiffly beaten

Sift flour once, measure, add baking powder and salt; sift together three times. Cream butter thoroughly, add sugar gradually, cream together until light and fluffy. Add flour, alternately with liquid, a small amount at a time. Beat after each addition until smooth. Add flavoring; fold in egg whites. Bake in two greased 9-inch layer pans in moderate oven (375°F.) 20 minutes. Spread Lady Baltimore Filling between layers and Lady Baltimore Frosting over cake. Double recipe to make three 10-inch layers.

Lady Baltimore Frosting and Filling

- 1 1/2 cups sugar
- 1/2 teaspoon light corn syrup
- 1/2 cup boiling water
- 2 egg whites, stiffly beaten
- 1 teaspoon vanilla

- 6 figs, chopped
- 1/2 cup raisins, chopped
- 1/2 cup pecan or walnut meats, chopped

Combine sugar, corn syrup, and water. Bring quickly to a boil, stirring only until sugar is dissolved. Boil rapidly, without stirring, until a small amount of syrup forms a soft ball in cold water, or spins a long thread when dropped from tip of spoon (240°F.). Pour syrup in fine stream over egg whites, beating constantly. Add vanilla. Continue beating with a rotary egg beater 10 to 15 minutes, or until frosting is cool and of right consistency to spread. Use wooden spoon when too stiff for beater. For filling, add enough frosting to fruit and nuts to make a filling that will spread easily. Spread between layers. Spread remaining frosting on top and sides of cake. Makes enough filling and frosting to spread between layers and top and sides of Lady Baltimore Cake.

Hungarian Cream Cake

- 2 cups sifted cake flour
- 2 teaspoons combination baking powder
- 1/2 teaspoon salt
- 1 cup sugar
- 2 eggs, well beaten
- 1 1/2 cups heavy cream
- 1 teaspoon vanilla

Sift flour once, measure, add baking powder and salt, and sift together three times. Add sugar gradually to eggs, and beat well. Add flour, alternately with cream, a small amount at a time. Beat after each addition until smooth. Add vanilla. Bake in a greased pan, 8x8x2 inches, in moderate oven (350°F.) 50 minutes. Spread with your favorite chocolate frosting.
