Notice

IN ACCORDANCE with the regulations of the Federal Reserve Board, by authority granted said Board by the U. S. Banking Act of 1933, the maximum amount of interest any bank may pay for time or savings deposits, after February 1st, 1935, is 2 1/2%. Since this rate is fixed by law, all banks are bound by the same Act and we are therefore advising all our depositors that after February 1st, 1935, the interest on all savings and time deposits will be calculated at the rate of 2 1/2% interest instead of the usual 3%.
