**DESIGN HAS ALL THE BEST POINTS OF HOUSE DRESS**

PATTERN 9083

Believe it or not, there's a four-point plan of convenience and flattery included in this neatly styled house dress. Let's add them up. First: the bodice may be worn with the contrasting rever, as shown in the larger sketch, or it may button all the way up to a smart point. Second: the sleeves boast little inverted pleats, jaunty to look at and very comfortable when working. Third: the slenderizing line sweeping down the middle front of the frock ends in another inverted pleat to give the slim skirt adequate fullness. And finally, the patch pockets with their important buttons are both useful and chic!

Pattern 9083 may be ordered only in sizes 34, 36, 38, 40, 42, 44 and 46. Size 36 requires 4 yards 36 inch fabric and 3/4 yard contrasting.

SEND FIFTEEN CENTS in coins or stamps (coins preferred) for this pattern. Be sure to write plainly your NAME, ADDRESS, the STYLE NUMBER and SIZE.

Complete, diagrammed sew chart included.

Send your order to Sewing Circle Pattern Department, 232 West Eighteenth Street, New York, N. Y.

**SMILES**

**OH! OH!**

Mother (from upstairs)—Please, Tommy, turn off the radio. That lady announcer with the rasping voice ought to be kept off the air!

Tommy—But, Mother, it's Mrs. Jones to see you.

**Pocket and Check**

"You have a wonderful library here and full of fine books. Your family must enjoy it in here," remarked the visitor.

"No," sighed the rich man, "the only kind of books that interest them are the kind I carry in my pocket."

**Hard Boiled?**

Bingo—In Russia children are brought up by the state.

Stingo—Well, it would take an act of congress to do anything with mine.

**Daring Young Man**

Aviator—Do you wanna fly?

Gushing Young Thing—Oh, I'd love it!

Aviator—I'll catch you one.
