**GREGG TOWNSHIP VOCATIONAL
SCHOOL NOTES.**

The G. T. V. S. baseball team hopes
to open the home season with a game
on Friday with Hubersburg high.
Weather conditions have been very
unfavorable for base ball, consequently
the team has had very little real prac-
tice before the season opened. Man-
ager Wallace Skiles and Coach Biting
report the following boys as trying
out for the team: Hebert Becken-
baugh, Adam Condo, Spurgeon Con-
do, Robert Corman, Richard Feitenber-
ger, Robert Henschen, Paul Homan,
Gerald Johnson, Allison Musser, My-
ron Musser, Alson Musser, Kenneth
Smith, Wallace Skiles, Russel Spayd,
Dean Ziegler, and Ellsworth Stover.
Tuesday games are scheduled for 2:30
and Friday games for 3:00 p. m.

Letter winners of the boys' and
girls' basketball squads elected dur-
ing the past week captains for the
two teams for the 1935-1936 season.
The captain of the girls' team is Mar-
garet Grenoble '36 and Wm. McCool
will captain the boys' five. Both have
been regular centers on their respec-
tive teams during the past three sea-
sons and will be seniors next year.

The Grange hall was filled to ca-
pacity for the annual senior play last
Friday night. The cast of characters
executed their parts in a very suc-
cessful manner. The large audience
thoroughly enjoyed the entertainment
which portrayed a play of different
type from any that had been played
heretofore.

All Gregg township schools will ob-
serve a one-day Easter vacation by
not having school on Good Friday,
April 19th.

Entrance examination to the Gregg
Twp. Vocational school will be given
in the grammar room at Spring Mills
at 9:00 a. m., April 19. All eighth
grade pupils who desire admittance,
to the school in the fall will take the
examination at that time.

The senior class of the Gregg Twp.
Vocational school is planning to go to
Washington on May 12, 14 and 15
with other Centre county high schools
who will go by bus.

Every Bite Tastes Better!

What a joy it is to have "vegetables
that make your mouth water." Old fashioned cooking methods
took the richness, the color and the
flavor out of vegetables, leaving
them unattractive to serve, unin-
spiring to the guest.

Electric cookery has brought us
convenient waterless cooking,
odorless cooking, and has simpli-
fied greatly the whole task of pre-
paring vegetables for the table. With
the electric cooker, cabbage itself
becomes an aristocratic dish.
