HOUSE FROCK ON TAILORED LINES

PATTERN 2089

Quite a "sweeping success," isn't it, this well-tailored house frock with its slenderizing lines and nicely detailed bodice? The skirt is fronted by a long slimming seam which breaks into a perky little kick pleat just below the knee; the bodice is gathered onto the yoke to provide ample fullness. And don't you like that vestee-like effect of the front yoke which does so much to break the width of the figure above the waistline? Buttons emphasize the trim belt, the pointed sleeve cuffs and the nice diagonal closing. Make it of any pretty cotton material, figured or plain, and you'll have a house frock to be proud of!

ON THE JOB Citizen—The legislature makes too many laws—useless laws. Legislator (eagerly making a memorandum)—I will put through a law against that, but of course, it will be quite useless.
