Perfection in Its Simplicity

PATTERN 2092

Every now and then some simple idea comes along and creates a furor—and every one wonders why it hadn't happened before! Like this perfectly grand house dress which has been designed. Its long coat lines make one appear slim as a rail while at work about the house, and it gives much freedom of movement. Its greatest feature, of course, is the fact you can slip it on and not be bothered by mussing your hair or twisting your neck—just a dive into it and it's on. It is attractive in colored cotton broadcloth, percale or pique print, substantial materials lending themselves well to its coat lines.

Pattern 2092 is available in sizes 16, 18, 20, 24, 26, 28, 30, 32, 34, 36, 38, 40, 42, 44 and 46. Size 36 takes 4 1/4 yards 36 inch fabric and 3/4 yard contrasting. Illustrated step-by-step sewing instructions included.

Send FIFTEEN CENTS (15c) in coins or stamps (coins preferred) for this pattern. Write plainly name, address, and style number. BE SURE TO STATE SIZE.

Address orders to Sewing Circle Pattern Department, 243 West Seventeenth Street, New York City.

Smiles

DIZZY

The inquisitive woman was worrying the gardener. She asked a lot of meaningless questions. "What steps do you take with caterpillars?" she asked. "Well, mum," said the exasperated gardener, "I takes half-a-dozen steps into our nearest field and turns the caterpillars round three times so that they gets giddy and don't know their way back."

Vain Regret

"What a change! The old lane replaced by a wide road, and there, Henry, just where we used to meet when courting, they've actually placed a traffic signal." "I wish that red light had been showing then, Maria!"

Important Question

She—When we are married, darling, two hearts will beat as one. He—Yes, but which one?
