

Spring Mills

A Collection of News Happenings and Personals from Gregg Township's Metropolis.

Scott Decker is improving his home by the installation of a bathroom outfit, a cesspool having previously been excavated.

Mrs. Paul Swabb and daughters, Mrs. Randall Meyer and Miss Isabel, motored to Lewistown on Saturday on a shopping and pleasure tour.

Mrs. Russell Condo visited with her sisters, Mrs. Wm. Rocky, Altoona, and Paul Vonada, Manns Choice, Bedford county. The ladies before marriage were the Misses Finkle, and were reared at Spring Mills.

Mr. and Mrs. Charles Auman and Mr. and Mrs. M. E. Dunlap attended a birthday party and dinner at the William Diehl home, Mifflinburg.

Mrs. Greninger, of State College, mother of Mrs. Stearl Beightol, is at the Beightol home at present and will remain for some time.

Mr. and Mrs. Elaine Bitner and the latter's father, Howard Weaver, on Wednesday of last week, attended a circus at Harrisburg, and also watched the dancers on a small platform atop a high pole.

The youngest daughter of Prof. and Mrs. C. M. Watts, Nancy, aged five years, is a member of the Junior class in the Barnes Dancing School, State College, being taught by Miss Ruth M. Barnes, of Altoona, and, of course, was one of the seventeen who gave a recital in the gymnasium in State College high school building, on Saturday evening. Miss Nancy gave a splendid account of herself. The program included tap routines, acrobatics, and toe ballet dancing. The child was accompanied to the recital by Mr. and Mrs. Watts and the Watts children.

Mr. and Mrs. Guy Corman, Mrs. Annie Smith, and Miss Josephine Stover, on Sunday motored to Philadelphia, where they visited John Isenberg, a hospital patient, and then went on to Clearfield where they were evening dinner guests of Mr. and Mrs. M. M. Overly.

The festival, postponed from Saturday to Wednesday of last week, held by the baseball club, was very well attended. The club is planning to hold a second festival some time later in the season, and hope for better weather conditions than they were favored with last week.

Your correspondent's attention was called to the fact that the supervisor of State highway workers in Gregg township did not materialize as predicted. That is true, but the writer is assured it will.

Somewhat extensive improvements to the Sheffield milk plant have been made or are under way. Among these is the installation of the latest improved Cherry-Burrell internal cooler system, now handling 45,000 pounds of milk in two hours every morning, which is about one-half its normal capacity.

The installation is being superintended by George Hatock, chief engineer of the Sheffield company, New York City. He is being assisted by the manager of the plant, Mr. MacMorran; Reuben Eisenhuth, Paul Hironimus, H. E. Fye, and probably others.

Mrs. Flegel, wife of Dr. W. M. Flegel, of Maywood, N. J., is at the home of her father, John A. Neese, for a ten-day period. She is accompanied by her twin children—William and Ruth. Before returning home Mrs. Flegel and her father will visit in Tionesta, with a sister and daughter, respectively.

Philip Long and J. B. Wright, of Uniontown, the former a furniture dealer, and the latter a retired business man, visited for a short time with the former's brother, C. P. Long. Mr. Long's son, John, Jr., is conducting a business similar to that of his father in Akron, Ohio, where a daughter, Miss Ada, is also employed. Another daughter, Mary, married, is a social worker, and at present is employed by the Government.

Guests at the H. F. Erdley home on Sunday were Mr. and Mrs. Geo. S. Romig, Miss Mabel M. Kuster, of Selinsgrove, and Mr. and Mrs. Robert Wilson, of Lewisburg.

Dr. George E. Thomas, of Spring Mills has been appointed resident physician at the Halfway CCC Camp, No. 67, in the Fourteen Mile Narrows, and has already entered upon his duties. He served with the United States Navy Medical Corps and at the League Island Hospital, having been granted the rank of Lieutenant before entering the private practice of medicine at Spring Mills.

Mr. and Mrs. Homer Fetterolf and two daughters, Barbara and Bernice, were visiting Mr. Fetterolf's sister, at Ventnor, N. J., last week. The sister is leaving for Corea, where she has been doing missionary work for a number of years.

The Union Sunday school at Beaver Dam is having its annual picnic and festival on Saturday, July 13.

Mrs. Henry Erdley, who has been in delicate health for some time, is at present quite a bit better.

Mrs. (Dr.) Thomas had been visiting friends in Sunbury for the past week.

Mrs. H. S. Meyer and sister, Mrs. D. S. Braucht, of Coalport, are at present visiting their mother, Mrs. Carrie Sinkabine, at Berryville, Va.

Potters Mills.

Mr. and Mrs. Stearl Frazier and Mr. and Mrs. Ellsworth Frazier returned to Akron on Wednesday.

FARM CALENDAR.

Timely Reminders from Pennsylvania State College School of Agriculture

CULTIVATE CAREFULLY—Deep cultivation close to the row of vegetables destroys many surface roots, and ridging against the row exposes the surface roots between the rows. Level culture and shallow cultivation does much good and no damage. One hoeing or cultivation each week is enough to control weeds and maintain a shallow mulch.

MAKE GOOD HAY—Stage of growth when the hay crop is harvested largely determines the protein content. This decreases as the plant approaches maturity. As the plant grows older the digestibility of the protein and other nutrients also becomes lower, thus still further reducing the feeding value.

FERTILIZE STRAWBERRIES—A large number of plants developed during the first growing season has a direct bearing on possible profitable yields the next season. Plenty of fertilizer will help to grow these desired plants.

STORE CLOTHING FOR SUMMER—All clothing to be stored for the summer should be cleaned. It should then be wrapped in several thicknesses of newspapers, placed in sealed bags or stored in airtight bags or chests with naphthalene flakes or paradichlorobenzene crystals. The crystals are not the name kills the moths.

IMPROVE RURAL LIFE—Extension workers are attempting to develop rural leadership, make farming more profitable, and create better rural living conditions.

Blow-out!

BUY THE TIRE WITH THE GOLDEN PLY AND STAY OFF THE ACCIDENT LIST

At the high speeds that are common on the highways these days, you motorists need real protection against dangerous blow-outs. Let us tell you what happens inside tires when you go 40, 50, 60 miles an hour. Terrible heat is generated... The rubber and fabric separate. A blister forms—grows bigger and bigger. Then BANG! A blow-out!—and a serious accident may result. But Goodrich Safety Silvertowns are protected from these blow-outs by the famous Life-Saver Golden Ply—the amazing invention that resists this internal heat, and prevents these blow-outs before they start.
