Mrs. Van Jodon and son Charles, of Bellefonte, and Miss Laura Belle McCormick of Potters Mills, left last Thursday morning on a motor trip to Buffalo, Niagara Falls and Canada. While in Buffalo they were the guests of Samuel Carnell who was a school mate of Charles Jodon.

Fire, during the latter part of last week damaged to a considerable extent the wash-house attached to the dwelling house on the Thomas Wise farm, west of Madisonburg. The dwelling house would undoubtedly have been destroyed but for the prompt appearance and efficient service of the Millheim volunteer fire company and its booster pump.

Striking a tree with much violence while at play, Homer Boone may have injured his spinal column very seriously. He is a son of Harry Boone, of Rebersburg, and was taken to the Lewistown hospital for treatment. The injury was inflicted Sunday evening, and it was not until Tuesday that professional attention was given the boy, as it was thought the injury was not of a character needing other than home remedies.

A motor trip to Niagara Falls, over the week-end, is in contemplation by Reuben Hickert and Miss Angeline Hess and Ralph Shively and Miss Pauline Burkholder, all of town, except Mr. Shively, who is a resident of Mifflinburg. The writer was assured by one of the couple that the trip meant nothing more than a sightseeing tour, but information given under some circumstances is not always as reliable as gospel.

Mr. and Mrs. Frank Buckwalter, and daughter Rosaline, of Philadelphia, motored to Centre Hall on Friday and until Sunday evening were guests at the Packer-Brooks home. On returning to Philadelphia they were accompanied by Miriam Brooks, eldest daughter of Mr. and Mrs. Stanley Brooks, a niece of the couple, who will be their guest for two weeks, at which time the parents contemplate motoring to the City of Brotherly Love and bringing her back home.

Misses Betty Ebricht and Loraine Brungart will again be at Eaglesmere during the opening of the resort at that place for the summer season. The latter is there since the 3rd, while the former has signed up for appearance on July 16.

A detail of the local volunteer fire company during the past week gave several demonstrations of the effective work of the booster pump built to a large extent by members of the company, and in each instance the results were entirely satisfactory. The pump was tried out both from the booster tank and from a supply other than that carried by the truck. At Potters Mills water was taken from the creek with entire success. The village is so located that almost every home along the main road could be protected against fire loss with water from the creek. At the farm home of Lloyd Smith, at Centre Hill, water was shot over the barn from the supply in the tank. A similar demonstration was given at Rhonemede tenanted by J. C. Brooks, from a supply of water furnished by the use of a gasoline engine and then from the booster tank.
