1934 AND 1935 REGISTRATIONS.

Below are given figures on the reg-district. istration of voters in several boroughs and townships on the south side of Centre county, with a comparison between 1934 and 1935 registrations. Totals indicate that in 1934 the Democratic majority was 1197, while in Park, Centre Hall. 1935 the same districts show a majority of 1380.
