

ITEMS OF LOCAL INTEREST

William F. Lingle and family, of Sunbury, were Grange Park visitors on Sunday.

Mrs. Ella Pringle, of Lock Haven, sister of Mrs. Susan Lutz, is a guest at the Bartholomew home.

Rev. Carl Kauffman, of Mifflin, will fill three appointments on the Lutheran charge, on Sunday. Services in the local church will be in the evening at 7:30 o'clock.

Mr. and Mrs. Howard Reuning, of Ridgeway, were among those enjoying the week at the Grange fair. Mrs. Reuning was formerly Miss Mary Long, of Penns Cave.

Miss Grace Hubler, of Boalsburg, a senior in the school of nurses at Geisinger hospital, Danville, and Miss Isabel Bradford, a student in the same school, were at their respective homes for a day during last week.

The marriage of George K. Rimney and Miss Marion Dale, an incomplete account of which was given in last week's issue of the Reporter, took place at Landsburg, Rev. R. R. Jones having been the officiating minister.

Mr. and Mrs. W. E. McCormick will move into the Kerlin house recently vacated by Samuel Bitner, on Friday, and will begin housekeeping. Mr. McCormick is one of the high school faculty.

S. Cleve Brungart and Archie Moyer have been appointed repair mechanics in the State Highway garage in Bellefonte, in which Willis Wion is chief mechanic, and are now working. Both men have been out of employment for some months.

Prof. and Mrs. Lewis Swartz and children Robert and Bettie, on Sunday completed a visit with Mrs. Swartz's sister, Mrs. Edward Durst, in Centre Hall. Prof. Swartz has been a teacher of languages in the Abington high school, while the family lives in Ivyland.

Misses Miriam Mitterling and Thelma Clark expect to enter Potts Business College, Williamsport, within the next week. Both the girls are members of the '35 class, Centre Hall high school. The former is a daughter of Mr. and Mrs. D. C. Mitterling and the latter a daughter of Mr. and Mrs. C. E. Clark.

There is a possibility of the part of State Highway Route extending from Lewisburg to Centre Hall, being improved from point at Forest Hill, in Union county into the Fourteen-Mile Narrows to the Centre county line. A statement to that effect comes from G. Donald Cook, Union county superintendent of highway.

Mrs. Franklin Delano Roosevelt stopped over night in DuBois, Thursday, on her way from Washington to Chautauque, N. Y., where on Friday night she spoke of "crippled children." She traveled in a roadster and was accompanied by Miss L. A. Hickok. At DuBois Mrs. Roosevelt attended a meeting of the Young Men's Democratic Club.

Ernest A. Frank, who for several years taught the fifth and sixth grades in the Pleasant Gap public school, was changed to the grade school at Axemann. His successor is Miss Myra Boone who taught in Spring township for some years. Miss Mabel Derahen was first elected to fill the place, but resigned to teach in State College borough.

Mr. and Mrs. Reuben Zettle and children are visiting the former's parents, Mr. and Mrs. E. E. Zettle. Mr. Zettle recently experienced a long and very serious illness, and for weeks was a patient in the Johnstown hospital. Although not fully recovered, he expects soon to enter upon employment awaiting him in his home city, Johnstown.

LOCALS.

The grand jury failed to find a true bill against W. L. Jacobs, of Centre Hall, for the practice of medicine without a license. The costs were put onto the county.

Mrs. Maude T. Doath, of Roanoke, Va., was a guest beginning of the week of Mr. and Mrs. G. O. Benner. The ladies were friends for a number of years.

Mr. and Mrs. Roy Emerick, of Elmwood, Ill., who have been among relatives about here for a month, returned to their home on Tuesday. Mr. Emerick is a brother of Mrs. A. H. Spayd with whom he spent a portion of the time he was in the East.

Information was received recently from San Diego, Calif., that Mrs. George Bushman, formerly Sarah Ross, mother of D. Ross Bushman, fell and broke her hip and is now being treated in a hospital in San Diego. Mrs. Bushman and her son left Centre Hall about twenty years ago.

Mrs. J. S. Getchell accompanied by Mr. Getchell and two sons, of Uniontown, were here during the latter part of last week, stopping with Mrs. G. H. Emerick. Mrs. Getchell is the executrix of the late Cyrus Brungart, her father, and it was to dispose of some real estate at public sale that was her motive in coming here at this time. The result of the sale is noted in another item in this issue.

Mrs. Lizzie Jacobs on Friday, while in her home fell to the floor with sufficient force to break the left collar bone. The injury is causing her much pain. During the past years, Mrs. Jacobs suffered a broken hip and at another time a broken arm, but recovered nicely from both, although the hip fracture obliges her to use a crutch. Her many friends hope there will be no serious consequences follow her last mishap.

Richard S. Bailey, of Centre Hall, on Monday, took an examination before the Federal Communication Commission, at Buffalo, N. Y., for a license to operate an amateur short-wave radio station at his home. The young man for several years past has been operating under a Federal license but the new examination, if successful, will give him greater privileges with his truly marvelous new receiving and transmitting station. "Dick" was accompanied to Buffalo by David Locke, of Bellefonte, who likewise took the examination.

The young son of Mr. and Mrs. E. E. Widowson, of Bellefonte, on Friday, narrowly escaped permanent disfigurement, serious injury, or both, while on Grange park. The lad, between six and seven years old, rides a pony of his own and naturally would be interested in them, and as a consequence made it a point to view the ponies in a riding ring on the park. In an attempt to pat one of the sleek little animals on the head, the pony, with wide open jaws, made a thrust at the youth's face, striking a hard blow on the nose and chin. Fortunately the jaws did not close down.

ALL OVER 65 TO SHARE IN OLD-AGE PENSION

Old-age pension checks will be sent to millionaires and laborers alike when the social security board begins payments in 1942 under the contributory pension system. The President's committee on economic security made this clear to end reports that benefits would be denied persons over 65 years if they have other sources of income. Every wage earner taxed under title 2 of the security bill will receive the full amount of his pension. One official said, "whether he be Alfred P. Sloan, Jr. president of General Motors Corp. or a poorly-paid ditch-digger."

POTATO GROWERS FAVORED

The inclusion of the lowly potato among the crops brought under AAA control confronts the Republican party with a trying situation. It would like to rap it as one of the supreme follies of the Democratic administration, but encounters the embarrassing circumstances that Maine, which it hopes will return next year to its accustomed sturdy Republicanism, is all for the federal control of potato production, being a leading potato-growing state, and, further, that Senator Borah, favorite in a straw vote among Republican county leaders asked to express their presidential preference, supported the proposal. senators home state, Idaho, makes much of its leadership among potato producers. In fact, potato control is not an administration proposal. Maine and Idaho took the lead in demanding it. The situation is not unlike that applying to other phases of New Deal legislation. Partisan opponents of administration proposals have been quite willing to make exceptions when particular phases of the New Deal have applied to their home districts.

Properly Stowed Bags Add to Comfort

Comfort, pleasure, and safety on a tour depend largely on efficient loading of the luggage, and modern body designs have done much to ease the problem, as these views of Chevrolet models reveal. In the upper left view, the suitcases have been fitted in snugly, the adjustable front seat having been moved forward to allow extra leeway, and the driver is now pushing back the seat to clamp the bags in place for the day. Upper right, the tourist is utilizing the baggage space back of the rear seat. The two lower pictures show the loading of a coupe compartment and a sedan trunk.
