**Shirtwaist Frock— Simple and Chic**

PATTERN 2212

It seems that girls will be girls this season—even in the field of sports! And most welcome, too, is the return to femininity in clothes. That flattering quality is most often achieved through the softness of fabrics (as you see in this yoke) or easy freedom of line (like the pleated sleeve with its casual air). But every important tailored detail is retained making the shirtwaist frock so universally becoming! See how trim the collar—how neat the front closing—how simple the pocket! Make yours of sport silk or cotton.

Pattern 2212 is available in sizes 14, 16, 18, 20, 22, 24, 26, 28, 30 and 32. Size 16 takes 3 3/4 yards 36 inch fabric. Illustrated step-by-step sewing instructions included. SEND FIFTEEN CENTS (15c) in coins or stamps (coins preferred) for this pattern. Write plainly name, address and style number. BE SURE TO STATE SIZE. Address orders to the Sewing Circle Pattern Department, 243 West Seventeenth Street New York City.

IN GOOD CONSCIENCE

"What are you going to say when the congress meets?" "I am going to avoid the complications of world economics," answered Senator Sorghum, "and concentrate on a notorious matter of plain fact and simple justice—votes for Washington, D. C."

**Something Worth While**

"Do you know that a mathematician wrote 'Alice in Wonderland'?" "Certainly," answered Senator Sorghum, "that's why I continue to struggle with big figures. If I can't balance the budget I may at least be able to write a good fairy story." —Toronto Globe.

**Physical Effect**

"What makes you speak at the top of your voice?" "In order," said Senator Sorghum, "to remind folks of the loftiness of my ideals."
