The F. F. A. Boys Go South—

The following is a brief account of the trip the Gregg Township Chapter Future Farmers of America made through a portion of the South, between August 12th and 17th, as reported by the secretary of the Chapter, Ellsworth Stover:

"We left Spring Mills early Monday, August 12, in a truck which was prepared to accommodate the group of boys which planned to make the trip. Our first stop was at Newport where we picked up Prof. W. Bitting. We arrived in Harrisburg at 10 a. m. and our first visit was through the Swift & Co. packing plant. Here we spent about one and one-half hours, seeing the killing, cleaning, processing and packing of the various products. We also made a brief tour of the State Capitol. We then went to Hershey where we visited the Hershey Chocolate factory, and park. Our next stop was Gettysburg where we toured the battlefield, stopping at the major points of interest.

"We arrived in Washington at 11 a. m. Tuesday. Here we made no important visits as the boys will all make an extended trip to this city when they are seniors. At Alexandria, Va., we visited the Washington Memorial. We spent about 3 hours touring Fredericksburg, Va., and points of historical interest about this city. Our next stop was near Wakefield, Va. The birthplace of George Washington. At this point we also took a swim in the famous Potomac, where several of our number became acquainted with their first jelly fish. Tuesday night we spent near Richmond, Va., at the country home of Dr. C. Meyers who is a member of the State Board of Education of Va. This was perhaps one of our most interesting and entertaining stops on the trip. He supplied us with plenty of eats and a pony for one of the boys to try to ride. You who are in doubt ask Allison Musser. On Wednesday we went back to Va. coast, stopping at Newport News, Hampton, taking a ferry across Hampton Roads, a distance of about four miles, to Norfolk, Va. This section is one of the most important centers on the coast. We made a stop of three hours at the famous Virginia Beach where the boys took a dip in the salty brine. From this point we went to Suffolk, Va., where we stopped for the night. We found that we were passing through the peanut center of the world, but unfortunately the factories were not operating. On Thursday we passed through the northern part of N. C., seeing many acres of peanuts, sweet potatoes, corn, cotton and tobacco, and melons. On Friday we spent most of the time in Western Va, traveling north to Charlottesville, the home of Thomas Jefferson, and over the famous "Skyline" drive to Winchester, Va. We arrived home Saturday at 11 a. m.

"We traveled over 1200 miles, camping out at suitable places. The weather was fine, although it was quite warm at noon periods. It was one of the most educational and extensive trips that our F. F. A. group has experienced. The following boys were on the tour: Allison Musser, Robert Campbell, John Ebron, Adam Condo, Obert Igen, Robert Corman, Spurgen Condo, Leonard Igen, Allison Musser, Richard Feltenberger, Kenneth Smith, Russell Spayed, Ellsworth Stover, Robert Myers, Prof. W. Bitting, J. W. Decker, and the driver, Eugene Heckman."

The schools of Gregg Township will open for the 1935-1936 school year on Tuesday, Sept. 3rd. No new teachers will be found among the group this year as all served in the township last year. Mrs. Samuel Musser, at Salem church, recently had a relapse and since has been rather seriously ill. She has been invalided much or all of the time during the past year.

Spring Mills will play a team from Neff's Mill, Saturday afternoon, 2:30 o'clock. The local team's success last week was two games out of three. Games were won off Po Valley CCC on Tuesday, and Wednesday the Madisonburg team lost to them at a game played at Rebersburg. On Saturday the CCC team evicted matters with them, being victorious.

Mr. and Mrs. Leonard Deltz and son Donald, of Altoona, and Mrs. A. A. Alexander, of Coburn, were guests at the E. T. Jamison home, on Sunday. Mrs. Alexander is the mother and Mrs. Deltz a sister of Mrs. Guy Jamison who with her husband lives at the Jamison home.

Miss Marie Grenoble, daughter of Fred Grenoble, Lewisburg, is a guest of Miss Margaret Grenoble. The girls are camping on Grange Park with Miss Mabel Eungard, a cousin, daughter of Mr. and Mrs. Cleve Eungard.

The Zubler reunion will be held on Halcyon's Park on Labor Day.

Mr. and Mrs. Ralph Shook motored to Morris Plains, N. J., to the home of their daughter, Mrs. Vernon Godshall, and family, and brought back with them their small daughter, Lois who had been at the Godshall home for some time.

Mr. and Mrs. Blaine Bitner returned Sunday night from a 1200-mile motor trip through the New England States, touching nine States. Boston was the center attraction, where Mr. Bitner attended the national convention held by the letter carriers. A place of special interest on the trip was Plymouth, the home of the late President Coolidge. The village is comprised of but a few homes occupied by twenty-nine persons, yet the postmistress at that place informed Mr. Bitner that she did a good business, and presented the outgoing letters and cards as evidence. Everything about the Coolidge home is the simplest imaginable.

Among the luckiest persons to attend the Fairlawn picnic at Bland Park, on Friday, was Miss Josephine Stover, who came away with a \$10.00 cash prize. She accompanied Mr. and Mrs. Bruce Meyer, who conduct a Fairlawn store at Spring Mills, to the picnic, and on entering the grounds each person was given a slip with a number on it.
