

ITEMS OF LOCAL INTEREST

J. R. Downes, Tyrone, was appointed as assistant to the president of the Pennsylvania Railroad Company, effective as of October 1st.

The Bartholomew family takes this means of expressing their appreciation of the many kindnesses shown during the last illness of their father.

Miss Ferma Hoover, superintendent of the Memorial hospital, Danville, Va., is a guest of Miss Laura Runkle and will remain here for a week.

Mr. and Mrs. G. O. Benner are in Pittsburgh where for a week they will visit the Chester Cronister family and the Prof. A. J. Smith family, relatives.

Among personnel changes announced by the State fiscal officers was the dismissal of Lena Pettingill, Lemoist, as a \$1200 a year clerk in the justice department.

A regular meeting of the Southside Democratic club was called for Wednesday evening, October 2, 8:00 o'clock, in the I. O. O. F. lodge room, Centre Hall. The local Women's Democratic Club was invited to attend.

Mr. and Mrs. Mark Robb, of Wilkesburg were guests during last week of Mr. and Mrs. F. M. Fisher. Mr. Robb is employed by the Westinghouse people.

Laurence Erb, of Latrobe, son-in-law of T. C. Henney, died on Monday, Mr. Erb, during the past years, frequently accompanied Mr. Henney to Centre Hall on his visits here.

Col. Charles A. Lindbergh arrived at the Bellefonte airport on Sunday evening in a small 120-horsepower Lambert monoplane and remained in Bellefonte for the night. He was not recognized.

The Glad Girls met at the home of Margaret Delaney on Monday night. They had planned a wicker roast, but due to cold weather they met at her home. There were present twelve girls and Mrs. Kirkpatrick.

Mr. and Mrs. Stanley Brooks and children, Miriam and Gloria, Mr. and Mrs. J. Cloyd Brooks and daughter, Miss Florence, on Saturday evening motored to Tyrone where they were guests of Mr. and Mrs. Roger T. Bayard until Sunday evening.

Mr. and Mrs. Jacob Sharer and Mr. and Mrs. John Blausner on Wednesday left for York, where they will be guests of Charles Kidd, and from there will attend the York county fair. On returning the couples will attend the Hughesville fair, expecting to reach home Friday or Saturday.

Mr. and Mrs. W. M. Grove, of Berwick, R. D., are now located on the south side of Potter township, and will remain there for the present. Mr. Grove was long a resident of Potter township, where he was a justice of the peace, and later moved to Gregg township, from where he went to Berwick.

Rev. L. Arthur Wagner, of Danville, found some of his earliest acquaintances in Centre Hall, on Saturday. Reference is made to Mr. and Mrs. C. F. Emery. The minister's father was employed by Mr. Emery when he was engaged in the mercantile business in Snyderstown, and Mrs. Emery was the young minister's first nurse.

The second operation for the removal of a cataract undergone by Mrs. Walter Kerlin, of Newport, Ky., was entirely successful. Both eyes have now been operated on with the result that in the course of time she will again have close to normal sight, at least such a condition is anticipated by the operating surgeon.

Mrs. Ernest Auman, of Bouton, Mass., is at the home of her parents, Mr. and Mrs. J. C. Goodhart. Mrs. Auman came here following an illness of her mother, which resulted in her undergoing an operation a short time ago. Mrs. Goodhart has improved much since the arrival of her daughter and is now able to be about in the house.

Mr. and Mrs. Clay W. Reeseman, of Camden, N. J., motored to Centre Hall on Friday having come here mainly to attend the funeral of W. H. Bartholomew. During years past the couple have frequently been entertained at the Bartholomew home. Mr. Reeseman appears chipper than ever, evidently having completely recovered from a recent illness.

A bridge party was given at the Meeker cabin in the Seven Mile, Wednesday night of last week, with Mrs. J. H. Knarr and Mrs. W. F. MacMorran acting as hostesses. A chicken dinner was served. Those present were Mrs. D. C. Mitterling, Mrs. J. M. Coldron, Mrs. F. P. Geary, Mrs. D. R. Keener, Mrs. George Vogt, Mrs. Paul Fetterolf, Mrs. W. F. MacMorran, Mrs. J. H. Knarr, Miss Laura Runkle, Miss Sarah Bell Emerick, Miss Mary D. Potter, Miss Jennie Thomas.

**BANKERS ACTIVE IN SOIL SAVING MOVE**

**Issue Book Describing Causes, Ravages and Means of Prevention of Erosion**

MADISON, Wisc.—Under the title "Protecting Investment Values in Land," the American Bankers Association Agricultural Commission has published a booklet dealing with the conservation of soil resources as a pressing national problem.

"Careful estimates indicate that 750,000,000 tons of soil, suspended and dissolved, are carried off to the sea each year by running water," the commission's book declares. "An equal amount removed from its source is left en route. This means a total of 1,500,000,000 tons, equal to approximately one ton for each acre of land in this country. The Soil Conservation Service estimates that 35,000,000 acres have been ruined.

"There are 125,000,000 more acres that have lost the valuable topsoil, and it is estimated that still another 100 million acres are being converted into marginal or sub-marginal land, bringing disaster to those trying to eke out a living from erosion enfeebled soil, and threatening ruin to the next generation, since these destructive forces are going on at an increasing rate."

In a chapter devoted to control and preventive measures for soil losses it describes terracing, strip cropping, wind erosion control, gully control and the control of losses from leaching.

Other chapters are devoted to soil resources, the toll exacted by soil erosion, methods for keeping soils productive, state and national uses for non-agricultural land, forestry in a soil conservation program and wild life in a land use program. The booklet describes in detail the marshalling of many forces which is being brought about under the leadership of the Soil Erosion Service to meet this national problem.

ACCOUNTING OF THE "1935 PRESIDENT'S PARTY" FUNDS

The large number of persons in this and other communities where "Birthday Parties for the President" were held, last January 30th, will be interested in a letter to local chairmen setting forth the accomplishments of the Georgia Warm Springs Foundation, and the causes to which the thirty per cent. of the net proceeds of the "Birthday Parties" forwarded to the Foundation were devoted.

In a lengthy communication to P. V. Goodhart, the chairman for the second party, much detailed information of the workings of the Foundation is set forth and following is a brief reference to some of them.

The first Birthday Party brought proceeds to the amount of \$1,015,000, and in addition to this during the two and one-half years preceding, the Foundation received gifts from private parties amounting to \$400,000. This fund was divided into three parts:

1. A \$100,000.00 fund to stimulate and further the meritorious work being done in the field of infantile paralysis.
2. A \$650,000.00 fund for the furtherance of the present work done by the Foundation's institution at Warm Springs and enabling it to help coordinate the efforts of all engaged in this work, the details, of course, to be worked out by the trustees.
3. A fund of \$253,000.00 for building, maintenance and contingencies of the Foundation.

Trustees, decided that in view of the enormous task which lay ahead of all those people working for the treatment, control and elimination of infantile paralysis, the organization of the Birthday Ball of 1935 should be used for the exclusive benefit of the cause as a whole, and no part go to the Georgia Warm Springs Foundation. It will be recalled that 70 per cent. of all the money raised was retained in the community to be used in helping combat its own local infantile paralysis problem, and that 30 per cent. of all the money raised should be sent to the National Committee for the Birthday Ball for the President, to be presented to President Roosevelt, who would, in turn, give it to a specially created body known as the "President's Birthday Ball Commission for Infantile Paralysis Research."

The Commission as now organized consists of: Colonel Henry L. Doherty, chairman; Jeremiah Milbank, vice chairman; Edward S. Harkness, treasurer; Paul de Kruif, secretary; John S. Burke, Edsel B. Ford, Raymond Fiedick, Felix Warburg, Lessing Rosenwald, Mrs. Nicholas Brady, James R. Couzens, United States Senator from Michigan.

The second Birthday Ball was more successful than the first. It is estimated that well over a million dollars has been left in communities in which the balls were held.

In addition to the above sum available for the Research Commission, the Public Health Service which is conducting all field tests for the Research Commission, has organized the city of Greensboro, North Carolina, giving vaccine to half the children, and none to the remainder, thus establishing a control method whereby it is hoped that much will be learned as to whether or not this vaccine has value in warding off an attack of infantile paralysis.

The 70 per cent. of the net funds of the 1935 President's Party at Centre Hall remains intact.

**How To Reduce Varicose Veins**

Rub Gently Upward Toward the Heart as Blood in Veins Flows That Way

Many people have become despondent because they have been led to believe that there is no remedy that will reduce swollen veins and bunches.

If you will get a two-ounce original bottle of Moore's Emerald Oil (full strength) at any first-class drug store and apply it night and morning as directed you should quickly notice an improvement. Continue to apply Emerald Oil until the veins and bunches are reduced.

Moore's Emerald Oil is a harmless, yet most powerful penetrator and two ounces last a very long time. Indeed, so powerful is Emerald Oil that old chronic sores and ulcers are often entirely healed. It has brought much comfort to worried people all over the country.

**The WHITE HOUSE KITCHEN proves that AMERICA is going ELECTRIC**

Buy an ELECTRIC RANGE today and be abreast of tomorrow... the cost is low

Cooking in the White House kitchen has recently been changed to electric.

Although the ageless beauty of the building itself will never be out of style, modern equipment has been installed to keep up with the trend today for better living in the home. Because the installation must be modern in future years, naturally Electric Ranges were chosen.

But not alone has the White House at Washington gone electric—little white houses on every Main Street all over the country are following the increasing trend of today to better, easier cooking—electric cooking.

You, too, will find it the better way. A home demonstration will cost you nothing.

Surprising as it may seem, the average cost of cooking electrically is but
