5. Episcopalian, 10. Airplane, & Bell Syndicate.-WNU Service.

Flashing lights and clanging gongs having proved futile, Canadian miners hereafter will be warned of danger by the smell of a skunk. In case of an alarm the engineer will break bottles of ethyl mercaptan, a chemical smelling like skunk, in air ducts leading to the mine, and in a few minutes the odor will be carried to the farthest corners of the mine by the ventilating system.

Miners are trained to run to certain designated points when they recognize the smell no one could fail to recognize.-Pathfinder Magazine.
