**TW'NS AND TONES**

The twins were very much alike. But their father, a piano-tuner, had his own way of identifying them. He explained to the friend who was admiring them that he told the difference by pinching them.

"Heavens! You mustn't do that. You'll make them cry."

"Precisely," replied the father; "that's the whole secret. Listen. This one"—nip—"is evidently William. He cries on the high C. The other, James"—nip—"is half a tone lower."

**Send Out a C. O. D.**

The Sunday school teacher was telling her class the story of Paul, including the exciting part about his shipwreck.

Spoke up one little girl. "That couldn't happen today."

"Why not?" asked the teacher.

"Because," explained the little girl, "today all ships are equipped with radio and so soon as there is trouble, they send out a C. O. D."—Cleveland Plain Dealer.

Johnny—I'd rather make believe I've eaten it!

**Just Like That**

The conjurer was producing eggs from a top hat. He addressed a boy in the front row.

"Your mother can't get eggs without hens, can she?" he asked.

"Oh, yes," said the boy.

"How's that?" asked the conjurer.

"She keeps ducks," answered the boy.

**Universe Is Pouring Out Its Wealth to Lover of Nature**

Daily the lover of nature gathers the fruits of seed sown in the beginning of the world. For him no season is dull, for each is successively absorbing. In spring he is entranced by the awakening of myriad forms of life; summer reveals the maturity of all creation; autumn brings the fulfillment of earlier promises; winter lulls life to sleep, with its assurance of the resurrection. All weathers are one: The rains of spring nourish all nature; the heats of summer mature and ripen its fruits; the frosts of winter give rest and peace; in all he rejoices. Each day is good. In the morning life awakens with him; through the noon it works; the peace and quiet of evening shed their benediction upon him.

He knows no dull moment; he seeks not to hurry time. If he be delayed he may discover something never before seen by man and his impatience is forgotten. His youth is filled with the joys of discovery; in middle age the marvels about him hold his interest undimmed; he awaits old age with calmness, for he is one with the universe and is content.—Edward A. Preble.

Whether the "Pain" Remedy You Use is SAFE?

Ask Your Doctor and Find Out

**Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations**

THE person to ask whether the preparation you or your family are taking for the relief of headaches is SAFE to use regularly is your family doctor. Ask him particularly about GENUINE BAYER ASPIRIN.

He will tell you that before the discovery of Bayer Aspirin most "pain" remedies were advised against by physicians as bad for the stomach and, often, for the heart. Which is food for thought if you seek quick, safe relief.

Scientists rate Bayer Aspirin among the fastest methods yet discovered for the relief of headaches and the pains of rheumatism, neuritis and neuralgia. And the experience of millions of users has proved it safe for the average person to use regularly. In your own interest remember this.

You can get Genuine Bayer Aspirin at any drug store—simply by asking for it by its full name, BAYER ASPIRIN. Make it a point to do this—and see that you get what you want.
