At about 4:30 p. m. a brisk rain fell on the lot to the rear of the Reporter office, while on the walk and street to the front, not a drop of rain fell. This condition continued for only a moment, but long enough for one to make a complete observation and then enjoy the novelty of it until it became worn.

We Take Pleasure In Once More Extending To You a Cordial

Welcome To Altoona

WEDNESDAY, April 22nd!

IT WILL BE

CENTRE COUNTY DAY!

IDEAL PARKING

Parking spaces may be found in 10th Avenue adjoining the Business District, where you can park your car under protection of a Caretaker for 15c.

Or you may park your car on any business street for a limited time according to the posted traffic notices.

You will recall that this same invitation was extended to our Centre County friends and patrons to visit Altoona on March 18 to celebrate Centre County Day but unfortunately, due to the devastation caused by the Saint Patrick Day floods, it was necessary to postpone the event.

However, the postponement will in no wise affect the importance of the event as everything that was planned for the original Centre County Day will be carried out to the letter, on Wednesday, April 22.

This is a concerted action by Altoona Booster Stores to prove the worth of Altoona as a shopping center for the people of Centre County. We repeat that it is not the Booster Stores' intention or wish to take business from stores outside of Altoona, which, of course, is not possible. But it is our desire to acquaint the people of Centre County with Altoona, for such times when you plan a shopping trip away from your home, when your local stores do not have what you want, when you desire a change from old familiar surroundings, a motor trip, a theatre party and so on!

Inasmuch as Altoona depends largely on the support of the surrounding communities, we feel it is a privilege to set aside April 22 as Centre County Day to show you our appreciation for your generous support. We have planned a gala occasion, a party in which everyone can take part. Booster Stores have given much time and forethought in making this day one of sensational values. A copy of the Altoona Mirror and Altoona Tribune will be delivered to each home in Centre County showing the values to be offered on this great day.
