Redhead Was No Flirt

She was red-headed, so the traffic cop's remonstrance was couched in dulcet tones after he untangled the traffic snarl.

"But you should have held out your hand to indicate you were going to turn," he murmured.

"I should say not!" snorted the fiery one. "Some of those loafers would think I was waving at them and trying to flirt. Is that all?"

"Yes, ma'am," said the cop meekly.

Bad News

On one of his many prison visits the chaplain had found one of the prisoners who was undergoing a sentence for burglary, very upset.

"What is the matter, my man?" he inquired.

"I've got bad news from 'ome, sir." "I'm very sorry to hear that; what is it?"

"My brother, sir," replied the man, bitterly, "e's gone into the work-house, sir; e's the first of our family to disgrace us."—Montreal Star.

OF INTEREST TO THE HOUSEWIFE

House plants will have to be watered more often now than they were during early winter months. A warmer temperature and brighter sunshine will dry the pots out much more rapidly.

Grated orange rind and two teaspoonfuls of orange juice added to fudge while cooking gives it a delicious flavor.

Footstools placed under the table will prove a source of great comfort to short people at meal times.

String and butter beans will cook more quickly if salt is not added to the water in which they are boiled until a few minutes before removing from the fire.

When making uncooked frostings with powdered sugar, add a little more sugar than recipe calls for. Sugar is likely to absorb moisture if left uncovered.
