Twins, 91, Claim Age Title; Brother, 97, Backs 'Em Up

Mrs. Jane Giles and Miss Rachel Rader of Pulaski, Iowa, challenged all claimants to the "nation's oldest living twins" title, and particularly Joe and Dave Maddux of Philo, Ill. "We celebrated our ninety-first birthdays January 15," Mrs. Giles and Miss Rader declared. "That makes up 19 days older than the Maddux boys, who said they were ninety-one February 3. We have a big brother to prove it." The big brother is ninety-seven-year-old Anthony Rader still quite alert mentally.

Dr. Pierce's Pleasant Pellets are the original little liver pills put up 60 years ago. They regulate liver and bowels.—Adv.

Watching Prejudices
No matter who you are or where you live, you have to pay attention to the community prejudices.

FOR THOSE WHO TAKE PRIDE IN THEIR BAKING

Here's a baking powder, tried, tested and used exclusively by experts.

Stick to Your Bargain
When you must choose the lesser of two evils, choose and don't scold about it.

Dr. Scholl's Zino-pads

Virtue of Patience
If one doesn't know what to do, let him assume an attitude of patience.

No Need to Suffer "Morning Sickness"

"Morning sickness"—is caused by an acid condition. To avoid it, acid must be offset by alkalis—such as magnesia. Why Physicians Recommend Milnesia Wafers

These mint-flavored, candy-like wafers are pure milk of magnesia in solid form—the most pleasant way to take it. Each wafer is approximately equal to a full adult dose of liquid milk of magnesia. Chewed thoroughly, then swallowed, they correct acidity in the mouth and throughout the digestive system and insure quick, complete elimination of the waste matters that cause gas, headaches, bloated feelings and a dozen other discomforts. Milnesia Wafers come in bottles of 20 and 48, at 35c and 60c respectively, and in convenient tins for your handbag containing 12 at 20c. Each wafer is approximately one adult dose of milk of magnesia. All good drug stores sell and recommend them. Start using these delicious, effective anti-acid, gently laxative wafers today. Professional samples sent free to registered physicians or dentists if request is made on professional letterhead. Salsol Products, Inc., 4402 23rd St., Long Island City, N. Y.

ADAMSON'S ADVENTURES Hanging a Chandelier

By O. JACOBSSON

Stationary
There was a dense summer fog and the officer on the bridge was becoming more and more exasperated. As he leaned over the side of the bridge trying to pierce the gloom he saw a hazy figure leaning on a rail a few yards from his ship. He almost choked. "What do you think you're doing with your blinking ship?" he roared. "Don't you know the rules of the sea?" "This ain't no blinking ship, gov'nor," said a quiet voice; "this 'ere's a lighthouse."—Answers.

Gets Most Blame
Little Sarah and her little brother quarreled one day. An older sister trying to find which child was at fault finally said: "Oh, I think it was just six of one and half-dozen of the other." Little Sarah began to cry. "I know you mean I'm the half-dozen," she sobbed. "I always get the most blame."—Indianapolis News.
