BILL "DIES" IN COMMITTEE

The long, turbulent special session dawn, on Friday, with a \$45,000,000 by the special session of the legislarevenue program for unemployment ture. relief as its big achievement.

The House adjourned at 5:13 a. m.; the Senate at 5:18.

Tired legislators joined jobless pickets in giving the session a noisy sendoff.

Crying "victory! victory" several hundred unemployed men and women ended their two weeks' slege of 'the Senate gallery, while the lawmakers they heckled waved goodbye from their seats below.

House and Senate ran good_naturedly through their final 'asks after 14 weeks of heckling and partisan quarreling.
