The Curse of Progress

Leadership
"Are you a political leader?"
"I am," said Senator Sorghum,
"but I'm not a political boss."
"What's the difference?"
"A political leader is like the
drum major who makes a graceful
demonstration at the head of the
parade. But he may not know
where he's going until the boss tells
him the line of march."

Modernist
"I'm glad you never use pro-
fanity!"
"Profanity has become obso-
lete," said Senator Sorghum. "It
has been overworked until it sounds
merely like an out-of-date form of
dialect."

wife that little lecture on economy
that you spoke about?
Jake—Yes.
Max—Any results?
Jake—Yes, I had to give up
smoking.—B'nai B'rith Magazine.

Worth Having
There is no job where "no experience" is a recommendation.

If you feel...
-tired
-run-down
-nervous
-out of sorts

THERE is usually a definite reason for such complaints... so, now let's reason sensibly.
Don't try to get well in a day... this is asking too much of Nature. Remember, she has certain natural processes that just cannot be hurried.
Therefore, if you are pale, tired, lack a keen appetite, have lost weight and feel rundown... a frequent sign that your blood-cells are weak, with a tendency towards anemia—then do try in the simple, easy way so many millions approve—by starting a course of S.S.S. Blood Tonic to feel like yourself again.

As He Gets It
He who laughs last may be very dense.

Don't put up with useless PAIN
Get rid of it
When functional pains of menstruation are severe, take CARBUL. If it doesn't benefit you, consult a physician. Don't neglect such pains. They depress the tone of the nerves, cause sleeplessness, loss of appetite, wear out your resistance.
Get a bottle of Carbui and see whether it will help you, as thousands of women have said it helped them.
Besides easing certain pains, Carbui aids in building up the whole system by helping women to get more strength from the food they eat.
