NEW YORK TIMES FOR PRESIDENT ROOSEVELT

The New York Times has announced that it will support President Roosevelt for re-election.

In a two-column editorial, the newspaper criticized the "narrow nationalism" of the Republican party and gave three considerations which it regards as dominant, that entered into the decision.

They were: 1. The President is keen enough judge of public opinion to make his second administration more conservative than the first.

2. The President's re-election will provide insurance against radicalism of the sort which the United States has most to fear.

3. The narrow nationalism for which the Republican party stands today is in itself a policy, which, if put into force, would carry us rapidly in the direction of both regimentation and radicalism.

"GIFF," 3 YEARS AGO, ASKED FOR COOPERATION WITH F. D. R.

Good old "Giff" is truly a man of the people—everyone is his "kind" at some time.

In the course of three years, "Giff" has found new light in Governor Landon, a light which in most respects reflects its rays away from the average man whom Pinchot always alleges he is championing.

Neither Landon's, or Pinchot's ideas lean toward the sun, as does Landon's symbolic sunflower.

Just three years ago as Governor of the Commonwealth, when the entire Nation, Pinchot included, was rushing around yabbing President Roosevelt and his policies, "Giff" accepted President Roosevelt's program and adopted it as his own.

In his message to the General Assembly, November 13, 1933, the Commonwealth's former "fishing"—mostly political fishing—Governor said: "The people of the United States, long in despair, are taking a new grip. The great depression is lifting and must continue to lift. President Roosevelt's National Recovery program must succeed."

"The safety and welfare of all our people demand it. Therefore, it is the duty of every individual and of every governmental body to cooperate wholeheartedly with the National Administration in this great enterprise."

McKINLEY WAS ASSASSINATED

"If bad institutions and bad men can be got rid of only by killing, then killing must be done."

Wm. Randolph Hearst, New York Evening Journal, April 19, 1901.

Some one has figured out that the per capita cost of operating the Centre county court in 1935 was 25 cents. The cost in surrounding counties is: Mifflin, 40 cents; Huntingdon, 28 cents; Clinton, 32 cents.

CENTRE HALL WINS OVER BOALSBURG IN SOCCER GAME

Playing better soccer than they showed in the Hubbersburg game, the local Tigers upset a rough Boalsburg team 3-1 on Friday afternoon.

From the opening kick-off the game was played almost entirely in Boalsburg's territory.

Donald Goodhart, sure-footed forward, again drove home the first score of the game. Following this, Bob Walker made a successful try at a penalty kick to make the score 2-0.

Before half-time, Hoy, of Boalsburg, on a well-executed pass was able to drive the ball across the Centre Hall goal line.

In the third quarter, co-captain Walker made his second tally of the game to make the final score 3-1.

The line-up: Centre Hall: Boalsburg: Gerhart, Goalie; R. Horner, Reish, Fullback; Young, Luse, L. F. B., R. McClintic, Wetzell, R. H. B., Graham, Army, L. H. B., Bailes, Heckman, C. "STATE" WINS SOCCER GAME WITH LOCAL HIGH

State College and Centre Hall Potter high school soccer teams met on the local field Tuesday evening, to play off a game protested by the former team. State College won, 3 to 2.

There is some talk of the local team entering a protest, but it is doubted it will be done, since both the authorities and players are not so hot on the protesting stuff.
