

ITEMS OF LOCAL INTEREST

Mrs. Haines, mother of Perry Ueber, was quite ill during last week.

John H. Knarr is now employed at the Titan Metal Works near Bellefonte.

Vinton McClellan, employed in Washington, D. C., was at his home here over the week-end.

Mrs. Ada Bloom is assisting to care for Miss Jennie Bartholomew, who requires much attention, at the C. D. Bartholomew home.

Richard Brooks is acting substitute mail messenger between the Centre Hall post office and the railway postal car on the L. & T. since the latter part of last week.

Mrs. C. F. Emery, on Thursday evening, entertained the members of the Ladies' Aid Society of the Methodist church, at her home. After the formal meeting, refreshments were served.

This (Thursday) evening, 6:00 o'clock is the time for the Centre Hall Business Men's Association banquet at the high school building at 1:30 p. m. the members will visit the Titan Metal Company plant.

Young men from Penns Valley recently to be employed at the Titan Metal Works include the McKinney brothers, Harry Wilkinson, Edward Churray, Paul Brown, Pottery Mills; J. H. Knarr and J. E. Frohm, Centre Hall.

The reader will find the names of contributors in Centre Hall and vicinity to the Red Cross flood fund and the amount contributed by each. A careful, thoughtful study of the report will be highly interesting and illuminating from more than one viewpoint.

Monday evening Mrs. F. V. Goodhart, Mrs. H. W. Potter, and Misses Helen and Sarah Odenkirk were hostesses to a dessert bridge party at the home of the former. There were eight tables. The evening was delightfully spent in playing the popular game, and the guests no less enjoyed the delicious refreshments.

In listing the business men in Centre Hall who made it possible for the "Independents" basketball team to wear such elegant outfits, the name of George Vogt, the rendering plant operator, should be substituted for his brother, Edward Vogt, the garageman. And to the team members the name of Bruce Knarr should be added.

The proposal to discontinue the Axe Mann charge of the Methodist Episcopal church was rejected at the fourth quarterly conference of the Williamsport district of the Central Pennsylvania Conference at the Axe Mann M. E. church, Tuesday of last week. The church will be continued under its present pastor, Rev. Roy O. Bedtorf.

Roy Snyder, of Coburn, was fined \$10.00 for illegally setting traps, by J. R. Miller, a Millheim justice.

William Brown, recently married, who has been employed by Ray Sharer, east of Centre Hall, for several years, will begin housekeeping on the Chas. A. Miller farm, at Colyer. He will be employed by Robert Neff, who with his helper, Mr. Brown, contemplates farming both the Stoner farm, near Tusseyville, and the Miller farm, at Colyer.

Mrs. Ida Snyder and daughter, Miss Isabel Snyder, of Mifflinburg, were week-end guests of the former's sister and brothers, Miss Mary, Christ and Charles Durst, respectively. Miss Isabel, who has been a teacher in the Port Matilda high school for five successive terms, became indisposed during the latter part of last week and was not able to teach, but on Monday resumed her school work.

Ordered to rest, George R. Meek, who dabbled the "Ink Slingers" in the Democratic Watchman for forty years or longer, is obeying his physician, and went to bed. So the famous column will be carried on, Mr. Meek in visits Guest Columnists to fill it. No doubt this can be done to the satisfaction of the Watchman readers, provided they follow one rule, and that is not to try to ape Mr. Meek for it can't be done, but write in their own style.

Mrs. W. M. Grove, seriously ill at the home of her son, Ray Decker, near Colyer, was visited on Sunday by Mrs. Archie Zettle, Mr. and Mrs. Engel Mayer and son, of Berwick;

Mrs. Charles Geary and children, of Newport; John W. Whiteman, Mr. and Mrs. Dayton Lansberry, Mrs. Charles Eye, Miss Theresa Eye, Mrs. Ella Miller, Miss Bertha Haskell, Mrs. Robert Smith, Mr. and Mrs. Roy Baylett.

The State Superior Court says that mileage expenses, as applied to the sheriff's office in counties of the seventh class in which class Centre belongs, are fees and cannot be collected by sheriffs. Sheriffs in several of the seventh class counties added mileage to their expenses in making out bills for which counties are liable. Other counties in the State to which the decision applies include Adams, Bradford, Bedford, Elk, Greene, Huntingdon, Mifflin, Monroe, Perry, Susquehanna, Tioga, Warren, Wayne.

Electric light and power patrons of the West Penn Power Company found a slip with the bill for January stating that the interest on electric service deposits was being credited to December 31, 1935. Many of the patrons had forgotten that when their properties were first wired the current was not turned on until they had made a deposit with the company. A supreme court decision makes this interest taxable. The tax was paid by the company, but hereafter the tax will be deducted from the interest when it is paid or deducted.

VELVET CURTAIN FOR STAGE.

A beautiful garnet velvet curtain, the gift of the Alumni Association, was installed in the local high school auditorium, Saturday. The curtain has a beautiful C. H. H. S. gold La-Tapetrine monogram set in the center of a 36-inch valance edged with two-inch gold braid. The curtain is pleated one-third of its length and presents a very rich appearance. It operates on a 42 ft. steel track and is practically noiseless.

E. P. V. LOST PRIDE IN B. B. GAME WITH C. H. P.

On Friday evening the girls of Centre Hall high defeated the East Penns Valley basketball team by a score of 27-22. Not only was the game fast and hard fought, but the victory was more than welcome, following several league games that gave experience but no reward. The E. P. V. girls are leading contenders for the pennant.

The local team is improving rapidly and has surprised many of the teams of the league by the amount of opposition exhibited.

The local line-up: McClellan, sc; A. Neff, g; K. Smith, c; M. Homan, sc; G. Bradford; L. Miller, g; H. Haskell, f (20); J. Slack, f (7). Referee: Condo.

CENTRE HALL HIGH GIRLS WIN FROM BELL. Y. M. C. A.

In a basketball game on the local floor the Centre Hall high girls' team won from the girls' team of Bellefonte Y. M. C. A. by a handsome score, on Tuesday evening. It was a snappy game throughout.

The Independents at the same time won from a like team of the same Bellefonte organization.

"INDEPENDENTS" B. B. GAMES

Three basketball games are scheduled for Saturday and Monday and a fourth for Friday.

Friday evening's game is a high school league game, Centre Hall vs. Snow Shoe, on the local floor.

Saturday evening's game, "Independents" vs. Altoona Celtics.

Monday evening, two games: "The Careful Cleaners," Lewistown, vs. Spring Mills "Independents." These are both fast, seasoned teams.

The second game is between the local "Independents" and Avalons, of Lewistown.

A good night's entertainment is offered.

Dr. Ralph D. Hetzel, president of the Pennsylvania State College, is one of three frequently mentioned prospects to be named president of the University of Wisconsin. The other two are City Manager C. A. Dykstra, of Cincinnati, and Warren Weaver, director of the Rockefeller Foundation's Department of Natural Sciences.

PASTURE IMPROVEMENT WORK NEEDED IN CENTRE COUNTY

Centre county farmers should take a lesson from the methods adopted by Clarion county farmers in pasture improvement work. One of the most important things on the average Centre county farm is a permanent pasture which may be obtained by following the instructions given by Dr. Dickey, in charge of Agronomy extension work at Penn State College.

Work was started in Clarion county in 1923 and 1924 with acre plots. In 1927 one whole field was treated with lime and fertilizer. During the next few years many pastures of 10 to 20 acres were improved. The results were so good that many other farmers followed suit. During the past year about 75 farmers had improvement projects on at least 650 acres.

THE 25-MILLIONTH FORD HAS JUST BEEN BUILT

It HAS never occurred before in automobile history that 25 million cars of one make, bearing one name, have been manufactured under one management. The 25,000,000th Ford car rolled off the Ford Rouge Plant production line on January 18, 1937.

25 million cars since 1903... more than one-third of all the cars ever built... enough cars to transport the entire population of the United States.

The figures represent a remarkable contribution to the social welfare, the industrial stability and the general progress of our country.

People respect Ford efficiency. They know Ford uses fine materials, the best workmanship at good wages, the most exact precision measurements. They know these things are passed along to purchasers in the form of extra value. Naturally, they like to do business with such a company. That is the only reason it has been required to produce 25 million cars.

Naturally, too, they expect more of a Ford car, more this year than last year—more

each year than the year before. They have every right to. The experience gained in building 25,000,000 cars enables Ford to produce today a really superb motor car at a really low price—with the Beauty, Comfort, Safety and Performance of much more expensive cars.

The 1937 Ford V-8 combines advanced design, all-steel construction, extra body room, and brilliant brakes with a choice of two V-type 8-cylinder engines—the most modern type of power-plant on land, sea, or in the air.

The 85-horsepower engine provides top performance with unusually good economy for its high power.

The 60-horsepower engine gives good performance with the greatest gasoline mileage ever built into a Ford car—and wears the lowest Ford price tag in years.

People expect more of a Ford car because it's a Ford—and they get more, for the same reason. It is undeniably the quality car in the low-price field.

"MY BILL FOR CURRENT FOR MY RANGE AND ALL OTHER ELECTRIC APPLIANCES IS SURPRISINGLY LOW, —UNDER \$4.50 A MONTH."

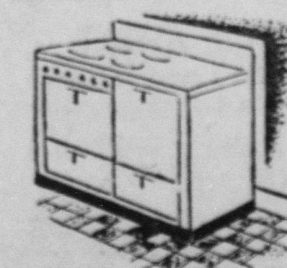

MRS. COCHRANE RECOMMENDS ELECTRIC COOKING TO FRIENDS

"I have been cooking on my electric range for about four months and I find it much faster than any other method of cooking.

"My bill for current for my range and all other electric appliances is surprisingly low—under \$4.50 a month.

"I surely recommend electric cookery very highly."
