

YOUR ELECTRIC SERVICE RATE TO BE REDUCED BY WEST PENN POWER CO

Reduction to Apply to Both Residential and Commercial and Small Industrial Customers.—Saving of Almost a Million Dollars.—Company Plans to Refund Deposits Made by Customers, Amounting to Over a Half Million Dollars.

West Penn Power Company has presented to the Public Service Commission a proposal to reduce its rates by \$973,000 per year. A reduction of \$350,000 will affect residential customers; \$533,000 will be lopped off the rates for commercial and small industrial customers. Schools and churches will benefit to the amount of \$30,000; customers on rural lines will receive reductions of \$40,000; and the balance of \$20,000 will reduce rates for street lighting.

A feature of the reduction in domestic rates, which are to be effective with the meter readings beginning March 15, is the elimination of the room count as a measure of determining the amount of electricity to be included in the first block of 6c per kw-hr. This new rate which will apply to all residential customers in the territory will be 25 kw-hr. at 6c; 125 kw-hr. at 3c. with all electricity in excess of 150 kw-hr. at 1 1/2c. Existing provisions for low cost electric service for ranges and water heaters will be continued.

West Penn domestic customers in Centre, Cameron, Elk, McKean, and Potter counties, constituting the Key-Song Division in which there has been no room count, will benefit under this new schedule by the reduction of the number of kw-hr furnished at six cents from 50 to 25. This represents a saving of seventy-five cents per month for every domestic customer who uses 50 kw-hr. or more each month. Customers who use between 25 and 50 kw-hr per month will save three cents on each kw-hr used between 25 and 50. Customers in the remainder of West Penn territory who live in homes of six rooms and above will also gain reductions in their service from the elimination of room count.

Commercial and small industrial customers will find their rates reduced by an estimated \$533,000 per year. The new rate schedules are to be filed in two parts in May and July.

The new schedule for schools and churches will be effective June 1st and will save them \$30,000 per year; and practically every such institution will share in the reduction.

Of particular interest to rural customers is the Company's offer to greatly modify its rule for the extension of service into rural areas and to make this new rule apply to its present rural customers. New customers on rural lines will benefit immediately and the rates will be effective for old customers on June 1. The new schedule, which represents a cut of \$40,000 will permit the \$1.00 standard minimum to become effective after seven years service on the line by any customer, regardless of the actual revenue produced. Heretofore there has been no limit to the period during which customers were required to pay special minimum charges, other than the rural line's ability to produce satisfactory earnings.

A more important feature of the Company's new rural rate schedule is that the cost of a line extension will no longer be used in determining the amount of the minimum charge required. Hereafter the Company offers to extend rural lines wherever the guaranteed revenue will amount to \$15.00 per mile per month. A \$20,000 reduction in street lighting rates effective the latter part of the year is also proposed.

West Penn Power Company has just completed a payment of approximately \$325,000 in interest on customers' security deposits, and is now planning to refund the deposits themselves to all customers who have received service over two years with a satisfactory payment record. This refund will represent an additional payment to customers of over \$550,000.

COLLEGE CHRISTIAN ASSOCIATION PLANS SERIES OF EVENTS

The recent P. T. A. meeting held in the local high school auditorium was well attended by both town and township patrons. The program, which had for its general theme a Washington-Lincoln Day celebration, was contributed to by pupils from both the rural and town schools. The amateur actors and actresses exhibited little or no self-consciousness and did their respective parts creditably to themselves and their teachers. Due to sickness and other unavoidable reasons, several of the pupils of Miss Dorothy Brown's school at Tusseyville and of Mr. Russell Bohn's seventh and eighth grades of town were unable to be present, and hence the prepared programs of these two schools could not be presented. PROPOSED AMENDMENTS TO PENN. LIQUOR LICENSE LAW

A series of amendments to the Pennsylvania License Law designed to correct defects in the Act and improve its administration have been introduced in the legislature. The substance of several of the amendments appear below.

A provision authorizing the Liquor Control Board to issue licenses to package retailers such as groceries and delicatessens for the sale of malt or brewed beverages up to 72 fluid ounces, for consumption off the premises. The beverage may be sold only in the original containers.

Another important change prohibits clubs from selling malt or brewed beverages between 2:00 a. m. and 7:00 a. m. or to non-members. Clubs still may sell on Sunday after 7:00 a. m.

Issuance of retail beer licenses is transferred from the county treasurer to the Liquor Control Board.

The local option provision in the present Act is changed to require a petition of 40 per cent of the highest vote cast instead of 10 per cent. In the event of a tie or majority vote in the affirmative, license will be granted.

THREE CARS DAMAGED IN WRECK ON MAIN STREET

Three cars were involved in a wreck on Main street at the Homan-Huyett alley, in town, Monday afternoon. A coupe operated by Carl Hastings of Centre Hall, came out of the alley and was struck by a sedan driven by Alfred Reish, proceeding uptown. The coupe was knocked across the road and into a parked sedan owned by Bruce Arney, dinging a front door and doing other small damage. The Reish car sustained a damaged frame, and the coupe rear damage. All were able to proceed on their own power. Patrolman Hirschman, of the Belleville detail, investigated the accident but, of course, responsibility for the accident was not determined. The Reish and Arney cars are insured.

NEWS NOTES FROM THE PRESBYTERIAN MANSE

The Centre Hall Presbyterians held their regular quarterly Communion service on Sunday. There was a very good attendance. Frank E. Wieland of Linden Hall, a member of the Bealburg Presbyterian church, and an elder at that place, was present and assisted in the administering of the elements. A gift of very beautiful flowers from the Woodring Floral Shop, Bellefonte, added much to the decoration for the special occasion. This gift from Mr. Woodring was admired and appreciated by all.

Miss Grace Wible, the art teacher of the Beaver Springs public schools was a guest at the Presbyterian Manse over the week-end.

David Parker, a retired banker and business man, answered the call of his Father on Friday last. He was 80 years of age at the time of his death. Besides his wife those who will miss his going most are his two daughters, Mrs. Clara Jones and Miss Dora Parker, two grandchildren and six great-grandchildren. He was buried from his late home in Alexandria. His pastor, Rev. Harold T. Smith, of the Presbyterian Church of Alexandria, conducted the services.

T. F. DELANEY FUNERAL VERY LARGELY ATTENDED

The funeral of Thomas F. Delaney, last Thursday, was the most largely attended of any in this section for years. The main auditorium in the Reformed church was filled and in addition more than a hundred persons were seated in the Sunday school annex. It was a solemn occasion, friends passing in and out quietly and speaking not a word.

Organ selections played by Mrs. D. R. Keener included: "Traumeri," "What a Friend We Have in Jesus," "Thy Will Be Done," "Berceuse," "Largo," "The Lord My Shepherd Is," "Jesus, I Live to Thee," "God Be With You Till We Meet Again."

The choir, composed of Misses Sara Odenkirck, Ruth Reiber, Messrs. James E. Myers, Robert and Woodrow Bradford, sang three hymns namely, "One Sweetly Solemn Thought," "It Is Well with My Soul," and "He Cares for Me."

Rev. D. R. Keener, pastor of the deceased, directed his sermon to the living, basing it on the latter part of verse 17, second chapter of First Epistle of John: "... he that doeth the will of God abideth forever."

During the services the body reposed in the vestibule, and on passing out friends viewed it.

The floral display was exceedingly elaborate and beautiful. There were a number of set pieces, offerings from organizations to which the deceased belonged.

In the Jacksonville church vestibule the body was exposed for viewing to a large number of acquaintances from his home in former years.

The origin of the thousands of pink and blue slips headed "Hands Off the Supreme Court," mailed to members of Congress, is to be investigated.

Calendars will soon show March 15, the date on which all income reports to the collector of revenue, at Scranton, must be made. There are few businesses where the current report will not be more satisfactory than that of a year ago.

YOUTH ENTERS JOHN SLACK'S BARN TO MILK COWS AT MIDNIGHT; LODGED IN JAIL

Kenneth Brandt, aged 21 years, of Millheim, was lodged in the Centre county jail at Bellefonte some time after midnight, Thursday, after a hearing before Squire Randall Miller, of Millheim, on a charge of milking a cow in the barn on the farm tenanted by John Slack, near Coburn. Mr. Slack is a son of Mr. and Mrs. C. W. Slack, of Centre Hall.

The young man had been suspected of making midnight visits to the same barn on previous occasions, and on the night captured was surprised by a group of men who had come to await a nocturnal visit to the barn. Brandt is said to have had a particular fondness for milk and drank great quantities of it.

Other reports are to the effect that he has been acting strangely in other directions, and that he may possibly be mentally unbalanced.

The specific charge on which he was arrested is breaking, entering and intent to steal. Former sheriff John M. Boob delivered Brandt to the jail. County authorities will examine him.

BROOKS PROPERTIES SOLD— FARM, \$2,000; HOME, \$2,500

The William S. Brooks properties, consisting of a town home and farm of 220 acres, located west of Centre Hall, were sold on Saturday afternoon at public sale for a total of \$4,500.

The home in Centre Hall, on Main street, comprised of a two-story frame dwelling house on a standard town lot of one-fourth acre, was sold to Rome Gingerich, who occupied it at the time of sale. Other bidders were Lloyd Smith, Centre Hill; D. Geiss Wagner acting for a friend, and Mrs. John Rishel, Spring Mills. Price, \$2,500.

The farm, where the late Mr. Brooks lived for a number of years, contains mountain and farm land, and is ideally suited for a stock farm. It was sold at a remarkably low figure. The purchaser was R. M. Smith, whose bid was \$2,000. A second bidder was Clarence Blazer.

REFORMED CHURCH SEEKS \$100,000 FOR MISSIONS

The \$100,000,000 goal set by the Reformed Church Foreign Mission Board, in a Church-wide enrollment is in sight.

The Board is very hopeful that the entire indebtedness be wiped out, so that the merger which has been made between the Reformed Church in the U. S. and the Evangelical Synod of North America may become more efficient, and the work of the two Boards carried out more efficiently.

MANY NEW BUILDINGS FOR PENN STATE COLLEGE

Governor Earle has been successful in securing the promise of a PWA grant of twenty million dollars from the federal government and long-term loans up to fifty million for the construction of public buildings, and Centre county will benefit largely in the expenditure of this vast sum of money.

As now planned \$5,835,000 have been tentatively allotted for new buildings at the Pennsylvania State College. They will include a new library, \$1,500,000; a science building, \$400,000; agriculture engineering building, \$140,000; barn, \$75,000; electrical engineering building, \$60,000; complete wings of main engineering building, \$300,000; center wing of mineral industries building, \$200,000; administration building, \$300,000; physical education building, \$300,000; physics building, \$400,000, and a unit of chemistry building, \$500,000.

The sum of \$511,536 is allotted to the western penitentiary, the most of which will probably be spent at Rockview. The Phillipsburg State hospital will share in the fund to the extent of \$120,000, while \$2,000,000 will be spent on additions to State armories.

CENTRE HALL WINS OVER GREGG, LEAGUE LEADERS

In perhaps the greatest upset of the Clinton-Centre basketball league, the local Tigers administered a 22-13 trouncing to the Spring Mills team on Friday evening, on the local high floor, Spring Mills, at this writing, is the leading contender for the league championship, boasting a record of only two defeats in seven games. The local five, which has been improving constantly with every game, unleashed an early offensive drive which was not to be denied. From the very beginning of the game Centre Hall showed its superiority by capturing seven points to the visitors' 6 at the quarter time. In the second period this lead was stretched to 19 while Gregg annexed one point. During the third quarter the locals scored 12 points to the visitors' 12. In the final quarter, with Centre Hall safely in the lead, the Watts-coached team endeavored to improve its score through a series of long shot's but the consistent alertness of the Tigers held the opponents at bay.

It is impossible as well as unfair to single out one star for the local team during the game because the boys were not individuals but a team—the highest compliments that can be paid a group of basketball players anywhere. However, according to Coach Myers, the following boys deserve praise for their brilliant efforts which made the team-work effective: Lanky Bob Gerhart, whose ability in putting the ball through the ring, was of great importance; Donnie Goodhart was a fast player, and another very capable shot. The other forward position was well handled by Bob Wetzel, whose ability in passing was of prime importance to the success of his team. George Heckman must be remembered for his excellent work in retrieving balls again and again, and for his high percentage of foul shots. Playing in the opposite guard position was Ralph Arney, whose efforts constantly turned back the Spring Mills representative. In the few minutes that Jim Meeker was in the game he proved a constant offensive threat.

The lineups:

Centre Hall, pts.	Pos.	Gregg, pts.
Goodhart (c) 6	F	Henschen 6
Wetzel 4	F	Condo 5
Gerhart 9	C	Ziegler 3
Heckman 2	G	Homan 1
Arney 1	G	Myers 6
Meeker 0	F	Bressler 0
Total 22	Total	13

Score by quarters:

Centre Hall—	7	2	12	6
Spring Mills—	0	1	12	0

Referee—Hancock, Phillipsburg.

The girls' team from Gregg Vocational had a veritable walk-over, outplaying the Centre Hall-Potter high girls from every angle. Score, 44-23.

CCC BOYS TAKE PLACE OF JOHNNY APPLESEED

More than 3000 apple trees were pruned to bear more fruit in the interest of the large herd of deer in the Allegheny National Forest by CCC enrollees.

Many of the trees are found at abandoned logging camps, and along logging railroads where lumberjacks were wont to toss away their apple cores. Forest officers vouch for the success of this measure destined to aid in producing more game food during the fall months.

The woody material resulting from the pruning is made into shelters for small game.

HIGH SCHOOL INVITED TO ENTER PLAY TOURNAMENT

Centre Hall-Potter high school has been invited to enter a one-act play in the tournament which the Pennsylvania State College will sponsor on the college campus, May 1.

Because only a limited number of plays can be staged and judged during a single day, district elimination contests will be arranged if there is a large number of entries, according to word received from the college. Judges will rate each play as superior, fair, or poor. Groups given a "superior" rating will receive an award.

Prof. A. C. Cloetingh, of the division of dramatics at the college, has set April 1 as the final date for entering the contest.

TOWN AND COUNTY NEWS

HAPPENINGS OF LOCAL INTEREST FROM ALL PARTS

William Walker, on leaving Centre Hall, about April 1st, will locate in Pleasant Gap.

W. H. Myers, of Millheim, suffered a light stroke, affecting his right side, but is recovering.

Wm. D. Shoop, confined to his home for five weeks from stomach trouble, is out since the beginning of the week.

A marriage license was granted at Cumberland, Md., last Saturday, to Miss Eleanor M. St. Clair, of Centre Hall.

G. G. Neff, the Millheim undertaker, became a patient in the Williamsport hospital recently, following a relapse from an attack of grippe.

Mrs. G. Frank Smith, during last week, suffered an attack of quinsy. Several of her children at the same time were ill from grippe.

Miss Ella Bottorf, of Lemont; Mr. and Mrs. John Moser, Jr., of Buffalo, N. Y., and Mr. and Mrs. Al. Gummo, of Salona, were recent guests at the Jacobs home in Centre Hall.

Mrs. Kathryn W. Carson, widow of the late Frank Carson, of Potters Mills, has been appointed a justice of the peace by Governor Earle, for the South Potter township precinct, as successor to her husband.

Mrs. Franklin D. Goodhart returned to her home last week after an absence of two weeks, during which time she was in Johnstown under the watchful eye of a specialist who diagnosed her case as one not at all serious and one easily corrected.

Paul Hironimus, living in his mother's home on Wilson street, contemplates beginning farming and has leased the Clevenstone farm, near Zion. He is now employed at the Titan Metal plant. The Hironimus home will be occupied by a Mr. Wian.

A son was born to Mr. and Mrs. Robert S. McClenahan, on Thursday last week, and was named Richard Orren. The birth occurred at the home of the mother's parents, Mr. and Mrs. Wm. Orren, at Yeagertown. It is the second child born to the couple.

An over-night guest on a cot in the barn of W. S. Fisher, at Wingate, was found dead Friday morning. The only identification of the 60-year-old tourist was a card made out by a Williamsport poor authority to "Louney Jackman." He had a dollar in cash in his pockets.

Mr. and Mrs. Ray Cassleberry, of Mt. Carmel, visited among friends in this section over the week-end. Mr. Cassleberry is a steam-shovel operator and is employed by a coal company. Mrs. Cassleberry was formerly Miss Elizabeth Brooks, daughter of Mr. and Mrs. Jewett Brooks, Bellefonte, R. I.

Howard Orndorf, now occupying the Hackenberg farm, along the winter mountain west of Smulton, will move this spring to one of the Will Mayes farms in Bald Eagle Valley, near the Jacksonville and Howard crossroads. The Hackenberg farm will then likely be occupied by Mr. and Mrs. Nevin Stover.

When Harold H. Bradford, clerk in the Bellefonte State Liquor store, vacates the J. C. Brooks residence on West Church street, it will be occupied by Mr. and Mrs. "Bud" Coldron, now living in the Odenkirck apartment. Mr. and Mrs. Bradford will locate in the apartment vacated by Robert Neff.

Something struck the windshield of a car driven by a representative of the People's Furniture Company, of Lewisport, and it was reported it came from a small rifle. It occurred on Friday as the car was in the vicinity of the Titan Metal Works. Later investigation led to the conclusion the object was a stone, probably falling from the high slag pile.

The real estate of the late Jasper R. Brungart, consisting of brick house and lot, located in Ebersburg, was sold at public sale to Edward Hosterman, of Ebersburg, for \$3115. The price was considerably above the estimated value placed on it by disinterested parties. Household goods, etc., also bank stocks, sold at the same time, brought very good prices.

Mr. and Mrs. George Carson, last week, moved to Centre Hall from top of Brush Mountain. In doing so, Mr. Carson made good his statement when appearing before the election board last November, that he was obliged to leave his voting district against his will, and on that ground was permitted to vote. The couple now occupy one of the Bartholomew houses on Allison street.

The Millheim basketball team felt itself obligated to the public to say it received defeat by the Gregg Vocational on the latter's floor with good grace, and acknowledged its inferiority in the basket game, and consequently published a letter in the Millheim Journal addressed to the Gregg boys to that effect. The reaction is varied. Just why an organization should deem it necessary to come out in broad statements acknowledging defeat when the score board had proclaimed it at the close of the game, is in a measure puzzling. The consensus of opinion is, however, taking the letter at its face value, that hereafter Millheim sports groups, like those in other sections, will take its drubbing like men. They raised the question themselves, that in time past, this was not always done.
